

**GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS**

**LOK SABHA
UNSTARRED QUESTION NO. 2912
TO BE ANSWERED ON 03.08.2022**

RAILWAY PROJECTS IN WEST BENGAL

2912. SHRI DILIP GHOSH:

Will the Minister of RAILWAYS be pleased to state:

(a) the details of the ongoing railway projects in West Bengal at present and the status of each railway project as on date;

(b) whether any project is lagging behind the schedule in West Bengal, if so, the details thereof and the reasons therefor;

(c) whether any new train proposals/railway infrastructure development projects and new railway line projects are pending in West Bengal, if so, the complete details regarding such pending projects along with the reasons for delay; and

(d) the State/UT-wise details of the railway stations including West Bengal identified for the purpose of modernization and the details of the budget allocated and spent in this regard so far?

ANSWER

**MINISTER OF RAILWAYS, COMMUNICATIONS AND
ELECTRONICS & INFORMATION TECHNOLOGY**

(SHRI ASHWINI VAISHNAW)

(a) to (d): A Statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (d) OF UNSTARRED QUESTION NO. 2912 BY SHRI DILIP GHOSH TO BE ANSWERED IN LOK SABHA ON 03.08.2022 REGARDING RAILWAY PROJECTS IN WEST BENGAL

(a) to (c) : Railway projects are sanctioned and executed Zonal Railway wise and not State wise as Railway projects may span across State boundaries. However, as on 01.04.2022, 50 Railway projects (16 new lines, 04 gauge conversions and 30 doublings), costing ₹ 51,645 crore, covering total length of 4,365 Km, falling fully/partly in the State of West Bengal are in different stages of planning/approval/execution, out of which 2,065 Km length have been commissioned and an expenditure of ₹20,974 crore has been incurred upto March'22.

Railway Infrastructure Projects in the state of West Bengal is covered by Eastern Railway (ER), South Eastern Railway (SER) and Northeast Frontier Railway (NFR) Zones of Indian Railways. The project-wise details including cost, expenditure and outlay are available in public domain on Indian Railways website i.e. www.indianrailways.gov.in > Ministry of Railways > Railway Board > About Indian Railways > Railway Board Directorates > Finance (Budget)>Pink Book (year)>Railways-wise Works, Machinery & Rolling Stock Programme (RSP).

Completion of any Railway project/s depends on various factors like quick land acquisition by State Government, forestry clearance by officials of forest department, shifting of infringing utilities, statutory clearances from various authorities, geological and topographical conditions of area, law and order situation in the area of project/s site, number of working months in a year for particular project site due to climatic conditions, etc. All these factors affect the completion time of the project/s. With above constraints, every effort is being made to execute the project/s expeditiously.

Since 2014, there has been substantial increase in Budget allocation and commensurate commissioning of projects. Average Annual Budget allocation for Infrastructure projects & safety works, falling fully/ partly in State of West Bengal, during 2014-19 has been enhanced to ₹4,612 crore per year from ₹4,380 crore per year during 2009-14, which is 5% more than Average Annual Budget allocation during 2009-14. These allocations have been increased to ₹5,033 crore in Financial Year 2019-20 (15% more than the Average Annual Budget allocation of 2009-14), ₹5,246 crore in Financial Year 2020-21 (20% more than the Average Annual Budget allocation of 2009-14) and ₹ 6,988 crore in Financial Year 2021-22 (60% more than the Average Annual Budget Outlay of 2009-14). For Financial Year 2022-23, highest ever Budget outlay of ₹10,262 crore has been provided for these projects, which is 134% more than the Average Annual Budget Outlay of 2009-14 (₹4,380 crore per year).

During 2014-22, 998 km sections (88 km new line, 151 km Gauge conversion and 759 km doubling) falling fully/partly in the state of West Bengal have been commissioned at an average rate 124.75 km per year.

Indian Railways (IR) do not operate train services on State-wise basis as railway network straddles across the State boundaries. However, introduction of train is an ongoing process over Indian Railways subject to operational feasibility, traffic justification, resource availability, competing demands etc.

(d) : 52 stations have been identified for development/ redevelopment under major upgradation of Railway Station of Indian Railways. A list is appended as Appendix-I. Asansol and New Jalpaiguri Railway Stations of West Bengal State have been identified for redevelopment under Major Upgradation of Railway Stations. An umbrella work costing ₹ 12,000 crores has been sanctioned in the supplementary Budget for 2021-22 and another

Umbrella work costing ₹ 5,500 crores has also been sanctioned in the Budget 2022-23 for major upgradation of Stations of Indian Railways. Apart from the above, six other stations of West Bengal State have been identified for undertaking techno economic feasibility studies. Based on the outcome of these studies, stations are being planned to be taken up for development in phases.

Railway stations are upgraded/modernized under Adarsh Station Scheme based on identified need of providing better enhanced passenger amenities at stations. 1253 Railway stations over Indian Railways have been identified for development under Adarsh Station Scheme. A list is appended as Appendix-II. Out of these, 1215 Railway stations have been developed and the remaining 38 stations are targeted for development in Financial Year 2022-23. 383 stations were identified in the State of West Bengal under Adarsh Station scheme and all the stations have been developed under the scheme.

The details of allocation and expenditure for development and maintenance of stations are maintained Zonal Railway-wise and not State-wise or station-wise. Passenger amenities are generally funded under Plan Head-53 'Passenger Amenities'. The details of funds allocated and expenditure incurred under this Plan Head-53, over Indian Railways during the last three years i.e. 2019-20, 2020-21, 2021-22 and current year 2022-23 are as under:-

Zonal Railway	2019-20		2020-21		2021-22		2022-23
