Title: Need to construct a Sports Academy as well as a Sanskriti Centre for adivasis.

DR. MAMTAZ SANGHAMITA (BARDHMAN DURGAPUR): Sir, today on the occasion of the Adivasi Divas, I want to say something. It is a sort of demand, which I wish to make to the Government, for something which is related to my constituency in Kanksa Block and some of the East Durgapur area. There is a huge area, which is inhabited by adivasis, which is there in Bankathi region and is a part of the Jungle Mahal region. There, they are quite enthusiastic about and good at sports. Also, they are culturally quite aware. From my MPLADS Fund, I have given money for construction of a Mukta Munch as well as for the renovation of a football ground there.

Since they are very good in sports as well as in cultural activities, I would request the Central Government to construct a Sports Academy as well as a Sanskriti Centre for adivasis in that area.

Thank you.
