ORAL ANSWERS TO QUESTIONS

**Alternative Accommodation to
 Jhuggi Dwellers near West Kidwai
 Nagar (New Delhi).**

* 242. **SHRI M. L. SONDHI** : Will the Minister of HEALTH AND FAMILY PLANNING AND WORKS, HOUSING AND URBAN DEVELOPMENT be pleased to state :

(a) Whether it is a fact that the Jhuggis near West Kidwai Nagar, New Delhi, on the bank of Nallah are being demolished without providing alternative accommodation to the residents who work as sweepers in the New Delhi Municipal Committee and in the private quarters nearby ;

(b) if so, the reasons therefor ; and

(c) the steps which Government propose to take to provide relief to these Harijan families ?

THE MINISTER OF HEALTH AND FAMILY PLANNING AND WORKS, HOUSING AND URBAN DEVELOPMENT (SHRI K. K. SHAH) : (a) No, Sir.

(b) and (c). Do not arise.

SHRI M. L. SONDHI : I am very distressed to say that in New Delhi, in my constituency, Harijans are being singled out by Government for ill-treatment so much so that many of them tell me that in the national capital their fate in the Gandhi Centenary Year is that of second-class or even third-class citizens. There are three examples that

I have in mind in the vicinity of Parliament. One is the Harijan Basti of Gandhi fame. The second is in Nizamuddin and the third is Kidwainagar, all of which are examples of human misery. In fact, one of the Cabinet Ministers was the man responsible for destroying the peaceful homes of Harijans in Katra Ahira in Nizamuddin recently, although he has nothing to do with urban development. I wish well to the new Minister who is taking up this subject, and I would like him to tell us whether these anti-Harijan measures will be discontinued forthwith. These Harijans live and work in New Delhi. They are a distinct category. They work in houses or in offices, and if they are moved to a far away place they will not be able to provide clean sanitary help to the people who live in these Government colonies. May I ask the hon. Minister whether he would assure the house that he will not uproot the Kidwainagar jhuggi dwellers by suddenly swooping on them at midnight but will provide them with essential facilities like electricity, water and latrines immediately ?

SHRI K. K. SHAH : My hon. friend has made a number of statements which are not concerned with the main question. So far as the jhuggi-jhompri people are concerned, the policy of the Government is known from 1960 onward even though they are not entitled to it, have been provided with alternative accommodation and then only they are to go. Even at this place twice they were removed in 1966 and alternative accommodation was made for them, but again they came back to this area. Even now, till we make alternative accommodation, we are not going to ask them to go away. What more does my hon. friend want ?

SHRI M. L. SONDHI : Just by way of clarification. I was told that my facts were not correct. In Katra-Ahira in Nizamuddin, a peaceful village was uprooted by one of the Cabinet Minis-

ters. I make this charge here in this House that these Harijans who have been uprooted.....

SHRI KANWAR LAL GUPTA : Let him name the Cabinet Minister.

SHRI M. L. SONDHAI: Shri Fakhruddin Ali Ahmed. I am mentioning the name because I have been asked to name him.

This has a demonstration effect. If you treat Harijans like this in New Delhi it is no wonder that in Andhra Pradesh their villages are burnt. I do not want to lose my temper, but it is a matter on which we should. We have to create a sense of security and social equality among these people. Here is a place where we have Mannagar, Shannagar, Vinaynagar etc. We have this kind of differentiation already. In order to create a sense of social equality, it is essential that some concrete steps should be taken to provide living accommodation to Harijans not in some distant place but in the very midst of the society in which they are working. May I know what steps Government propose to take to start a low-cost-housing project so that the Harijans in Kidwai Nagar and similar areas in New Delhi and their womenfolk can work in the same area and attend to their daily work, namely of cleaning the houses and doing sanitation work for which the community should be grateful to them. May I ask the hon. Minister whether Government will immediately—it is not a matter of 1966 or 1976—and here and now announce that they will provide with them regular accommodation for which the Harijans are willing to pay in instalments? There should be a clear answer on this.

SHRI K. K. SHAH : My hon. friend knows that in New Delhi, tenements have also been built. 80 sq. yds. and also 25 sq. yds. plot are provided. The total provision so far made is 37,393 including 80 sq. yds. tenements and 24 sq. yds. plots and more provision is being made.

SHRI M. L. SONDHAI : That is on the outskirts of Delhi. I am asking about accommodation in the society in which they are working. We talk of

social integration. But how can we have social integration if we do not provide them with houses in the same area? Is this New Delhi meant only for Kashmiri Brahmins? Or else, what does it mean?

SHRI R. D. BHANDARE: My I know from the hon. Minister who has been responsible for destroying the jhuggis and jhompris, because whenever they are destroyed, the residents of the jhuggis and jhompris have to move from pillar to post; when they go to the police station they are asked to go to the Home Minister. When they approached the Home Minister they are asked to go to the DDA, and when they approach the DDA they say that it is because of the orders of the Lt. Governor. In view of this fact, may I know from the hon. Minister who is responsible for destroying the jhuggis and jhompris, and secondly whether he has any Plan or any programme to change the master Plan so that the poor and the down-trodden people are not thrown on the outskirts of the city of New Delhi? Otherwise they again become untouchables, and they have their own villages. May I know from the hon. Minister whether he has any design or any programme to change the master plan so that these poor and down-trodden people are not thrown out of the city?

SHRI K. K. SHAH : First of all, my hon. friend wanted to know who was responsible. There are a number of departments concerned. There is the Horticultural Department; then there is the NDMC, and then the DDA...

SHRI S. M. JOSHI : But Government is one.

SHRI K. K. SHAH : I am not shirking the responsibility.

So far as the programme is concerned, I would only like to point out to my hon. friend that up to 28th February, 1969, the number of 80 sq. yds. plots provided was 3559, and the tenements that have been built up are 3872.

SHRI R. D. BHANDARE : I seek your protection, Sir. That was not my question.

MR SPEAKER : But that is the answer that he has in his brief.

SHRI R. D. BHANDARE : My question was different.

MR SPEAKER : The hon. Member wanted to know whether they would be allowed to stay where they were and would not be shunted outside. He also wanted to know who was responsible for it. He did not ask how many had been constructed.

SHRI K. K. SHAH : The fact that alternative arrangements are made shows that according to the Master Plan wherever they are to be removed they have been in unauthorised occupation of Government land. Even then, when we remove them we make alternative arrangements for them. I was trying to point out how many had been removed and how much of alternative accommodation had been provided.

SHRI R. D. BHANDARE : I seek your protection, Sir. That was not my question. My question was this. Do Government have any programme to change the Master Plan so that these people could be allowed to stay in the precincts of the city and not be thrown out of the city in *to to* ?

SHRI K. K. SHAH : It will be a dangerous proposition, because if unauthorised occupation is permitted, it will have to be permitted in all cases. Even then, because they are Harijans and wherever there is unauthorised occupation and they are asked to go, alternative arrangements are made.

SHRI N. K. SOMANI : One thing cannot be denied, that the Government of India have totally failed in providing relief and accommodation to people in the low income category and those who are slum and pavement-dwellers. One of the reasons is that we have not been able to develop a sound, tropically-conditioned low-cost housing project in spite of the existence of the Hindustan Housing Factory right here in New Delhi for a number of the years. May I know whether Government have any proposal to draw up and have implemented a scheme for aesthetic and suitable

low-cost houses and have an integrated town planning development programme within the city so that there is integration of the low income group with other sections of society ? The question that the Minister has been trying to evade answering in spite of three questioners is whether there is an attempt to integrate the the placement of such people within the city itself ?

