

per head per day to displaced persons above 2 years and below 12 years.

In addition the semi-permanent and permanent liabilities of Government are entitled to firewood and clothing according to prescribed scales.

**Shri S. C. Samanta:** May I know, Sir, whether any number has been added to the Yole Camp with the abolition of the Jammu Camp?

**Shri A. P. Jain:** The question is altogether incomprehensible to me, because Jammu Camp has nothing to do with the Yole Camp.

**Shri S. C. Samanta:** May I know whether a number of unattached persons who were left in the Jammu Camp after its abolition were added to the Yole Camp or not?

**Shri A. P. Jain:** Some time ago a few persons belonging to the permanent liability were brought to the Yole Camp. But I may inform the hon. Member that the Yole Camp has been practically disbanded. The last batch of 103 families is shortly to leave and then the camp will be completely closed.

**Shri S. C. Samanta:** May I know, Sir, how the training arrangement of these, semi-permanent liability, unattached persons will be met—whether Central training centres will be opened in Yole Camp or elsewhere?

**Shri A. P. Jain:** As I said, the Yole Camp is being wound up.

**Shri T. S. A. Chettiar:** May I know on what principles these divisions are made?

**Shri A. P. Jain:** The principle is given there—age.

**Shri T. S. A. Chettiar:** I mean permanent liability and temporary liability.

**Shri A. P. Jain:** Liabilities are divided into three categories:

(i) *Complete permanent liability:* Those displaced persons who due to age or infirmity cannot do any useful work and who have none in a position to support them at present or in the future;

(ii) *Partial permanent liability:* Such inmates of Homes/Infirmarys as can, after some training become partially employable or whose children, as they are able to stand on their own legs, can contribute partially towards maintenance of their parents; and

(iii) *Complete but terminable liability:* Dependent children and orphans living in Homes/Infirmarys, will constitute Government's complete but terminable liability. Such adults, as after an initial period of training are in a position to support themselves, or their children/other relatives are in a position to support them will also constitute complete but terminable liability.

**Shri S. C. Samanta:** May I know whether any complaint has been received by the hon. Minister as regards the insufficiency of supply of clothing and medical facilities there?

**Shri A. P. Jain:** No such complaint was received. But as I said the camp has been wound up: Only 103 families remain which are in the process of being shifted from Yole Camp to other places.

کر دوں - چونکہ یہ سوال یونیورسٹیوں کے لئے کیا گیا تھا اس لئے جواب میں صرف یونیورسٹی کا ذکر کیا گیا - کئی انسٹیٹیوٹس ہیں جو ویدک لٹریچر کا ریسرچ کر رہے ہیں یا عام سلسلہ لٹریچر کا - گورنمنٹ انہیں بھی مدد دے رہی ہے - ان کا ذکر نہیں کیا گیا ہے - جس سے ہوشیارپور کا انسٹیٹیوٹ اور بھلڈارکر انسٹیٹیوٹ، پونا -

[The Minister of Education and Natural Resources and Scientific Research (Maulana Azad): I would like to clarify the position. As this question concerned the Universities, therefore in reply reference was made only to the Universities. Certain institutions like the Hoshiarpur Institute and the Bhandarkar Institute, Poona are carrying on research in Vedic literature or general Sanskrit literature. Government is giving aid to these institutions also, but these have not been referred to.]
