

(c) whether Government have received any report of the investigation of these surveys;

(d) whether any survey of the Jawalamukhi area of the Punjab State was undertaken; and

(e) if so, with what result?

The Minister of Education and Natural Resources and Scientific Research (Maulana Azad): (a) and (b). A statement giving the information required is laid on the Table of the House. [See Appendix VII, annexure No. 10.]

(c) Yes, Sir.

(d) and (e). Yes, Sir. A copy of the report entitled "Final Report on the Geology of the Jwala Mukhi area, Kangra District, Punjab (I) by V. H. Boileau and G. Kohli, Geological Survey of India" is available in the Library of the House.

FOREIGNERS IN INDIAN UNIVERSITIES

325. Shri Badshah Gupta: Will the Minister of Education be pleased to state the amount of scholarship, if any, given by the Indian Government to the respective foreign scholars studying in Indian Universities in terms of rupees?

The Minister of Education and Natural Resources and Scientific Research (Maulana Azad): Scholars selected under the Government of India General Scheme of Cultural Scholarships to Foreign Students for studies in India are normally paid a stipend of Rs. 200 p.m. In addition tuition, examination and capitation fees, if any, are also paid. Some scholars are, however, paid a lesser amount of stipend according to their needs.

Fellows selected under the Government of India *ad hoc* scheme for the award of reciprocal fellowships to French Fellows for studies in India are paid a stipend of Rs. 500 p.m. except those who are at universities of Calcutta and Bombay where they are paid Rs. 600 p.m. Half of the expenditure is, however, shared by the universities concerned where the Fellows are doing research and teaching the French language.

सैनिक डेरी फार्मों में बछड़े

३२६. डा० सत्यवादी : क्या रक्षा मंत्री यह बतलाने को कृपा करेंगे कि :

(क) क्या यह सच है कि १९४७ के पहले सैनिक डेरी फार्मों में यह परिपाटी थी

कि ठीक जन्म के समय ही बछड़े मार दिये जाते थे और क्या यह परिपाटी अब भी चल रही है ; और

(ख) क्या ऐसी परिपाटी रक्षा विभाग द्वारा निकाले किसी विशेष नियम या आदेश के अनुसार चल रही थी ?

The Minister of Defence (Shri Gopaldaswami): (a) and (b). The breeding policy in force in Military Dairy Farms upto the end of 1947 was that only selected calves from good dams were reared for the replacement of or to meet casualties among Military Dairy Farms cattle. The rest were given away or sold to the public. Surplus calves were put to death shortly after their birth.

At the end of 1947, orders were issued not to destroy calves except for veterinary reasons and these orders are still in force.

CHURCH TO THE NORTH OF RASHTRAPATI BHAWAN

327. Shri Sinhasan Singh: Will the Minister of Defence be pleased to state:

(a) whether the big church to the North of the President's House was built along with the Presidential building i.e. the Government House, at Government cost as a place for worship for the then Head of the State, *viz.*, the Viceroy and Governor General of India and was so used by him; and

(b) since the change over of the Government and consequent change of the Head of the State to what use the church is being put and who maintains it?

The Minister of Defence (Shri Gopaldaswami): (a) The hon. Member is presumably referring to the Church of the Redemption, New Delhi. This Church was built along with the Presidential building now known as Rashtrapati Bhawan and was used by the former Viceroys and Governors General as a place of worship. There is no record to show that this Church was built at Government cost. It is, however, understood that it was built in the time of Lord Irwin, who himself donated a large sum of money and also raised subscription from the public for the purpose.

(b) The Church, which now vests in the Indian Church Trustees, is maintained by them and used as a place of worship.