SHRI K. K. SHAH : This question is not related to this original question because here we are concerned with *jhuggis* and *jhompri* only, not low-cost housing. Even then, there is a programme of integration which is put through in Delhi and it is being extended.

DR. SUSHILA NAYAR : This problem of pavement-dwellers, demolition of their houses and alternative accommodation for them is an old, old, vexed problem. I would like to know firstly whether any effective steps have been taken to prevent the squatting of unauthorised people because this keeps on happening. Has the Minister now agreed to keep some deadline, which has been changing from time to time as time has gone on ? Or are Government now in a position to provide alternative accommodation to every unauthorised squatter in Delhi ?

SHRI K. K. SHAH : The deadline was July 1960. Those who had occupied prior to July 1960 are considered as eligible for alternative accommodation ; those who did so after July, 1960 are considered ineligible for the same.

SHRI M. L. SONDHAI : Are they Indians ? He will provide for them in outer space ?

SHRI K. K. SHAH : First there were 80-sq. yard plots ; now there are 25 sq. yard plots.

DR. SUSHILA NAYAR : Since 1960, large numbers have come in. What steps are taken to prevent fresh unauthorised occupation ? What is the policy thereto ?

SHRI K. K. SHAH : We are trying to prevent, but, I must admit, we have not succeeded.

SHRI R. D. BHANDARE : How can he prevent ?

श्री रामजी राम : मेरे पास उसी जगह का गाइड मैप है। इस में उसी जगह पर काफी जमीन है जहां कि हरिजन लोग हैं। उस की दूसरी साइड में भुग्गी भोपड़ियों में रहने के लिए व्यवस्था है और यह मास्टर प्लान में है तो फिर चूंकि मौजूदा सरकार के विरोध में उन लोगों ने वोट दिया था इस लिए बावजूद इस के कि उन को आवासन दिया गया था, उन लोगों को वहां पर से जबर्दस्ती हटाया जा रहा है? मैं जानना चाहता हूं कि क्या उन को वहां बसाने के लिए सरकार कोई व्यवस्था करेगी?

SHRI K. K. SHAH : First of all, the D. D. A. is not ruled by the Congress. At least this much he must know. Secondly, this is a question of authorised and unauthorised occupation. this is not a question of voting or not voting. If they are in authorised occupation, nobody can ask them to vacate. In the case of unauthorised occupations when alternative arrangements are made, I do not understand what more the Hon. member wants.

SHRIMATI SUSHILA ROHATGI : This is a problem which is not restricted to Delhi alone, but in every city we find this problem in some form or other. So, may I ask the Hon. Minister, whether, keeping apart the question of eligibility and legality aside, he would consider this from the human angle. Because we are celebrating the Gandhi Centenary this year and since Gandhiji's heart was with these poor people, may I know whether the Government would construct *ren baseras* for these people since they should have a roof over their heads?

SHRI K. K. SHAH : They have tried to solve it in Bombay and Calcutta to some extent. We are prepared to consider it from the human angle, but we must keep it in view subject to human limitations and limitations of finance.

SHRI M. L. SONDHİ : He is talking of the human angle. Has he bothered to go there and see the place?

SHRI K. K. SHAH : I must tell my friend that I see them much more than he does.

SHRIMATI SUSHILA ROHATGI : He has not been to Kanpur and seen the place.

श्री कबंर लाल गुप्त : अध्यक्ष महोदय, दिल्ली में अभी तक करीब 1 लाख भुग्गियां हैं जिन को बसाना है और दिल्ली का दुर्भाग्य यह है कि किसी के सिर पर एक तलवार लटकती है, यहां हमारे सिर पर दो दो तलवारें लटक रही हैं। एक तलवार तो यह कि इन के बसाने में मल्टिप्लिसिटी आफ एयारिटी बहुत है। डी. डी. ए. है, लेफ्टनेंट गवर्नर है, डेवलपमेंट कारपोरेशन है और इधर सब से बड़ा डंडा हेल्थ मिनिस्ट्री का है, एक तो यह तलवार हमारे ऊपर है और दूसरी जो तलवार सब से ज्यादा खतरनाक है वह यह कि यहां पर जो मिनिस्ट्री है डी. डी. ए. की वह दो सालों में तीन मंत्रियों के बीच में आई है और तीनों ही बिल्कुल इग्नोरेंट रहे हैं पूरी तरह से इस मामले में, जिन को कुछ भी मालूम नहीं है, न वह पढ़ते हैं न उन का इसकी तरफ कोई ध्यान है और केवल जो सवाल उन के पास आ जाते हैं उतना ही जवाब दे पाते हैं उस के अलावा क्या स्थिति है यह जानने का वह प्रयत्न नहीं करते।

तो मेरा कहना यह है कि यह जो दो तलवारें हैं क्या मंत्री महोदय इस बात की कोशिश करेंगे कि यह जो अलग अलग एयारिटीज हैं जिस में कई जगह लोगों को जाना पड़ता है, यह एयारिटीज एक जगह हों, दिल्ली की डेवलपमेंट एक जगह पर हो और दूसरी बात जो आप डेवलपमेंट कर के कालोनी बसाते भी हैं, बैसे तो सोशलिज्म का बड़ा नारा लगाते हैं लेकिन उन कालोनीज को भुग्गी भोपड़ी कालोनी कहते हैं और दूसरी तरफ जो बड़े बड़े अफसरों की कालोनी बनाते हैं उन को शाह नगर या और इस तरह का नाम देते हैं अब कि जो चपरासियों की कालोनी है उस को सेवानगर कहते हैं, तो आप कम से कम नाम तो ठीक रखें, अगर बैसे सोशलिज्म

नहीं कर सकते तो नाम तो ठीक तरह से रखिए। मेरा सवाल यह है कि पहले आप 80 गज का प्लॉट देते थे अब 25 गज का उसे क्यों कर दिया? जो एलिजबल थे उन को 80 गज क्यों नहीं देते? इस तरह क्या एक स्लम हटा कर दूसरी जगह स्लम नहीं क्रियेट कर रहे हैं?

श्री के० के० शाह : माननीय सदस्य से मेरी प्रार्थना है कि पहला सवाल जो यह था कि पहले इन-एलिजबल कितने थे, एलिजबल कितने थे और अभी कितने बढ़ गए हैं तो हम ने प्राविजन किया 37 हजार के लिए और अभी भी एलिजबल में से 34 हजार बाकी हैं लेकिन नये इन-एलिजबल से बढ़ गए हैं 66 हजार। तो जितना जितना प्राविजन करते जा रहे हैं उतने उतने बढ़ते जा रहे हैं तो कुछ हमारी भी शक्ति और आप की भी शक्ति सीमित होती है, इस की जानकारी रखने का माननीय सदस्य प्रयत्न करें, यह मेरी प्रार्थना है।

श्री कंवर लाल गुप्त : पहले 80 गज देते थे और अब 25 गज क्यों कर दिया?

श्री के० के० शाह : उस में जवाब आ गया कि जितना जितना नम्बर बढ़ता जा रहा है, उतनी उतनी जमीन कम होती जा रही है।

श्री कंवर लाल गुप्त : मंत्री महोदय पढ़ कर भी नहीं आते हैं.....

SHRI K. K. SHAH : I am sorry for his uncalled for remarks; probably he does not study. I must say this.

SHRI KANWAR LAL GUPTA : I challenge you; you have not studied at all on account of old age or something I do not know.....(*Interruption*)

Conversion of Birla House, New Delhi into National Monument

+

*243 **SHRI HEM BARUA :**
SHRI S. M. BANERJEE :
SHRI RABI RAY :

Will the Minister of HEALTH AND

FAMILY PLANNING AND WORKS, HOUSING AND URBAN DEVELOPMENT be pleased to state :

(a) whether it is a fact that of late there has been a demand to convert the Birla House in New Delhi, where Gandhiji breathed his last, into a national monument; and

(b) if so, the steps taken, if any, towards that direction?

THE MINISTER OF HEALTH AND FAMILY PLANNING AND WORKS, HOUSING AND URBAN DEVELOPMENT (SHRI K. K. SHAH) : (a) Yes, Sir.

(b) In view of the offer received from the owners and in view of the demand, the entire question is under examination.

SHRI HEM BARUA : A great soul as he is, Aga Khan has made over the Poona palace where Gandhiji lived, to the nation. Judging from the book called *In the shadow of the Mahatma*, Mr. G.D. Birla espoused all the local causes of Gandhiji with finances; that is what is written in that book. In that context may I know whether Mr. G. D. Birla or the Birlas have at all during any stage of our independent national life made any offer to hand over Birla House to the Nation; it is the place where Gandhiji breathed his last. Has he ever made this offer? If he has not, do the Government propose to requisition this house? If they do not, is it because of the fact that the Birlas have a lot of influence over this Government?

SHRI K. K. SHAH : As I said in the Rajya Sabha, the owners are willing to hand over the prayer ground and it had been conveyed to the Government in 1955. When Prime Minister Nehru's attention was drawn to this, he had also made a statement that the prayer ground was already functioning as a kind of sacred place and that anyone can go there and therefore, it is not necessary to do anything further. Since this question had been raised now, we are re-examining this questions and I have, therefore, made a statement on this...(*Interruptions*) Whether that offer is sufficient or not and whether the entire area should be acquired— all this

is under consideration. I had also written to Mr. G. D. Birla.

SHRI HEM BARUA : Let us not capitalise too much on the prayer ground. You have to go the prayer ground by the back door ; everyone knows that. Is it a fact that the Birlas had offered that house to Mr. Nehru as his official residence ? Was the offer made for use of Birla House by all Prime Ministers or was it made to Mr. Nehru because he was a very powerful man ?

SHRI K. K. SHAH : Even this question was asked in the Rajya Sabha and I am trying to see whether it was on record. I do not want to make a statement about it unless I know the full facts.

SHRI SURENDRANATH DWIVEDI : This question was already asked in Rajya Sabha ; that is the very reason why he should have come forward with full facts before this House.

SHRI K.K. SHAH : I have seen the papers during the last 5-10 years and I find that there was no such offer made. I am trying to get earlier records, if any, and study the facts.

SHRI HEM BARUA : The impression is that this was offered to Mr. Nehru in order to boost up Mr. Birla's image in the country. But here is a Minister who comes and tells us that he does not have it on record. He is capitalising too much on what was said in the Rajya Sabha. If this question was put in Rajya Sabha, he should have come prepared to face this House with the answer.

SHRI S. M. BANERJEE : Before putting my question, may I draw his attention to the fact that he is replying to questions in the Lok Sabha, and not in Rajya Sabha. When this issue was raised, on a point of personal explanation, Mr. Kamalnayan Bajaj said that this offer was made to Mr. Nehru. I request the Hon. Minister to read the proceedings of the Rajya Sabha and Lok Sabha. I now come to my question. I must congratulate my hon. friend Shri Shashi Bhushan for highlighting this problem so that it has become impossible for the Government to allow the

Birla palace to be held in his own hands.

In this very House, in reply to a Calling Attention Motion, Shri Jaganath Rao said, when he was the Housing Minister, that Gandhiji died on the spot. Recently, in February, 1969, in reply to a question put by Shri Nitiraj Singh, Shri Y. B. Chavan answered that on the basis of the high court judgment, Gandhiji died in Birla House. So, we do not know which Minister is correct, whether the Home Minister or the then Housing Minister and now the Mines and Metals Minister, that is, underground Minister. There is a contradiction of facts. (*Interruption*) Now, my question is very simple. Now that it has been established beyond all doubt after the Home Minister's statement, who is much more powerful than the Housing Minister, that Gandhiji died in Birla House, I would like to know whether Government has taken steps, without waiting for any reply from Mr. G.D. Birla or any group of Birlas, to take over this building and ask the District Magistrate to requisition this house. May I also know whether it is a fact that they have demanded Rs. 8 lakhs for a very small strip for the road from *Tees January Marg*. I would like to know what action has been taken.

SHRI K.K. SHAH : I am aware of both the statements. My hon. friend should read through the statements; if he does he will find that there is a proviso. Therefore, he cannot say that he was absolutely wrong.

SHRI S.M. BANERJEE : I did not say "wrong." He is a friend of mine.

SHRI K. K. SHAH : So as far as the price of the road is concerned, they have not demanded any price. We have calculated as to what will be the price in case we have to acquire it. Probably this information must have leaked out from our office as to what will be the figure. But all these questions, as I said, are under consideration. Therefore, I cannot say what will be the ultimate decision.

SHRI S. M. BANERJEE : But where did Gandhiji die ? (Interuption)

MR. SPEAKER : The Home Minister said that he died in the room.

श्री रवि राय : अध्यक्ष महोदय, मैं सवाल पूछने के पहले आपसे एक निवेदन करना चाहता हूँ, मैंने एक स्वाधिकार भंग का सवाल दिया है क्योंकि चन्दाण साहब कहते हैं कि गांधी जी कमरे में मरे थे जबकि जगन्नाथ राव साहिब दूसरी बात कहते हैं—इस लिए मैं चाहता हूँ कि मुझे इस सवाल को उठाने की इजाजत दी जाए।

मेरा सवाल यह है कि—जब आगा खां ने वह मकान, जिसमें कस्तूरबा मरी थी राष्ट्र को दे दिया है और राष्ट्र ने उस को ले लिया है, इस पृष्ठभूमि में क्या सरकार बिरला हाउस को भी, जहां गांधी जी मरे थे, ले लेने के बारे में विचार कर रही है ? दूसरे—चूंकि बिरला के खिलाफ भ्रष्टाचार का आरोप लगाया गया है और कुछ लोग नहीं चाहते हैं कि उसके खिलाफ जांच हो या कोई कमीशन बैठाया जाए, इस लिये वे सरकार पर दबाव डाल रहे हैं कि इस को न लिया जाये—क्या यह सही है तथा इसी पृष्ठभूमि में क्या सरकार इस सवाल के बारे में पुनर्विचार कर के सदन को बतायेगी ;

SHRI K.K. SHAH : First of all, the presumptions are absolutely unjustified. There is no pressure whatsoever. But even so far as my friend Shri Jaganath Rao is concerned, I think in fairness to my Hon. friend I should read what Mr. H.N. Mukerjee on that day said on the floor of this House. He said : "But here is a member of the Government, Mr. Jaganath Rao, who says that he does not know whether Gandhiji died inside the House or outside the House."

श्री रवि राय : क्या कह रहे हैं ? जब स्वाधिकार—भंग का सवाल आयेगा, इसके बारे में तब जवाब दीजिये ?

