

E.S.I. Hospitals in Gujarat

221. SHRI HARIN PATHAK : Will the Minister of LABOUR be pleased to state :

(a) whether the present Employees State Insurance Hospitals are sufficient in Gujarat to meet the health needs of the workers in the State;

(b) if not, whether Government propose to open some more ESI Hospitals in the State, and

(c) if so, the details thereof and the allocations likely to be made therefor?

THE MINISTER OF LABOUR (SHRI M. ARUNACHALAM) : (a) to (c). There are 9 ESI Hospitals functioning in the State of Gujarat. Wherever necessary, beds have also been reserved in Government/Private Hospitals for providing adequate in-door treatment to the Insured Persons. Meanwhile the ESI Corporation is having two hospitals, one each at Vapi and Jamnagar constructed. For construction of these two hospitals the Corporation has sanctioned a sum of Rs. 489.98 lakh. A proposal to convert the 225 bedded Chest Hospital at Naroda into a 300 bedded General Hospital has also been received in the ESIC

THE MINISTER OF LABOUR (SHRI M. ARUNACHALAM) : (a) to (c). While a series of meetings were held with the representatives of the Central Trade Unions before and after the introduction of the Employees' Pension Scheme 1995 with effect from 16.11.1995, no specific discussion on the Scheme has taken place with them during the last two months. The Scheme is already under implementation and pension has already been disbursed in over 68000 cases.

Child Labour

224. SHRI DADA BABURAO PRANJPE : Will the Minister of LABOUR be pleased to state

(a) the issues discussed in the International Labour Ministers' Conference held on January 19, 1995 at Delhi,

(b) the issues on which there was a consensus of opinion,

(c) the issues on which policy differences were expressed by other countries, and

(d) the present position in respect of Child Labour in India and steps taken by the Government for its abolition?

THE MINISTER OF LABOUR (SHRI M. ARUNACHALAM) : (a) The Fifth Conference of Labour Ministers of Non-aligned and Other Developing Countries held at New Delhi from 19th to 23rd January, discussed the following subjects :

(i) Horizontal cooperation in the field of employment and human resources,

(ii) Effects of international trade and international labour standards on employment, working conditions and development in the Non-aligned and Other Developing Countries, and

(iii) The social impact of structural adjustment programmes

(b) and (c) After detailed discussions in the Conference, the Delhi Declaration and Programme of Action were unanimously adopted. The Conference through the above Documents expressed their deep

concerns about the efforts at seeking to establish linkage between international trade and enforcement of labour standards through the imposition of the social clause. The Conference resolved to undertake programmes for horizontal cooperation among the developing countries in the various socio-economic spheres having implications for labour and employment. The Conference also felt that in formulating the adjustment measures, the social dimensions of structural adjustment should be carefully analysed keeping in view the particular circumstances of each country and the social partners and the results of their application, closely monitored to minimise human distress.

(d) The estimated figure of working children in India, as per the 1981 census, was 13.6 million. The policy of the Government is to ban employment of children below the age of 14 years in factories, mines and hazardous employment and to regulate the working conditions of children in other employments at this stage. The Child Labour (Prohibition and Regulation) Act, 1986 was meant to achieve this objective. Recently, the Ministry of Labour launched a major programme to eliminate child labour in hazardous occupations and processes by the year 2002 A.D. Sufficient funds have been committed to implement this programme.
