### निवाड़ी (मध्य प्रदेश) में यात्री सुविधाएं

२४२१. श्री माते : क्या रेलवे मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या यह सच है कि मध्य प्रदेश में निवाड़ी रेलवे स्टेशन (मध्य रेलवे) पर ऊंचे प्लेटफार्म नहीं हैं और न प्रथम व द्वितीय श्रेणी का प्रतीक्षालय तथा गुड्स शैड है और

(ख) यदि हां, तो जिले का एक मात्र स्टेशन होने के साथ-साथ व्यापारिक केन्द्र होने के कारण क्या सरकार वहां पर उपरोक्त सुविधाओं की व्यवस्था करेगी ?

रेलवे मंत्रालय में उपमंत्री (श्री सै० बें० रामास्वामी) : (क) और (ख). निवाड़ी एक छोटा स्टेशन है और यहां दरमियानी ऊंचाई का एक प्लेटफार्म पहले से मौजूद है ।

इस स्टेशन पर ऊंचे दर्जे के यात्री-यातायात को देखते हुए ऊंचे दर्जे का एक भलग प्रतीक्षालय बनाने का कोई औचित्य नहीं है ।

माल की लदाई के लिये एक प्लेटफार्म और माल व पार्सल यातायात के लिये एक कमरा बनाने के सवाल पर विचार किया जा रहा है ।

New experimental specifications for road construction are being suggested by the various Road Research Institutes in the country from time to time. Steps are being taken to try out the new specifications in the field as indicated below.

2. A Central Assessment Committee has been formed to assess the eligibility of new techniques for trial and to determine where they should be tried. The State Governments have been requested to adopt these techniques where technically and economically feasible. They have also been requested to earmark 1 per cent of their Third Plan road allocations for trials of experimental specifications. A sum of Rs. 75 lakhs has been set apart by the Central Government as a Risk Fund to cover the losses or extra expenditure on trials. Grants-in-aid equal to 50 per cent of the initial cost of some new techniques have been offered to some State Governments.