श्री मधु लिम्बे : आप किस चीज की सफाई दे रहे हैं, मुखर्जी साहब का आधार क्यों ले रहे हैं, अपने पैरों पर खड़े हों।

श्री अ० सिंह सहगल : जब आपको अदालत के जरिये यह पता लग गया कि गांधी जी की मृत्यु बिरला हाउस में हुई थी, जो आज उन का घर बना हुआ है, तब आपको उस के लेने में या उन के साथ नेगोशियेशन करने में क्या आपत्ति हो रही है ?

श्री के० के० शाह : मैंने कहा है कि आपत्ति हो रही है। हम बात कर रहे हैं ; सोच रहे हैं ; आप ऐसा क्यों मान रहे हैं कि इस में आपत्ति हो रही है।

श्री अ० सिंह सहगल : इतने दिनों से कुछ नहीं हो रहा है।

SHRI HEM BARUA : Why can't you requestion it straightway ?

SHRI S. M. BANERJEE : It should be done in this session.

SHRI RANGA : I do not know how big is the heart of the Government. Generally Government has no heart. But this Government seems to have such a big heart that for 22 years, they have been negotiating and negotiating, only for the sentiment of one of Mahatma Gandhi's friends. So many of us were Mahatma Gandhi's friends, colleagues and followers. We have all respect for the sentiments and feelings of Mr. G.D. Birla, who is also growing old like so many of us. At the same time, he should be reasonable. He should not give the impression, not only to us but to the whole country, that somehow reason seems to fail to make any appeal to him nor even the sentiments of the whole nation. I would like to know from Government what are the various proposals they have before them. Left to myself, I would not like to claim the whole house, but certainly that room, the adjacent room and the path by which he used to go to the prayer meetings should be got. Sir, I do not know whether you have tried to go there in the recent past. I did try to go there

within the last one week. Is it not a scandal that people have to go along the Akbar Road, go by a lane and then by another road, not knowing where it is? Not even a signboard is there. May I know whether Government are really serious to do everything possible, not merely using their coercive powers, but their persuasive powers, to see that as much of that place as was being used by Mahatma Gandhi for his usual purposes is placed at the disposal of the nation in an honourable and decent manner, as the Agha Khan has done, so far as that great palace in Poona is concerned?

SHRI K. K. SHAH : The Hon. member said Government have no heart. I am glad that after knowing that he is part of Government somewhere...

SHRI RANGA : I said, generally Government has no heart. (*Interruptions*)

SHRI K. K. SHAH : Three alternatives are under consideration. One is a road from *Tees January Marg* for going to the hallowed spot. Another is from Tuglak road and acquiring two plots. There is no Akbar Road there; only *Tees January Marg* and Tuglak Road are there. The third alternative is to get the entire house. These are the three alternatives under consideration.

SHRI H. N. MUKERJEE *rose*.

MR. SPEAKER : Next question.

SHRI H. N. MUKERJEE : I have tried to indicate to you several times that I would like to ask a supplementary.

MR. SPEAKER : The leaders of so many parties are standing. Since Mr. Rabi Ray has put a question, I thought I need not call Mr. Joshi; Mr. Nath Pai got up, but I thought I had allowed Mr. Hem Barua. Similarly, Mr. Banerjee has asked a question and I thought I can pass over to the next question, because each question takes half an hour. I have been calling one opposition member and one Congress member. Mr. Sheo Narain thinks he is the most important member because he sits

in the front bench. To me all the members are equal.

SHRI H. N. MUKERJEE : I shall ask a question in half a minute. May I ask if the Government's attention has been drawn....

SHRI JAIPAL SINGH : On a point of order, Sir.

MR. SPEAKER : No point of order during Question Hour.

SHRI JAIPAL SINGH : Before Mr. Mukerjee puts his question, I rise on a point of order.

Sir, before Shri Mukerjee is allowed to put his question I wish to raise a point of order. When the Chair has called for the next question there is no question of any supplementaries on the previous question.

SHRI H. N. MUKERJEE : May I know if Government's attention has been drawn to a press extract on the flap of a celebrated book called MYSTERY OF BIRLA HOUSE which says as follows :

"Gandhiji was killed in Birla House in 1948.

But more than that is still being killed in houses like Birlas'—the health, wealth and happiness of our people are being butchered there".

Is it in view of this that Government is hesitating to acquire Birla House and be done with this matter and satisfy the demand of the people?

SHRI K. K. SHAH : He has read from a book. That is somebody's opinion and it cannot be opinion of all people.

SHRI P. C. ADICHAN :

SHRI HARDAYAL DEVGUN :

SHRI BAL RAJ MADHOK :

SHRI D. C. SHARMA :

SHRI BENI SHANKAR SHARMA :

SHRI VALMIKI CHOUDHRY :
SHRI SHIVA CHANDRA
JHA :

Will the Minister of IRRIGATION AND POWER be pleased to state ;

(a) whether any agreements have been arrived at the meeting held in December, 1968 between India and Pakistan regarding the Farakka Barrage and the Ganges water ; and

(b) if so, the nature of decisions arrived at ?

THE DEPUTY MINISTER IN THE MINISTRY OF IRRIGATION AND POWER (SHRI SIDDESHWER PARSAD) : (a) and (b). The Indo-Pakistan Meeting held at the level of Secretaries in December, 1968 was for the purpose of reviewing the progress already made in respect of the technical discussions and for establishing procedures for the intensification and speeding up of the technical level talks. Some data was exchanged at the meeting and some technical issues discussed. The discussions were inconclusive and the meeting was adjourned to be resumed in March, 1969 at Islamabad (Pakistan).

SHRI CHINTAMANI PANIGRAHI : The Hon. Minister has pointed out that in the last meeting of the Secretaries of two Governments which was held in Delhi the next meeting was fixed for 18th March, 1969 in Pakistan. In view of the recent upheavals and changes in Pakistan and in view of the growing demand of East Pakistan to have more autonomy from the Government of Pakistan may I know whether Government has deferred the decision to hold the next meeting at Islamabad on 18th March or whether the decision to hold it on 18th March still stands ?

THE MINISTER OF IRRIGATION AND POWER (DR. K. L. RAO) : Apart from what the Hon. Member has said, it was also decided that the data will be exchanged between the two countries by 31st January. It was not done. After the exchange of data we require some time for study. Therefore, I am also doubtful whether the meeting will be held on the due date.

SHRI CHINTAMANI (Panigrahi) : In the last meeting it was decided that whatever information the Pakistani officials sup-

plied was completely inadequate and it was more of a political nature than economic. May I know whether the Government of India has demanded from the Pakistani authorities that they should supply more technical data and, if so, in view of the fact that technical data is not forthcoming, as the Minister has again pointed out, whether there is any necessity of continuing these talks and whether the Government has made it clear that the construction of work on Farrakka will go on and it shall end as it is scheduled to end before 1971 ?

DR. K. L. RAO : The Hon. Member was correct when he said that more technical data has got to be exchanged. In fact, what we said was that the technical data exchanged last time was not adequate and was very defective. Therefore we asked for further information to be supplied. For what we are going to do in Farrakka there is no necessity for us to take directions from them and we are proceeding with the work at the maximum speed we can.

