Title: Need to provide basic infrastructure and amenities for the development of Dindigul Railway junction and Kadai Road Junction.

SHRI M. UDHAYAKUMAR (DINDIGUL): Sir, my issues pertain to the Ministry of Railways regarding non-stoppage of Vaigai Express, Guruvayur Express and Pothagai Express trains during day time at Kodai Road Junction. Because of non-stoppage of trains during day time at the above Junction, everyone finds it very difficult to commute.

I also point out about the basic infrastructure and amenities which have to be provided for the development of Dindigul Railway Junction and Kodai Road Junction. In this regard, I urge upon the Ministry of Railways to look into the matter. I have written several letters to the Divisional Railway Manager, Madurai. In response to my letters, I was informed that the proposal is pending with the Railway Board. Nothing has happened on the ground till date.

I urge upon the Hon'ble Railway Minister to kindly consider my request.
