Title: Regarding Four-Laning of Ahmednagar-Karmala-Tembhurni Section of NH-561A in Ahmednagar Parliamentary Constituency

DR. SUJAY VIKHE PATIL (AHMEDNAGAR): Sir, the Government has approved the project of four-laning of Ahmednagar-Karmala-Tembhurni Section of NH-561A in Ahmednagar District in my constituency. The project has been progressing in a swift manner and the issues concerning the same were resolved by our hon. Minister, Shri Nitin Gadkariji. However, there are few issues concerning the approved project which need to be resolved.

There is a total number of four proposed bypasses on this stretch which require improvement in order to ensure seamless connectivity on this stretch. The condition of the existing road in urban areas, where bypasses are proposed, is very delicate. Before handing over the city portion length of the project to PWD, one-time improvement of this portion is very much essential as per the norms of NHAI/MoRTH. I request the Ministry of Road Transport and Highways along with NHAI to kindly consider one-time improvement of these roads, where bypass roads are proposed, by including it in the revised DPR in order to provide seamless travel for passengers of Ahmednagar, and also avoid accidents or damage to vehicles due to non-maintenance of roads on this stretch, which will assist the common man and passengers and ensure ease of travel.

Thank you.
