**Title: Regarding establishment of a National Forensic Sciences University (NFSU) at Tirupati.**

**SHRI MADDILA GURUMOORTHY (TIRUPATI):** Sir, Tirupati is an educational hub with Institutes of National Importance like IIT, IISER and International Institute of Digital Technology (IIDT), 7 universities, apart from having medical colleges and engineering institutions. Tirupati is strategically located and is very close to other States like Karnataka and Tamil Nadu along with a lot of industrial clusters and Police Training College (PTC). The establishment of the world's first Forensic and Allied Sciences University Campus to meet the demands of law enforcement agencies for forensic experts at national and international level is needed. In the process of globalization of Forensic Sciences, it is proposed to establish NFSU campuses across the country for the benefit of the scientific investigative experts of the country.

I request the hon. Minister of Home Affairs to initiate the process for establishment of an NFSU Campus at Tirupati.

**HON. CHAIRPERSON:** Prof. Sougata Ray.

**PROF. SOUGATA RAY (DUM DUM):** Sir, during my presentation, please do not look at the paper.

**HON. CHAIRPERSON:** You have to read the script.
