Title: Demand to sanction fibernet connectivity for tribal welfare institutions on priority basis in Araku Parliamentary Constituency. *

KUMARI GODDETI MADHAVI (ARAKU): Sir, I would like to the bring to the notice of the hon. Minister of Communications that my Parliamentary constituency of Araku in Andhra Pradesh is a constituency reserved for Scheduled Tribes. Quite a large area is located in hilly and inhospitable terrain. In this regard, internet connectivity is essential, especially for tribal welfare institutions. Due to COVID-19 and the current situation, internet connectivity has now become a basic necessity. In this regard, I would like to request the hon. Minister of Communications to sanction fibernet connectivity for tribal welfare institutions on priority basis in Araku.
