ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

(SHRI RAJEEV CHANDRASEKHAR)

(a) The Skill India Mission (SIM) of the Govt of India is aimed at Skilling, Re-skilling and Up-skilling to ensure our youth are prepared for the large number of opportunities coming up as the economy expands and India moves from the 10th largest economy to 3rd largest economy in the world. SIM is aimed at future ready and Industry ready talent among the youths.

Under SIM, the Ministry of Skill Development and Entrepreneurship has been implementing Pradhan Mantri Kaushal Vikas Yojana (PMKVY) since 2015, to impart Skill Development training to youth across the country including Andhra Pradesh. Under PMKVY, training has imparted through Short Term Training (STT) and Recognition of Prior Learning (RPL). Under PMKVY, as on 30.06.2023, 4.63 lakh candidates have been trained in the State of Andhra Pradesh.

(b) PMKVY 2.0 (2016-20) and 3.0 (2020-22) had two components, namely, Centrally Sponsored Centrally Managed (CSCM) known as Central component which was implemented through National Skill Development Corporation (NSDC) and Centrally Sponsored State Managed (CSSM) known as State component which was implemented through State Skill Development Missions (SSDMs) of the State/UT. The details of fund utilized under CSCM component and fund allocated, released and utilized under CSSM component of PMKVY in the State of Andhra Pradesh as on 30.06.2023 are given below:

Fund Position under PMKVY for Andhra Pradesh				
Year	State Component (Rs. in Crore)			Central Component (Rs. In Crore)
	Funds Allocation	Funds Released	Funds Utilized	Funds Utilized
PMKVY2.0(2016-20)	79.56	54.93	51.30	198.53
PMKVY3.0(2021-22)	8.22	2.46	-	8.36
PMKVY 4.0 (2023)	-	-	-	1.31
Total	87.78	57.39	51.30	208.20

85,401 candidates have been trained in the State of Andhra Pradesh under PMKVY during the last three years.

(c) & (d) Under PMKVY, placement opportunities have been facilitated to STT certified candidates, and since RPL involves the process of certification of already existing skills, it is not linked with placements. Under PMKVY, as on 30.06.2023, 56.81 lakh candidates have been certified and 24.38 lakh candidates have been reported placed, which is around 43%.

The Government has taken various initiatives to increase the opportunities for placement of certified candidates, such as organizing Rozgar Melas and apprenticeship mela. Rozgar Melas are organized with the support of Sector Skill Councils, training providers and implementing agencies to directly link the candidates with the potential employers.
