

**The Minister of Railways and Transport (Shri L. B. Shastri):** (a) Yes. Railways are however permitted to make minor modifications in the designs to suit local conditions.

#### LAND SETTLEMENT IN IMPHAL

**\*682. Shri Rishang Keishing:** Will the Minister of States be pleased to state:

(a) whether it is a fact that the Assam Municipality Act, 1923, has been applied to Manipur and a municipality for Imphal town is being constituted with restricted franchise; and

(b) is it a fact that Thangmeiband, Sagoband, Uripok, Wahingbam Leikai and Keishamat areas lying in the heart of the town are being excluded from the Municipality?

#### SETTLEMENT OF DISPLACED PERSONS

**\*683. Shri Rishang Keishing:** (a) Will the Minister of States be pleased to state whether it is a fact that displaced persons were settled on vast plots of cultivable land in Manipur after ousting the local inhabitants from their settlements?

(b) Is it a fact that the landless peasants were ousted from Sugnu recently by Deputy Commissioner and displaced persons were settled there;

(c) Is it also a fact that Assam Rifles were posted to protect the displaced persons?

**The Minister of Home Affairs and States (Dr. Katju):** (a) In accordance with the general policy of Government about 400 to 500 displaced families from East Bengal have been settled in Manipur. Neither the number nor the area occupied by them is large; and no local inhabitant has been

ousted from any land to which he had any legal title or even a colourable claim of right.

(b) Some of the displaced persons who were to be rehabilitated in Manipur were settled at Sugnu where there was some Government waste land. Immediately it became known, certain local people occupied the land reserved for the displaced persons without any authority and with a view to driving the refugees away and occupying the land themselves. The Deputy Commissioner had to evict these persons as their occupation was quite unauthorised and illegal. It is not a fact that all the persons evicted were landless. Some of the landless people who were evicted have already been allotted other lands at Sugnu.

(c) In view of the hostile attitude of a section of the local people towards the refugees, a section of the Manipur Rifles (Armed Police) had to be posted at Sugnu to protect the life and property of the displaced persons.
