

The Deputy Minister in the Ministry of Information and Broadcasting (Shri Sham Nath): (a) Two full-fledged Radio Stations, one each at Port Blair and Kurseong are proposed to be set up during the Third Five Year Plan.

(b) Eight—At Rajkot, Kozhikode, Poona, Hyderabad, and Dharwar, the primary service transmitters will be replaced by higher-powered units; and at Ranchi, Bhopal and Trivandrum, additional transmitters would be installed.

(c) The main criteria for selecting the locations are the technical requirements and the restrictions imposed by the International Telecommunications Union and similar technical bodies within the country.

(d) The new Radio Station at Kurseong is ready for service and will be inaugurated on the 2nd June, 1962. The projects at Port Blair, Rajkot, Kozhikode, Poona, Hyderabad, Ranchi and Bhopal are expected to be completed in 1962-63 and those at Trivandrum and Dharwar, in 1963-64.

New Major Industries

2157. { Shri Elayaperumal:
