Title: Demand to construct Railway bridges in Pavorchatram and Sankarankoil towns in Tenkasi Parliamentary Constituency, Tamil Nadu.

***SHRI DHANUSH M. KUMAR (TENKASI):** Hon. Speaker Sir, Vanakkam. Pavorchatram and Sankarankoil in my Tenkasi parliamentary are rapidly growing municipal towns. The population of these municipal towns is also on the rise. Railway bridges are not constructed in any of the Highways which pass through these two towns, as a result the people of this area face so many difficulties. In order to mitigate the sufferings of the people and to improve the basic amenities of this area, I urge upon the Union Government, through you Sir, to take necessary steps for construction of Railway bridges in this area immediately. Thank you.
