Title: Regarding establishment of a CGHS Wellness Centre in Satara District, Maharashtra.Laid

SHRI SHRINIWAS DADASAHEB PATIL (SATARA): There is a long-standing demand for establishment of CGHS Wellness Centre in Satara, Maharashtra in my Lok Sabha constituency for Central Government employees, pensioners, army jawans and their family members. During the Covid 19 Pandemic, Central Government employees, pensioners and family members of Army jawans have undergone numerous hardships due to inadequate Central Government supported health care services in my Satara district. At present, there are CGHS facilities and Wellness Centres in Pune. Due to travel time involved and physical hardship, employees and pensioners from my area find it difficult to avail the services provided at Pune. There is a genuine need for establishment of one CGHS Wellness Centre in Satara District. It will be beneficial for a large number of serving Central Government employees, pensioners, army jawans and their families in the pocket of Satara and nearby Sangli, Kolhapur and Ratnagiri Districts of Maharashtra. There are many multispeciality hospitals in Satara districts willing to join CGHS empanelment. In view of above, it is requested to set up a CGHS Wellness Centre in Satara District of Maharashtra.
