RE. TAPPING OF TELEPHONES

[Translation]

SHRI MADAN LAL KHURANA (South Delhi): Mr. Speaker, Sir, I have given a notice to you under Rule 193 to raise the issue of tapping of telephones of political leaders by the Karnataka Government. Telephones of 19 Leaders including a Union Minister associated with the Hon. Prime Minister and two former Chief Ministers have been tapped. The Government of Shri Ram Krishna Hegde had fallen on the same issue. My submission to you is that it is a very serious issue. Therefore, a full fledged discusshould be held on it in the sion House. This Government and also the previous Government had assured repeatedly that telephones of political leaders would not be tapped. Government of Karnataka have tapped the telephones despite these assurances. I, therefore, would like to request you to allow a full fledged discussion on the issue in the House under Rule 193 and the Government should state the position.

[English]

SHRI M. V. CHANDRASHEKARA MURTHY (Kanakapura): Sir, This is not the first time that we are discussing this vital and sensitive issue. This issue was widely discussed and agitated in this House even in 1988 and the then Chief Minister had to pay a heavy price and he resigned his Chief Ministership.

It is reported that telephones of several leaders in Karnataka are alleged to have been tapped. I am also one among the victims.

We have certain rights and duties to perform. More than that, we are having some privileges.

You tell us whether the Members of this House can function freely and effectively in such circumstances.

It is a gross violation of the democratic values and morale and ethics in public life.

I demand from both the Home Minister and the Minister for Communications to order a joint inquiry and to come before this House with a statement immediately.