श्री हरदयाल देवगुण : अध्यक्ष महोदय, मैं यह जानना चाहता हूँ कि फरक्का बांध के सम्बन्ध में आप पाकिस्तान से क्यों बात-चीत करते हैं ? इस बांध की परिकल्पना सो साल पहले की गई थी और रेडविलफ एवार्ड में भी इस बांध का ध्यान रखा गया था। इसका निर्माण हमारा अधिकार है और हम इसे अपनी भूमि पर बना रहे हैं। इसके बारे में पाकिस्तान कोई एतराज करे, कोई आपत्ति उठाये तो हम उनको बात-चीत के लिए निमंत्रित करें और फिर पाकिस्तान के षडयन्त्र में फँसे यह ठीक नहीं। पाकिस्तान हर प्रश्न को पहले भगड़े का प्रश्न बनाकर फिर उसे अन्तर्राष्ट्रीय समस्या बनाता है इस लिए हम उसके जाल में क्यों फँस रहे हैं ? हम पाकिस्तान के दास क्यों बने हुए हैं ? आप पाकिस्तान को साफ तौर पर क्यों नहीं लिख देते कि यहाँ पर आपका कोई अधिकार नहीं है और इस प्रश्न पर हम आप से कोई बात-चीत करने के लिए तैयार नहीं हैं ? जब सन् 71 या 72 में यह बांध

बन जायेगा तब आप हमको बघाई का तार भेज देना जैसे कि मंगला डैम पर हमारे प्रधान मंत्री ने आपको भेजा था, यह साफ साफ आप उनको लिख दीजिए । आपको इस देश के लोग यह अधिकार देने के लिए तैयार नहीं हैं कि हर प्रश्न पर आप पाकिस्तान के जाल में फंसे और अन्तर्राष्ट्रीय समस्याएँ पैदा करते जायें । और अपने देश के अधिकारों को पाकिस्तान के सामने कुर्बान करते जायें । इसलिए मैं जानना चाहता हूँ कि पाकिस्तान को आप यह स्पष्ट रूप से क्यों नहीं बतलाते कि आप का कोई लोकल स्टैंडार्ड इस मामले में नहीं है ?

DR. K. L. RAO : It is in the best interests of international relations that we should always be prepared to discuss and develop solutions which are mutually satisfactory, and that is what the Government of India is doing.

SHRI BAL RAJ MADHOK : I am really surprised at the reply given by the Hon. Minister. This plan of the Farraka barrage was not conceived by this government; it was conceived long before independence by the British rulers of India. They knew that it was essential for the development of the port of Calcutta. Pakistan never had any real objection to it, because Pakistan does not want the Ganga waters. The problem of East Pakistan is not lack of water but excess of water. This problem is being raised by Pakistan for two purposes. One is that East Pakistan is not very much interested in Kashmir affairs and, therefore, they do not get sentimental about it. They want some issue on which the East Pakistan people could also be made emotional so that anti-Indian feeling could be worked up in them. Then I come to the second reason. With the completion of the barrage, there will be bridge which will link north Bengal and south Bengal, which is very important for our strategic purposes, which Pakistan does not want. It is for these two reasons that Pakistan is objecting to the construction of the Farraka Barrage. It will not affect adversely the irrigation potential or

anything else in Pakistan. It is simply to whip up the anti-Indian feeling, as is confirmed by Mr. Bhutto's latest book and statements. In view of this, I want to know whether the Hon. Minister will give a categorical assurance in this House that we will not stop the work of the Farraka Barrage, it will be completed as scheduled irrespective of what Pakistan may say and that Pakistan has no *locus standi* in it? Will he give such a categorical assurance in this House?

DR. K. L. RAO : What the Hon. Member has mentioned in his question may probably be the reasons. We are also holding the same view. So far as Farraka Barrage construction work is concerned, I can categorically assure the House and the Hon. Member that it is being speeded up and I am very happy to state that due to the efforts of our engineers and workers we are able to expedite the work and finish it one year earlier. We are now hoping to send down water to Calcutta in the year 1971. Therefore, there is no question of arguing or discussing about the case of Farraka. There is no question about that. All that I said was that Ganges flowing through India and Pakistan, it is in the best international interests to discuss the technical data with each other. It has a very limited purpose. That is what we are doing.

SHRI SWELL : In view of the current developments now taking place in Pakistan and the change of political climate which it will bring to East Pakistan, may I know whether the Government is going to adopt a different posture to this problem and not treat it as a technical issue between the two countries? More particularly, are they going to seek the cooperation of the new West Bengal Government for the settlement of this problem?

DR. K. L. RAO : We are not going into the political complexities of this question. All that we are committed to is the exchange of technical data, which is a limited purpose, to find out whether this exchange of technical data between India and Pakistan will lead to any mutually acceptable projects.

SHRI SWELL : My question is different. I am asking whether they are going to adopt a different posture from what they have done so far and, secondly, whether they are going, particularly now, to seek the co-operation of the new West Bengal Government for the settlement of this problem.

DR. K. L. RAO : That is what I answered. We are not taking into account any political changes that are occurring in that country.

SHRI SRADHAKAR SUPAKAR : Apart from the problem of exchange of data between the two countries there is the question of our engineers inspecting the lower reaches of the river below Farakka. How far has that programme materialised or is it likely to materialise in the near future ?

DR. K.L. RAO : Our engineers visited the projects in Pakistan in November 1968.

SHRI SAMAR GUHA : May I know whether the attention of the Government has been drawn to the fact that as some sort of a retaliatory measure the Government of Pakistan, not the Government of East Pakistan but the Central Government of Pakistan seated at Rawalpindi, is going to construct a barrage just a few miles down the Ganga in that part of East Pakistan which is known as Padma—in that area a new barrage is going to be constructed by the *Central Government of Pakistan*—and, if it is so done, it will seriously affect large parts of Nadia and Murshidabad in West Bengal and also a large part of Kustia District of East Pakistan ; if so, what is the reaction of Government to that ?

DR. K. L. RAO : The Pakistani delegation has been saying that they want to construct a barrage lower down the Hardinge Bridge ; that is exactly what they want to do. A barrage on the Ganga is a very great effort ; it is one of the biggest engineering structures and they cannot build it overnight. It will take many years and a large amount of money. It is true, as the Hon. Member has said, if the barrage is constructed on the Ganga lower down, it will naturally affect some of the areas in our country. We are fully

aware of it and have also brought this point to their notice. They can never construct a barrage without injuring vitally and effectively Indian interests. If any such situation arises, the Government of India will naturally take the necessary measures.

SHRI MANUBHAI PATEL : The Hon. Minister has stated that the scope of talks is very limited, that is, about the technical data only. May I know categorically from the Hon. Minister if the Pakistan authorities differ on the technical data and the Government will stick to our plan and carry it out ?

DR. K.L. RAO : Irrespective of whether we agree or differ, as I said, the project is going on; in fact, it is going on at a very great speed and the Farakka Barrage will be a *fait accompli* in another year. Therefore there is no question of any impediment on account of the talks. I can categorically say that all that we are committed to is a discussion and exchange of technical data and see if we can find any solution for use in both the countries.

श्री महाराज सिंह भारती : अध्यक्ष महोदय, फरक्का बराज जहाँ हुगली को गहरा करके कलकत्ते को पीने के लिए पानी देगा वहाँ आगे चल कर असम के लिए पानी के रास्ते से सामान लाने ले जाने की भी योजना इस से बन जायगी । लेकिन फरक्का बराज के ऊपर से होकर जो रेलवे की बड़ी लाइन के जरिए हम असम को कलकत्ते से मिलायेंगे तो मैं जानना चाहता हूँ कि जो मंत्री महोदय ने कहा है कि साल भर पहले अर्थात् सन् 1971 में यह योजना पूरी हो जायगी तो आप का विभाग फरक्का बराज को बड़ी रेल की लाइन का पुल बनाने के लिए कब तक तैयार करके उस को दे देगा ? जैसे कि पानी के लिए आप ने सन् 1971 कह दिया है वैसे ही इस रेल की बड़ी लाइन के गुजरने के लिए आप क्या कोई तारीख बतला सकेंगे कि उस समय तक पुल पर से रेल निकाल सकेंगे ?

