BOOTH CAPTURING AND RIGGING INCIDENTS DURING TENTH LOK SABHA ELECTIONS

1429. SHRI DILIP SINGH BHURIA: Will the Minister of LAW, JUSTICE AND COMPANY AFFAIRS be pleased to state :

- (a) the number of incidents of booth capturing and rigging which took place during the Tenth Lok Sabha elections. constituency-wise; and
- (b) the steps taken or proposed to be taken by the Government to prevent such incidents in future?

THE MINISTER OF STATE OF THE MINISTRY OF PARLIAMENTARY AF-FAIRS AND MINISTER OF STATE OF THE MINISTRY OF LAW, TUSTICE AND COMPANY AFFAIRS (SHRI RAN-GARAJAN **KUMARAMANGALAM):** (a) Statements No. I and II showing the constituency-wise number of polling stations where repoll had to be ordered due to incidents of booth capturing and such like malpractices and parliamentary constituencies where elections were countermanded due to large scale booth capturing and violence are given below.

(b) Election Commission takes all possible steps to prevent electoral malpractices and irregularities. It is, however, for the concerned State Government make arrangements for Law and order and to ensure that incidents of booth capturing etc. do not take place. The Representation of the People (Amendment) Bill, 1990 introduced in Rajya Sabha May, 1990 by the previous government seeks to make the offence of booth capturing a cognizable one and to enhance the punishment for the offence where such offence is committed by a person in the service of Government. The Bill provides for strengthening of Section 58A of the Representation of the People Act. 1951 so that Election Commission could take a decision to countermand the poll on a report from the Returning Officer or otherwise. However, in view of the incidents in the last General Elections, the Government being committed to bringing in electoral reforms, feel that the matter requires further in-depth study before any concrete steps are proposed.
