Title: Regarding condition of National Highway No. 53 in Jajpur Parliamentary Constituency of Odisha.

SHRIMATI RITA TARAI (JAJPUR): The National Highway no. 53 in the Jajpur Constituency (Odisha) requires urgent repair. The road on the Brahmani bridge between Kabatabandh and Pankapal village is so precarious that it may submerge in the river any time. Similarly, the stretch between Chandikhole and Duburi should be repaired without any delay. Therefore, I request the Government to immediately repair the National Highway no. 53 in the Jajpur Constituency.
