Title: Regarding posting of ex-servicemen-laid.

**SHRI POCHA BRAHMANANDA REDDY (NANDYAL):** In the light of their dedicated service to the nation under harsh condition and inhospitable environment, the relocation and welfare of Ex-Servicemen has been a matter of public importance.

After retirement, they are usually re-employed under Public Sector Undertakings and Nationalized Banks. As per the information provided by the All India Ex-Servicemen Bank Employees Federation, many ex-servicemen bankers are posted in remote places.

Hence, every Ex-serviceman should be posted near his/her hometown or a choice of residence.

I would, therefore, urge the Finance Minister to issue suitable directions to the concerned authorities.
