**Title: Regarding the issue of withdrawing of the interns from the Government general hospitals and district hospitals of our country.**

**SHRI HIBI EDEN:** Sir, I would like to draw the attention of the House to a very important matter related to the future of the young doctors of our country. When the Medical Council of India was in place, five per cent of the interns were posted in Government general hospitals in India. In my district Ernakulam, there is the first NABH accredited Government hospital of the country. The services given by these interns are very important for these hospitals. When the National Medical Commission was formed, they issued an order in early September 2022 withdrawing the interns from the Government general hospitals and district hospitals of our country, which had a huge impact. These were the people who fought the COVID. ... (*Interruptions*) It is a very important matter. In 2015, foreign medical graduates passed out from colleges in different parts of the world, like China, Philippines, Ukraine, etc. Due to COVID, they had three months of online class. They completed one year of their house surgency in different general hospitals but the National Medical Commission is saying that... (*Interruptions*) Sir, I am concluding. ... (*Interruptions*)

**श्री हैबी इडन :** सर, सबको बोलने के लिए दो मिनट का समय मिल रहा है।

**माननीय अध्यक्ष :** नहीं, नहीं। एक मिनट का समय दे रहे हैं। आप कनक्लूड कीजिए।

**श्री हैबी इडन:** सर, इसमें मैं कहना चाहता हूँ कि इनकी एक साल की इंटर्नशिप पूरी हो गई है। मुझे आपके माध्यम से अनुरोध करना है कि नार्मल प्रोसीजर जो एक वर्ष का है, उसमें I request the Government of India to consider this very favourably. They have told two years of internship is needed, which is not acceptable. They fought the COVID very seriously. These two issues are very important for the young doctors of our country. I would request the Government to consider this.
