## World Bank Report on Indian Agriculture

# 4679. SHRI MUKUL BALAKRISHNA WASNIK: SHRI YASHWANTRAO PATIL: SHRI GURUDAS KAMAT: SHRI GEORGE FERNANDES:

Will the Minister of AGRICULTURE be pleased to state:

(a) whether the Government are aware of the World Bank report captioned "Agriculture: Challenges and Opportunities";

(b) if so, the details of the recommendations made in the report on Indian Agriculture; and

(c) the reaction of the Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI MULLAPALLY RAMACHANDRAN) (a) Yes, Sir. A country economic memorandum captioned "Agriculture – Challenges and Opportunities" covering some of the aspects of agriculture in India was prepared by World Bank in August, 1991.

(b) Some of the main recommendations concerning the agriculture sector relate to increasing overall allocations for agriculture, selective opening up of agriculture sector to the World Markets, improving the efficiency of agricultural investments, rationalising subsidies and targeting them towards deserving people, diversification of agriculture to meet the growing demands providing better incentives to farmers for crop production and revitalisation of rural banking. The Report advocates integration of Indian agriculture to the rest of the World agriculture economy and places major emphasis on market signals and privatisation as a guiding factor for promoting investments in agriculture.

(c) Some of the recommendations of the Report relating to improving the efficiency of agricultural investments are consistent with the Government of India's policies on agriculture. However integratio of Indian agriculture to the rest of the World Agricultural economy has to be selective and reciprocal. Similarly, while markets and privatisation have their role, there are certain limitations in their functioning in Indian agriculture, particularly in the case of rain-fed agriculture.

Based on above, Central Coalfields Ltd. has paid an excess amount of Rs. 75.29 crores whereas Bharat Coking Coal Ltd. is required to pay Rs.86.49 crores to Bihar Government as on 1.4. 1991. If Central Coalfields Ltd. have informed that in April 1991 an hoc payment of Rs.40 crores was made by Coal India Ltd. to Government of Bihar. If this ad hoc payment in April 1991 is taken into consideration, there will be no balance remaining to be paid to Government of Bihar.
