Title: Regarding road connectivity in the villages of Vakadu Mandal and Chittamur Mandal .

SHRI MADDILA GURUMOORTHY (TIRUPATI): Sir, Dugarajapatnam, Raviguntapalem, Nidigurthi, Pudirayadoruvy, and Mulapadava are panchayats of Vakadu Mandal, and Buradagali Kothapalem, Yellore and Kummaripalem are panchayats of Chittamur Mandal. They all come under the eco-sensitive zone. Villagers in these areas face several challenges for their existence, majorly due to poor road connectivity, which distance them from developed areas.

I would request, through you, Sir, the hon. Minister of Environment, Forests and Climate Change to initiate necessary action to permit laying of a permanent road which would provide connectivity to the villages of these areas.
