Title: Regarding establishment of Gati Shakti Multi-Modal Cargo Terminal in Tirupati

SHRI MADDILA GURUMOORTHY (TIRUPATI): Sir, I am thankful to you for giving me this opportunity to raise a very important issue.

My Tirupati Parliamentary Constituency has a lot of potential resources to become a part of 'Gati Shakti Initiative' such as Krishnapatnam Port, Sri City stretch, Naidupeta stretch and EMC I & II.

Tirupati International Airport is close to Bengaluru and Chennai. There is a demand from the industry for integrated development of infrastructure, and more cargo terminals in Tirupati Parliamentary Constituency.

I would, therefore, request the hon. Railway Minister to establish a Multi-Model Cargo Terminal in Tirupati Parliamentary Constituency under PM Gati Shakti Framework to provide efficient mode of transport. It is essential for more freight to reduce the logistics cost of the industry.

Thank you.
