Title: Re: Problems faced by people due to demolition drive.

DR. FAROOQ ABDULLAH (SRINAGAR): I want to raise a point for the Home Minister to consider. In this cold winter, while the temperatures are going in minus in the city of Srinagar, a lot of demolition is taking place and many people have to leave their homes.

I will request the Home Minister to look into this and stop what is happening there. As many colonies have been regularised in Delhi over the years, this may be considered so that these people who have to leave their homes in this cold winter get some relief.
