TO BE ANSWERED ON 31.07.2023

Central Public Sector Enterprises

1693. SHRI P.V. MIDHUN REDDY:

Will the Minister of FINANCE be pleased to state:

- (a) the details of each of Central Public Sector Enterprises (CPSEs) in the country, year in which such PSE was set up, State in which each of such PSE is established, performance of each PSE during the last ten years, year-wise and PSE-wise, details of vacancies, PSE-wise;
- (b) the details of strategic and non-strategic PSUs in the above PSEs;
- (c) the details of each of non-strategic PSEs that are going to be privatized;
- (d) the details of status of privatization of all non-strategic PSEs, PSE-wise; and
- (e) the amount the Government is planning to earn through privatization of non-strategic PSEs?;

ANSWER

THE MINISTER OF STATE FOR FINANCE
(DR. BHAGWAT KISHANRAO KARAD)

(a): Details of Central Public Sector Central Public Sector Enterprises (CPSEs) in the country, with year of incorporation, State/UT where registered office is situated along with their profitability during the period 2012-13 to 2021-22 are placed at **Annexure-I**.

CPSEs function under the administrative control of respective Ministries/Departments. Enterprises specific measures with respect to vacancies and its requirement are monitored by Board of CPSEs and their respective Administrative Ministries/Departments.

(b to e) The Government follows a policy of disinvestment through Minority Stake Sale and Strategic Disinvestment. Strategic Disinvestment implies substantial sale of Government shareholding of a Central Public Sector Enterprise (CPSE) along with transfer of management control to a strategic buyer (which may be a private sector entity or a CPSE). Cabinet Committee on Economic Affairs (CCEA), since 2016, has given 'in-principle' approval for strategic disinvestment of 36 cases of Public Sector Enterprises (PSEs) and/or Subsidiaries/ Units/ Joint Ventures of PSEs/ Bank. Out of the 36 cases, 33 cases are being

handled by Department of Investment and Public Asset Management (DIPAM) and 3 cases are being handled by the respective Administrative Ministry/Department. Out of the 33 cases being handled by DIPAM, strategic disinvestment transactions have been completed in 10 cases which include two cases of privatisation; 5 PSEs are under consideration for closure; 1 case is held up due to litigation, 1 case is under Corporate Insolvency Resolution Process (CIRP) in NCLT and 2 transactions are under review for feasibility. Remaining 14 transactions are at various stages. Details are given at **Annexure-II** In other PSEs, where the Government continues to retain control, disinvestment through minority stake sale is carried out through various SEBI-approved methods such as Initial Public Offer (IPO), Offer for Sale (OFS), Buyback of shares etc. from time to time based on prevailing market conditions and investor interest.

Till February 2021, NITI Aayog identified PSEs for strategic disinvestment based on the criteria of (i) National Security; (ii) Sovereign function at arm's length, and (iii) Market Imperfections and Public Purpose. Government has unveiled a new PSE policy which is designed to discover true economic potential of entities in the hands of private investors. The new PSE policy was approved by Cabinet, on 27th January 2021 and was notified on 4th February, 2021. Under New Public Sector Enterprise ("PSE") Policy public sector commercial enterprises have been classified as Strategic and Non-Strategic sectors. Four broad Strategic Sectors have been delineated based on the criteria of national security, energy security, critical infrastructure, provision of financial services and availability of important minerals. These include

- (i) Atomic Energy, Space and Defense;
- (ii) Transport and Telecommunication;
- (iii) Power, Petroleum, Coal and other minerals; and
- (iv) Banking, Insurance and Financial Services.

In Strategic sectors, bare minimum presence of the existing public sector commercial enterprises at Holding Company level will be retained under Government control. The remaining enterprises in a strategic sector, will be considered for privatization or merger /subsidiarization with another PSE or for closure. PSEs in non-strategic sectors shall be considered for privatization, where feasible, otherwise such enterprises shall be considered for closure. Not for Profit companies, PSEs providing support to vulnerable groups, and PSEs having developmental / promotional roles are exempted from the New PSE Policy.

Further, the ongoing strategic disinvestment transactions will not be affected by this policy and shall be undertaken as per the extant procedure.

The timing for specific transaction will however, be contingent, inter-alia on the consideration of appropriate sequencing, sectoral trends, administrative feasibility and investors' interest etc.

Realization of proceeds from strategic disinvestment/privatization depends upon highest price bid received through a transparent two stage bidding process.

Annexure referred to in reply to part (a) of Lok Sabha Unstarred Question Number 1693 to be answered on 31.07.2023
