Title: Need to sanction road-under-bridge/subway at Bauria Railway Station in West Bengal-laid.

SHRIMATI SAJDA AHMED (ULUBERIA): I would like to state about the problem faced by the people of my Constituency, Uluberia. I like to invite the attention of the Government to the difficulties being faced by the constituents of my Parliamentary Constituency near Bauria Railway Station, on Howrah --Kharagpur Line in South Eastern Railway due to level crossing on high traffic density stretch, daily nearly 20 thousand people are crossing the railway line for their daily necessities and the road at railway crossing is most of the times closed due to train movement at regular intervals. Sometime in urgency people are taking risks to cross the railway lines. Patients have to wait for long due to closure of the railway crossing gate. Besides, these crossings also lead to drop in speed of the trains.

During the last budget, Ministry of Railways committed to fulfill 'Mission Zero Accident' promise. I urge the Govt. to sanction a RUB or Subway at Bauria Station approach road to eliminate the difficulties being faced by general citizens and also to avoid accidents.
