

and (b). Most of the people who desired to migrate before the enforcement of the passport system did so. Only a small number were left over in border stations in Pakistan and some of them crossed over to India later with migration certificates obtained from Indian diplomatic missions. The Government of India had issued instructions that till the 31st October, migrants who had already passed the Pakistan Check-posts and reached Indian borders should be allowed entry without any travel documents.

WATCHES (IMPORT)

*570. **Shri K. C. Sodhia:** Will the Minister of Commerce and Industry be pleased to state:

(a) what was the total value of import of all kinds of watches into India in the years 1948-49, 1949-50, 1950-51 and 1951-52;

(b) the names of countries from which these imports were made and the amount against each;

(c) the total amount of custom duties realised in all from these imports in each year;

(d) whether there are any concerns who manufacture or assemble parts of watches in this country and if so, their names and places;

(e) the total output of these concerns during the years 1950-51 and 1951-52; and

(f) whether Government propose to offer any encouragement to private enterprise in this field?

The Minister of Commerce and Industry (Shri T. T. Krishnamachari): (a) and (b). A statement is laid on the Table of the House [See Appendix III, annexure No. 23.]

(c) The information is being collected and will be placed on the Table of the House as soon as possible.

(d) No, Sir.

(e) Does not arise.

(f) Government will render all assistance to private enterprise if and when they come up with concrete schemes.

IRRIGATION WORKS IN MYSORE

*571. **Shri Basappa:** Will the Minister of Planning be pleased to state:

(a) the major irrigation works in Mysore for which the Centre has given grants or loans and if so, the amount given; and

(b) the estimated acreage of land that will be brought under cultivation by these major irrigation works in Mysore State and the total amount that will be spent on them?

The Deputy Minister of Irrigation and Power (Shri Hathi): (a) So far no assistance by way of grants or loans has been given by the Centre for major irrigation works in Mysore.

(b) Does not arise.

REMITTANCES OF EUROPEAN EMPLOYEES OF FOREIGN FIRMS

*572. **Shri T. K. Chaudhuri:** Will the Minister of Commerce and Industry be pleased to state the volume of annual outflow of foreign exchange resources on account of remittance facilities accorded to the European employees of foreign firms in India?

The Minister of Commerce and Industry (Shri T. T. Krishnamachari): Such remittances are not recorded separately by the Reserve Bank of India.

MAGNESITE DEPOSITS (EXPLOITATION)

*573. **Shri S. V. Ramaswamy:** Will the Minister of Commerce and Industry be pleased to state:

(a) whether Government are aware of the terms of an agreement between an Indian firm and a Japanese firm for the exploitation of magnesite deposits in Salem District in Madras State;

(b) if so, whether the terms were approved by them; and

(c) whether Government propose to afford any financial assistance to the said venture?

The Minister of Commerce and Industry (Shri T. T. Krishnamachari): (a) Yes, Sir.

(b) Not yet.

(c) No, Sir.

GOVERNMENT HOUSING FACTORY MANUFACTURES

*574. **Shri Telkkar:** Will the Minister of Production be pleased to state:

(a) the articles now being manufactured in Government Housing Factory New Delhi; and

(b) whether the articles are available to the public or are meant for Government buildings only?

The Minister of Production (Shri K. C. Reddy): (a) A private limited company is being formed to run the factory and it is expected that production operations will recommence

early in 1953. The factory will, in the main, manufacture foam concrete slabs for roofing, prestressed concrete components, and wooden doors, windows, etc. of standard sizes. The factory will also undertake steel fabrication, employing a modern process of electrical welding which is expected to reduce the consumption of steel appreciably.

(b) The products of the factory will be available for sale to the public as well as to Government Departments

MEETING OF CENTRAL PROGRAMME ADVISORY COMMITTEE

*575. **Shri C. R. Chowdary:** (a) Will the Minister of Information and Broadcasting be pleased to state whether a meeting of the Central Programme Advisory Committee took place recently?

(b) Who attended it and do Government propose to place on the Table of the House a report of the deliberations of the Committee?

The Minister of Information and Broadcasting (Dr. Keskar): (a) Yes, Sir.

(b) A list of members who attended the meeting and a press note indicating some of the suggestions made by the Committee are placed on the Table of the House. [See Appendix III, annexure No. 24.] Recommendations of the Committee will be available after the minutes have been finalised.

COTTON (IMPORTS)

*576. **Shri Tulsidas:** (a) Will the Minister of Commerce and Industry be pleased to state the total quantity of cotton imported into India during the first six months of 1952?

(b) Out of this how many bales received from U.S.A. have been proved to be in damaged condition?

(c) What steps have been taken by Government to safeguard the loss, if any, of Indian Insurance Companies on account of this transaction and generally to ensure that the Indian import trade is not exposed to the risk of receiving damaged goods?

The Minister of Commerce and Industry (Shri T. T. Krishnamachari): (a) 871,228 bales of 400 lbs. each.

(b) Certain portions have been found damaged in about 2 lakh bales.

(c) The Government understand that most of the Insurance Companies concerned have decided to meet their commitments in full, and to take up

the question of reimbursement with the American shippers, themselves. The matter was taken up with the U.S. Government also, and it is hoped that individual importers and/or the Insurance Companies will be able to secure adequate compensation through the normal Court of arbitration prescribed in the purchase contracts.

IMPORT OF GRAINS FROM NEPAL

*577. **Shri B. N. Roy:** Will the Prime Minister be pleased to state what are the results of the negotiations with Nepal Government in connection with importing grains from Nepal by those Indian citizens who have got cultivation in Nepal territory?

The Deputy Minister of External Affairs (Shri Anil K. Chanda): Nepal Government have stated that the Indian citizens in Nepal are allowed to carry the produce of their land from Nepal to India subject to the local rules and regulations regarding the movement of food.

Information has been asked for regarding these rules and regulations.

SAMBHAR SALT

*579. **Shri Balwant Sinha Mehta:** Will the Minister of Production be pleased to state whether the introduction of the nominee system for distribution of Sambhar salt has brought any reduction in retail rates per seer in consuming markets?

The Minister of Production (Shri K. C. Reddy): No. The rate of commission paid to registered traders before the introduction of the nominee system was only one anna per maund and its abolition could not, therefore, have any appreciable effect on the retail price per seer of salt in the consuming markets.

DISTRIBUTION OF SALT

*580. **Shri Balwant Sinha Mehta:** (a) Will the Minister of Production be pleased to lay on the Table of the House a statement showing salt stocks as on the 1st January, 1952, the production and despatches made and likely to be made to different districts during the year 1952 and the estimated available stocks as on 31st December, 1952 both in maunds and in percentage at different salt sources separately under Government and private management?

(b) Is it a fact that the entire salt production from sources under Government management is necessarily made to the States nominees irrespective of whether the receiving State has any statutory Control or not?
