(b) Yes, Sir.

(c) Analysis of loss-making PSEs during 1989-90 indicated that 98 PSEs incurred a total loss of Rs. 1959 crores. Out of these 98 PSEs, 47 chronically loss-making PSEs incurred a net loss Rs. 1339 crores. 40 out of this 47 PSEs were in competitive sector with low social obligations and includes 26 sick enterprises taken over from private sector.

(d) Government have recently reviewed public sector policy. Public sector enterprises which are chronically sick and are unlikely to be turned around will for the formulation of revival/rehabilitation schemes, be referred to the Board for Industrial and Financial Reconstruction (BIFR), or other similar high level institutions created for the purpose.

#### **Investment in new industrial ventures in Southern States**
