Title: Regarding CGHS Dispensary at Kollam

SHRI N.K. PREMACHANDRAN (KOLLAM): Central Government servants and their family members in the CGHS scheme both in service and retired are availing the services of CGHS dispensaries. CGHS dispensary in Kerala is located at Thiruvananthapuram and the same is not sufficient for rendering service to the large number of beneficiaries. The number of beneficiaries under the scheme in Kollam is high and they are facing much difficulty due to the lack of CGHS dispensary at Kollam. The CGHS card holders in Kollam and their family members are in trouble due to the lack of CGHS dispensary at Kollam. The demand for CGHS dispensary at Kollam is pending since long time.

Hence, I urge upon the Hon'ble Minister of Health, Family Welfare to initiate immediate steps to set up CGHS dispensary at Kollam.
