Title: Regarding sanctioning of a Textile park in Karnataka -laid.

SHRI RAJA AMARESHWARA NAIK (RAICHUR): Raichur and Yadgir Districts are considered as the most backward districts in Kalyana (Hyderabad) Karnataka Region which got special status under Article 371 J, and are also considered as Aspirational districts. Raichur District is having the biggest Cotton Market in Asia, around 110 Ginning & pressing factories, nearly 25 lakhs of Cotton bales (160 kg per bale) amounting to Rs.10,000 Crores per year is marketed in this Cotton Market. Farmers of neighbouring States of Andhra Pradesh/ Telangana also bring their cotton to Raichur Market.

Therefore, I herewith request to sanction Textile park at Raichur District which is having sufficient industrial land, Electric power (through RTPS/YTPS) and Water. Otherwise, I request to sanction Textile park at Kadechur village of Yadgir District, which is also having sufficient industrial land and other basic amenities. Sanctioning of Textile park at any one of the above Districts will create employment opportunities for the Youth of this area and also adjoining districts i.e., Bellary, Gulbarga & Bidar Districts. I hope that you will consider our proposal as early as possible in the interest of the public.

माननीय अध्यक्ष: अब केन्द्रीय बजट पर सामान्य चर्चा होगी, माननीय मंत्री जी के जवाब के बाद शून्यकाल होगा । मैं उन माननीय सदस्यों को प्राथमिकता दूंगा जो देर रात्री तक बैठते हैं । जो माननीय सदस्य हाउस की प्रोसिडिंग में बैठते हैं, उनको शून्यकाल में अतिरिक्त प्राथमिकता दी जाएगी ।
