

**Shri B. S. Murthy:** May I know whether those concerned anticipated the downpour of rain and whether there has been any negligence?

**Mr. Speaker:** Order, order. His question was with reference to negligence. He is now putting it a little differently.

**Dr. Ram Subhag Singh:** Was it not possible for the Government to get these 60 tons of wheat distributed among the people on the day it was drenched by water?

**Shri Kidwai:** After the heavy downpour, the godown was immediately inspected, and it was found that all of them was not damaged. The water came from below and damaged some wheat. The wheat so damaged was immediately taken out.

**Shrimati Jayashri:** May I know Sir whether this damaged wheat was in a fit condition for human consumption.

**Shri Kidwai:** That portion which was fit for human consumption was taken out, and after being dried, was distributed. Sixty tons have been found to be unfit for any use.

**Pandit Thakur Das Bhargava:** What is the amount of grain stored in Bombay?

**Shri Kidwai:** I will require notice for it.
