

Title: Regarding alleged irregularity in implementation of PMAY (Gramin) in West Bengal.-laid

DR. JAYANTA KUMAR ROY (JALPAIGURI): The Pradhan Mantri Awas Yajona (PMAY) was launched in 2015 for providing a pucca house to every household who could not afford to build one. Leading news papers and Electronic media have published write up which clearly points out towards irregularities in the PMAY (Gramin) funds in the State of West Bengal. I urge the Union Government to investigate the matter and consider tally stringent action against all those involved in this alleged scam and develop a new mechanism for its periodic scrutiny by an independent observer.
