Title: Need to provide stoppage of trains in Jhargram district, West Bengal.

**SHRI KUNAR HEMBRAM (JHARGRAM):** Hon. Speaker, Sir, thank you for giving me the opportunity to speak for the first time in this august House. I am from a very backward area of West Bengal. My Parliamentary constituency Jhargram is a ST-reserved constituency. There are problems in every aspect- drinking water, health, education and so on. But today I would like to draw your attention towards one of the most important problems that the people of Jhargram are facing. Jhargram is a two-year old district. A large number of people have to go to Delhi, Mumbai, Ahmedabad and other metro cities to earn their livelihood. The South-eastern route is there and a large number of trains pass through this station, but they don't have stoppage at this station. So, people have to go to Kharagpur or Howrah which is far away. I would request the hon. Minister to provide stoppage of trains at this station so that a large number of people may be benefitted.
