Title: Demand to construct an over bridge at Seelappadi in Dindigul along the Trichy-Dindigul by pass road.

***SHRI P. VELUSAMY (DINDIGUL):** Hon. Speaker Sir, Thank you for this opportunity. If Kodaikkanal-Munnar road project is implemented from Kodaikkanal in my constituency, it will be highly beneficial to the Tourists who visit these two places and the farmers of this area. Thank you for this opportunity. I request that an overbridge has to be constructed at the place Seelappadi in Dindigul, along the Trichy-Dindigul bypass, in order to avoid accidents taking place in this area. In the Dindigul-Palani rail route, ten subways/underpasses are located. These underpasses are filled with rain water. Especially, I request that the work at the underpass near Arammanaiputhur should be done on an war-footing basis. Kodai Road Railway Station is situated in my constituency. I urge that all the trains passing through this Kodai Road railway station should have stoppage at this station for the benefit of tourists. In the Dindigul -Palani railway route, especially between Palani and Dharapuram as well as Ayakkudy and Chatrapatty, there should be over bridges for managing vehicular traffic. I request the Hon Railway Minister to start a new train service from Palani to Chennai Egmore. As pilgrims visit Lord Dhandayuthapani temple located in Palani in large numbers, the new train service between Palani and Chennai Egmore is all the more necessary. Thank you.
