Title: Request to build a railway under bridge at LC railway Gate no. 87 at Periyagathunai Village in Krishnagiri, Tamil Nadu.

DR. A. CHELLAKUMAR (KRISHNAGIRI): Sir, I would like to take this opportunity to draw the attention of the Government through you, Sir, on the issue pertaining to my constituency.

Earlier, there was an LC railway gate no. 87 at 137/800 km at Periyagathunai village, Nagamangalam post, Denkanikottai taluk. The gate was closed in 1997 during the gauge conversion. This gate was used by the people of Kadur, Uppalam, Gawrikunta, Chinna Nagathona and Bedda Nagathona for their day-to-day movement. Now, the children have to go to school by crossing this line. The farmers have to cross this line for their daily farming activities. This is a life threatening and accident-prone area.

Therefore, I request the Government to build a railway under bridge for purpose of safety and easy passage for the daily commuters.