DR. K. L. RAO : Over the Farakka Barrage there will be a road bridge as

also a rail bridge and we expect that both these bridges will be completed in 1971.

SHRI JYOTIRMOY BASU : May I know if the Hon. Minister is aware of the fact that the people's Government of West Bengal has expressed its intention to send a non-official goodwill team to East Pakistan where we have people of the same flesh and blood.....
(Interruptions).

MR. SPEAKER : That has no relation to this question. This is about the Farakka Barrage.

SHRI JYOTIRMOY BASU : If so, may I know whether the hon. Minister and the Government will take advantage of the visit of the goodwill mission for this purpose ?

MR. SPEAKER : Shri Deven Sen.

SHRI BAL RAJ MADHOK : On a point of order. He talks of people's Government. Is people's Government something else ? We have anti-people Government there and we have people's Government here.

SHRI JYOTIRMOY BASU : I did not get my answer.

MR. SPEAKER : It does not relate to this question. I have overruled it.

SHRI JYOTIRMOY BASU : That is very unkind of you.

MR. SPEAKER : This question is about Farraka Barrage.

SHRI JYOTIRMOY BASU : We want a settlement. There is a non-official team going to East Pakistan.....

MR. SPEAKER : That is a different matter.

SHRI JYOTIRMOY BASU : This is about the Farakka Barrage matter.

MR. SPEAKER : I have overruled it.

श्री शशि नूषण : मैं जानना चाहता हूँ कि फरक्का बैराज के सम्बन्ध में अब तक जितनी बातचीत पाकिस्तान से हुई है और भारत ने जितने गुडविल मिशन वहाँ भेजे या वहाँ से जितने गुडविल मिशन भारत आये, वह किस नीति पर पहुँचे और चाप

ने इस बैराज को बनाना शुरू कर दिया है या नहीं ?

DR. K. L. RAO : No goodwill mission has been sent. During the discussion it was expressed on both the sides that respective engineers of both the countries should visit the works of the other country. That was done. Engineers of Pakistan visited our Farakka Barrage works and engineers of our country visited their Ganga and Kabadak works.

Foreign Collaboration

*245. **SHRI DEVEN SEN :** Will the Minister of FINANCE be pleased to state :

(a) whether in approving the terms of foreign collaboration, the foreign collaborators insist on appointing Chairman from their group of share-holders; and

(b) whether they also insist on nomination of Managing Directors of their choice.

THE DEPUTY PRIME MINISTER & MINISTER OF FINANCE (SHRI MORARJI DESAI) : (a) and (b). A statement is laid on the Table of the Lok Sabha.

Statement

In cases where majority foreign capital participation is approved by Government on merits no objection can be taken if the foreign collaborators by virtue of their majority shareholding desire to have their nominee as Chairman or Managing Director of the Indian company concerned. In approving foreign collaboration cases with foreign minority capital participation, Government usually do not agree to the appointment of Chairman or Managing Director from the group of foreign shareholders except in very exceptional circumstances. In such exceptional cases, Government may agree to the appointment of a Chairman or Managing Director by the foreign collaborator mainly for the purpose of technical control of the project for limited periods until the stage the project reaches commercial production.

However, appointment of a Managing Director of any company and his terms

and conditions of appointment require the prior approval of the Department of Company Law also in accordance with the provisions of the Companies Act.

श्री बेवेन सेन : सभा पटल पर जो वयान रखा गया है, उस में ऐसा लिखा हुआ है कि :

"In cases where majority foreign capital participation is approved by Government on merits no objection can be taken if the foreign collaborators by virtue of their majority shareholding desire to have their nominee as Chairman or Managing Director of the Indian company concerned....."

मैं जानना चाहता हूँ कि फारेन कैपिटल पार्टिसिपेशन की जितनी कम्पनियाँ हैं उन में से कितने में फारेन शेअरहोल्डरों के डाइरेक्टर या मैनेजिंग डाइरेक्टर हैं ?

SHRI MORARJI DESAI : It is difficult for me to say which have Managing Directors only and which have Chairmen. If that question is put specifically, I shall certainly give the information. That was asked on a matter of principle. Therefore, I have not got all that information.

श्री बेवेन सेन : मैं जानना चाहता हूँ कि जो माइनारिजी फारेन कैपिटल पार्टिसिपेशन है उस की तरफ से कितने डाइरेक्टर या मैनेजिंग डाइरेक्टर हैं ?

श्री मोरारजी देसाई : अगर यह सवाल फिर से किया जाये तब मैं जरूर बतला सकूंगा और सारी सूचना दे सकूंगा ।

MR. SPEAKER : You are asking for details; he has not got the details.

श्री बेवेन सेन : मेरे पहले सवाल के जवाब में भी कहा गया था कि मैं फिर से प्रश्न पूछूँ । जब मैं ने फिर से प्रश्न पूछा तब उस पर भी यही जवाब दिया जा रहा है ।

श्री मधु लिमये : अध्यक्ष महोदय, अच्छा हो कि मंत्री महोदय पहले समझ लें कि वह क्या कर रहे हैं । मंत्री महोदय

ने केवल यह बतलाया है कि जहाँ पर बहुसंख्यक हिस्सेदार विदेशी हैं वहाँ पर क्या स्थिति है, लेकिन माननीय सदस्य का प्रश्न मैजोरिटी पार्टिसिपेशन के बारे में नहीं है, वह माइनारिटी पार्टिसिपेशन के बारे में पूछ रहे हैं । इस से ज्यादा स्पष्ट और क्या होगा ?

MR. SPEAKER : He has not got all the details.

श्री मोरारजी देसाई : उस के बारे में भी मैं ने कहा है कि इस वक़्त सारी तफ़्सील मेरे पास नहीं है । अगर वह मांगी जायें तो मैं दे सकता हूँ ।

श्री तुलसी दास जाधव : अखबारों में ऐसी बात आई है कि जहाँ पर कोलेकोरेशन से कारखाने चल रहे हैं, उन में फारेन टेक्नीशियन्स हमारे टेक्नीशियनों से सलाह नहीं लेते हैं और अगर वह देने भी जाते हैं तो उन की सुनी नहीं जाती है । इस से उन में एक हिजुमिलिएशन की भावना पैदा होती है । मैं जानना चाहता हूँ कि यह बात कहाँ तक सही है ।

श्री मोरारजी देसाई : मेरे पास ऐसी कोई शिकायत नहीं आई है ।

SHRI LOBO PRABHU : The question of foreign collaboration has to be considered in the context of our present economy. There are three facts to which I would draw the attention of the Finance Minister. First on an average, 50 per cent of the capacity for industries is idle and, in some industries, it rises to 80 per cent. Secondly, the Budget that he has presented shows that, for import of plant, there is quite as much of import of components and spare parts. We have, in fact, entered into a new form of slavery to the West or developed countries by being bound by the imports of what they give for these plants. Thirdly, we have done very little—we have done so much for industries—for our villagers. Would the Hon. Minister please consider as a Member of the Planning Commission also whether it is

not time now to end all these schemes of foreign collaboration, all schemes of imports and to think of our own people of their development with their means and for their needs ?

