In the context of the rapid development of the operations of the Scheme in the Fourth Plan, and the further growth anticipated in the Fifth Plan it was not considered considerable to continue to administer the scheme departmentally for the reasons that the Department did not have the administrative resources needed for:—

- (i) processing and appraisal of a large number of loan applications;
- (ii) thorough examination of the security offered by the hotel companies, of prospectuses issued by them and of their terms of borrowing from other institutions:
- (iii) Checking of progress of construction of hotels for regulating the payment of loan instalments;

٤

- (iv) supervision of the financial operations of the hotel companies during the pendency of loans; and
- (v) accounting for the payment of interest and repayment of principal against each loan sanctioned.

It was, therefore, decided to transfer work relating to Hotel Development Loan Scheme to the Industrial Fianance Corporation of India with effect from 11th January 1974.
