**Title: Reg. Road safety issues in Shri Fatehgarh Sahib.**

**DR. AMAR SINGH (FATEHGARH SAHIB):** Thank you Sir. I hail from a constituency called Fatehgarh Sahib where two younger sons of the 10<sup>th</sup> Guru Shri Guru Gobind Singh were martyred. A lot of Sikh Shrines and religious places are there. The roads that lead to those places are in a shabby and dilapidated condition. These include State roads and national highway. Rahon road goes to Naina Devi via Ropar. It is the area of my senior colleague Shri Manish Tiwari ji. It is in a very bad condition. No one can reach Naina Devi or Rahon.

Punjab Government has sent its proposal to Central Road Fund. So, I urge upon the Government to get this road repaired at the earliest. There is another road of Charh Sahib where Shri Guru Gobind Singh ji had himself come. Machhiwara Sahib is another area. Degsar Sahib is another location.

Sir, all roads leading to places related to our Sikh Gurus must be repaired soon under any scheme. Pilgrims visit these areas in droves. So, the Government must repair these roads at the earliest.