SHRI MORARJI DESAI : This is exactly the policy which this Government has adopted. Wherever our people can do the thing, we do not have any foreign collaboration. That is the policy which is there. But where the foreign collaboration has been done already before, that cannot be terminated before the term of the agreement is over. That is the only policy. But the Hon. Member's inferences are not quite correct though he is a very well-informed person, when he says that 80 per cent of the capacity is laying idle...

SHRI LOBO PRABHU : In one industry.

SHRI MORARJI DESAI : In one case or perhaps in one factory, it may be—I do not know what may be the reason—like some of the textile mills closing; this might be happening in some cases. It is also not true that 50 per cent of the capacity is idle in many cases.

SHRI R. BARUA : May I know from the Government whether the Government has got any particular machinery to identify the areas in which foreign collaboration is necessary keeping in view our own talents and other resources ?

SHRI MORARJI DESAI : A policy statement was issued in which it was said where foreign collaboration will be allowed and where it will not be allowed.. *(Interruption)*

SHRI R. BARUA : Is there any machinery to identify the areas ?

SHRI MORARJI DESAI : We have already identified and issued a statement.

SHRI TENNETI VISWANATHAM : There is majority participation by foreign collaborators. Is the foreign collaborating with the Indian or is it the Indian that is collaborating with the foreign collaborator ?

SHRI MORARJI DESAI : Where they are in a majority, they are collaborating with us or you can say we are also

collaborating. Where they are in a minority, we are collaborating with them or they are collaborating with us.

SHRIMATI SHARDA MUKERJEE : The Hon. Minister has said in his statement that, where there is majority investment, the foreign collaborator is allowed to choose his nominee as Chairman or Managing Director. May I know from the Hon. Minister whether it is not a fact that, even where there is minority investment, it is one of the terms of the collaboration that they should have the right to nominate the Chairman. If the Government objected to it, they would not be able to do it. Will the Hon. Minister give a categorical assurance here that, where there is minority investment, the Government will not permit the foreign collaborator to nominate the Chairman ?

SHRI MORARJI DESAI : I cannot make such a promise at all. Where it is necessary, it may have to be done *(interruption)*

SHRI ERASMO DE SEQUEIRA : Some of the Chairmen and Managing Directors of foreign collaboration companies are drawing salaries and perquisites which are of a fabulous nature in many cases, they are as high as Rs. 1 lakh plus house plus servants plus car and many other facilities. Will the Hon. Minister please let us know whether there is any proposal before the Government to put a ceiling on salaries and perquisites that the Managing Directors and Chairmen of the companies can draw ?

SHRI MORARJI DESAI : The Administration is examining this Question as far as I know.

श्री एस० एम० जोशी : मंत्री महोदय ने यहां जो निवेदन किया है उस में यह बताया है कि जहां अधिकांश शेयर दूसरों के नहीं होते हैं वहां तो हम इजाजत नहीं देते हैं और देते हैं तब अपवादात्मक रूप से ही देते हैं। मैं जानना चाहता हूँ कि ऐसे कितने अपवाद आपने किए हैं ?

मैं यह भी जानना चाहता हूँ कि मैजोरिटी शेयर कौन कौन सी इंडस्ट्रीज में ज्यादा हैं ?

श्री मोरारजी देसाई : मैंने कहा है कि तपसील मेरे पास यहां नहीं है। अगर मांगी जाएगी तो जरूर दे दूंगा।

श्री एस० एम० जोशी : अपवादों के लिए तपसील की क्या जरूरत है।

श्री मोरारजी देसाई : मैंने इकट्ठी करके रखी नहीं है।

श्री अटल बिहारी बाजपेयी : मैं जानना चाहता हूं कि क्या सरकार देश में साबुन बनाने के लिए, तेल बनाने के लिए और विस्कुट बनाने के लिए फारेन कोलैबोरेशन करने की इजाजत दे रही है और क्या इस में भी कोलैबोरेशन करना अनिवार्य है ?

श्री मोरारजी देसाई : अभी दे रही है, उसका तो मुझे पता नहीं है। तलाश करके देखूंगा। एक दम मैं बता नहीं सकता हूं।

श्री अटल बिहारी बाजपेयी : दे रही है या नहीं दे रही है ?

श्री मोरारजी देसाई : अभी तो नहीं है, जहां तक मैं समझता हूं। लेकिन बिना देखे मैं कैसे कुछ कह सकता हूं।

SHORT NOTICE QUESTION
Retrenchment of Staff of Indian
School of International Studies

+

S.N.Q.1. SHRI KANWAR LAL GUPTA :
SHRI A. SREEDHARAN ;
SHRI BIBHUTI MISHRA :
SHRI S. M. KRISHNA :
SHRI MADHU LIMAYE :

will the Minister of EDUCATION AND YOUTH SERVICES be pleased to state :

(a) whether It is a fact that 54 employees are being retrenched from the Indian School of International Studies with effect from the 28th February, 1969 ;

(b) whether these persons would be retrenched in pursuance of the recommendations made by the Chandra Reddy Committee ;

(c) whether Government have considered those recommendations impartially ;

(d) whether such research workers on whom much time and money were spent for teaching Chinese, Russian, Japanese languages etc. would be thrown out of employment as a result of this retrenchment ; and

(e) if so, the steps being taken by Government to prevent this retrenchment ?

THE MINISTER OF EDUCATION AND YOUTH SERVICES (DR V.K.R. V. RAO) : (a), to (c). No, Sir. About 19 persons and not 54 as mentioned in the question will be affected if the recommendation of the Chandra Reddy Committee are accepted.

(d) No Research Fellow, as such is affected.

(e) The School has already been informed that the staff in position may continue to work in the School until final decisions are taken on the report after receipt and consideration of the memorandum which the Governing Body of the School is preparing for submission to Government.

श्री कंवर लाल गुप्त : रेड्डी कमेटी इसलिए बनाई गई थी कि स्कूल का एक्स-पेंशन करना है और कितनी मात्रा में एक्सपेंशन हो, यह इस कमेटी की टर्म्स आफ रेफरेंस में था। लेकिन इस कमेटी ने अपने स्कोप से बाहर जा कर यह रिकोमेंडेशन की है कि कुछ स्टाफ रिट्रेंच किया जाए ताकि कुछ पैसा बचे। मंत्री महोदय ने कहा है कि कोई रिसर्च स्कालर या कोई रीडर या लैक्चरर नहीं हटाया जाएगा। मेरे पास जो सूचना है उसके हिसाब से जो रिट्रेंच होने वाले हैं इस रिपोर्ट के मुताबिक उन में तीन रीडर हैं, तीन लैक्चरर हैं, दो रिसर्च फेलो हैं और ग्यारह रिसर्च असिस्टेंट हैं और एक एडीटर आफ पब्लिकेशंस है। इस तरह से बीस लोग हैं। दूसरा स्टाफ भी है जोकि रिपोर्ट में है। यह रिपोर्ट कंटेडिकशंस से भरी हुई है और आबिट्ररी भी है। क्या यह सच है कि सरकार ने

फैसला लेने से पहले स्कूल आथोरिटीज को कंसल्ट नहीं किया और फैसला लेने के बाद ही रिपोर्ट उसके पास भेजी ? अगर यह सही है तो क्या सरकार यह एश्योरेंस देगी कि जब तक उन से बातचीत न हो जाए तब तक कोई निर्णय नहीं लिया जाएगा ? बजट में प्राविजन केवल 28 फरवरी तक का है और ग्रांट भी 28 फरवरी तक थी। मैं जानना चाहता हूं कि क्या सरकार यह आश्वासन देगी कि बिना उन से बातचीत किए हुए किसी भी व्यक्ति को वहां से हटाया नहीं जाएगा ?

