Certain junior ministerial posts－ interpreters，messengers，etc．are flled locally for reasons of economy and administrative convenience．The selection of such local recruits is made by the Head of the Mission in accord－ ance with the practice prevailing in the country concerned．The terms are sub－ ject to the approval of the Government of India．
（b）Most of the Government of Incia＇s posts abroad are still temporary though their occupants，as in the case of the Foreign Service and the Central Secretariat Service，etc．are often per－ manent Government servants．
（c）The Head of the Mission has no discretion in the matter of recruitment of officers and statf sent from India． Staff recruited locally for some junior posts is selected by the Head of the Mission．
