MINISTER THE OF WATER RESOURCES (SHRI VIDYACHARAN SHUKLA): (a) and (b) A Statement giving details of financial assistance rendered for the construction of sea walls to prevent sea erosion in the State is attached.

## STATEMENT

Details of tinancial assistance rendered to the State Government of Kerala for the construction of sea walls to prevent sea erosion in the State

Considering the financial constraint and urgency, the Central Government has been extending Central ioan assistance to Karala since 1972-73. For Phase I programme comprising construction of 320 km. of new sea walls and reformation of 70 km, of damaged sea walls in critical areas. Out of total expenditure of Rs. 94.74 crores upto March 1991. Centre has contributed Rs. 49.05 crores as per agreed norms. Nearly 97% of new works and 61% of reformation works have been completed. In addition, the State Government has now come up with phase II comprising construction of about 128 km. length of new sea walls and approximately 54 km. of reformation works at an estimated cost of Rs. 156 crores, seeking assistance on the existing pattern.

The State Government has been requested to come up with schemewise detailed project reports for phase II works supported by the approval of State Technical Advisory Committee, guideas per
