Title: Need to install submerisable solar water pumps in Bardhaman Purba Parliamentary Constituency.

SHRI SUNIL KUMAR MONDAL (BARDHAMAN PURBA): Hon. Speaker, Sir, thank you for giving me this opportunity to raise an important matter relating to my constituency during the Zero Hour.

My parliamentary constituency is Bardhaman Purba in West Bengal. Farmers in my constituency are facing the problem of paying electricity bills for irrigation through deep tube well. So, I decided to install submersible solar water pumps for the purpose of irrigation. The people of my constituency are solely dependent on agriculture. There is no industry in my area. So, my request to the Government is that submersible solar water pumps are required to be installed in my Parliamentary constituency under *Pradhan Mantri Krishi Sinchai Yojana*. I would like to request the concerned Minister to kindly look into this matter and take action at the earliest.
