SHRI UTTAM KUMAR REDDY: Sir, the National Highway No.65 from Hyderabad to Vijayawada connects the States of Telangana and Andhra Pradesh. This highway was expanded to four-lane several years back with GMR as the concessionaire.

Sir, for several years, its expansion from four-lane to six-lane has been pending, and the concessionaire, which is GMR, has gone to court due to several legal issues. I request the Government's intervention for the expansion of the road from four-lane to six-lane. Both myself and the other Member of Parliament, Shri Venkat Reddy from Bhongir constituency have been repeatedly meeting the hon. Minister concerned. I wish to request that the expansion work of road from four-lane to six-lane for which land acquisition has already been completed be taken up immediately.