DR. V. K. R. V. RAO : I am glad that the Hon. Member who had mentioned 54 as the number of persons who are likely to be retrenched has now brought down the number to 20.

SHRI KANWAR LAL GUPTA : I mentioned only research assistants and readers. There are also others.

DR. V. K. R. V. RAO : My answer refers to the total number. The Hon. Member has said that 54 was the number of persons expected to be retrenched. I have said that the number of persons expected to be retrenched is 19 in case we accept the recommendations.

SHRI KANWAR LAL GUPTA : Will he give the details of the 19 ?

DR. V. K. R. V. RAO : It may be 19 or 20 ; that does not matter.

SHRI KANWAR LAL GUPTA : Would he give the break-up of the 19 ?

DR. V. K. R. V. RAO : Let me first answer the question which has been asked. The Hon. Member is entitled to ask me again if he wants anything else.

Certain remarks were made by him that the Chandra Reddy Committee's report was arbitrary and so on. I must say that I cannot agree with the sweeping remarks which the Hon. Member has made. I read the report last night. As regards some of the suggestions made regarding retrenchment of personnel or association of universities or the UGC with the inquiry and so on there could

be differences of opinion. But I would like to inform the House that the Chandra Reddy Committee has given a very good certificate to the Indian School of International Studies and in fact has strongly objected to its being taken over or affiliated to the University of Delhi. They say that it is a good thing that it should continue as the Indian School of International Studies and retain its independent status and so on. So, I would beg of the hon. Member to read the report in full before coming to the House and telling the House that the whole report is arbitrary and so on. It had a very distinguished vice-chancellor as its chairman and two other distinguished professors of Indian universities as its members.

Regarding the third question, it is whether Government could take a decision on this without the matter having been referred to the School authorities for their comments. Unfortunately, that it is a fact which Hon. Members know and which I regret. I believe some of the hon. Members at least are aware that long before the memorandum of the 125 MPs, which incidentally has been released to the press, and of which I have not yet received a copy, long before this memorandum came in the papers, I held a meeting with Pandit Kunzru, Shri Asoka Mehta, Shri A D Mani and Dr. Rajan of the School of International Studies and assured them there and then that I was passing immediate orders that no action should be taken on the retrenchment proposals of the Chandra Reddy Committee's report till I had the opportunity to get the memorandum from the governing body and discuss it with them and so on.

So, it seems to me that this question might have been all right a week ago, but now all the problems that have been raised are under solution, and what I would beg of the House is let the matter be there. The School of International Studies has to submit its memorandum ; I have not yet received it ; after it is received, I shall have discussions with them. Then the Minister has got to make up his mind, and whatever decision I shall take I am prepared to come

and justify it here or take the censure of the House thereon. But the kind of anxiety that lay behind the asking of this question has I believe been met now, and, therefore, I feel that it might perhaps not be necessary to go into a detailed discussion of the various problems relating to one of the first-class research institutions in this country.

श्री कंवर लाल गुप्त : मैं जानना चाहता हूँ कि जो 19 व्यक्ति रिट्रेंच होंगे उनका ब्रेक अप क्या है ? अगर उस कमेटी की प्रोपोजल को मान लिया जाए तो कौन कौन लोग रिट्रेंच होंगे ;

इस स्कूल की तरह की दिल्ली में और भी कई संस्थाएँ हैं जैसे मैडीकल इंस्टीट्यूट है या जामिया मिलिया है । इन सब संस्थाओं का काम ठीक तरह से चल सके, सुचारू रूप से चल सके, फाइनेंसिस की दिक्कत भी उन को न हो, इसको ध्यान में रखते हुए क्या सरकार इनको जो नई नेहरू यूनिवर्सिटी बहू बनाने जा रही है, उसके साथ लगा देगी ? क्या इस पर सरकार विचार करेगी ?

DR. V. K. R. V. RAO : Regarding the first question, in case the recommendations of the committee are accepted my information is that the number of persons to be retrenched will be as under :

Lecturers	2
Language instructors	2
Documentation Officer	1
Research Assistants	9
Editor of Publications	1

On the administrative side, the recommendations are not so specific. The Committee have recommended that the following four people may be retrenched ; it is not of the same order as the previous recommendations. The people recommended for retrenchment on the administrative side are :

Assistant Registrar (Administration)	1
Secretary to the Director	1
Stenographers and senior assistants	2.

This comes to a total of 19.

Regarding the possibility of all these institutions being later on taken over and being affiliated to the Jawaharlal Nehru University, I believe one of the clauses in the Act provides precisely for the kind of position that the Hon. Member has visualised, and as soon as the university comes into existence, we shall take up this question.

SHRI A SREDHARAN : This issue has been hanging fire for quite some time, and the Hon. Minister should have come forward with final proposals and final decisions. I now that this is not Dr V. K. R. V. Rao's baby but somebody else's baby which has been thrust on him unwillingly. As my Hon. friend Shri Kanwar Lal Gupta has stated, the report is arbitrary. I would even go to the extent of saying that the report is not only arbitrary but is ill-motivated and certain portions of the report are drafted so as to help certain people.

I would quote one line to establish this. One Dr. Vidya Prakash Dutt, Professor of East Asian Studies at Delhi University, sent a letter to the Ministry and a particular sentence from that letter is quoted in the report also. The sentence is :

"A department of Chinese studies was established in the University of Delhi and the department is now being expanded to include Japanese studies too".

The same sentence finds a place in the report also. The purpose is that Dr. Vidya Prakash Dutt wants his wife, Gargi Dutt, who is a Reader in the East Asian Department of the ISIS, to come under his wing. He wants to take her under his wing by merging the Department of East Asian studies with Delhi University. So there is a romantic interlude behind this.

We know that very eminent persons preside over such committees. There are so many such very valuable reports with this Government. But they do not hasten to implement them. They put them in cold storage.

MR. SPEAKER : He may put a supplementary ; this is not a debate.

SHRI A. SREEDHARAN : But here they show great haste in implementing this report. The Hon. Minister has stated that according to the report only 19 people will be retrenched if the recommendation is accepted. Here is another recommendation. The Hon. Minister claimed to have read the report thoroughly.

DR. V. K. R. V. RAO : Not thoroughly.

SHRI A. SREEDHARAN : The recommendation is :

"The present research fellowships should be abolished and the School should institute in their place a few high-grade fellowships meant exclusively for university teachers".

This report is a highly vitiated report. Instead of implementing it, broadly will Government reconsider even the question of taking those recommendations which they have considered and have a re-thinking? Secondly, as a result of the implementation of the report, will Government abolish any research fellowships? What is Government's attitude on this question?

DR. V. K. R. V. RAO : I am a little surprised that the Hon. Member wanted the Minister to have come with a final decision on this question. I think the whole idea was that we should come to a final decision after we had received the memorandum of the ISIS and discussed it. I have already said that the decision taken so far stands suspended and the whole matter will be reviewed after we get the memorandum of the School. Then it will be my job—I am afraid, my function—to come to some decision on this matter. After that, it is naturally open to the House to censure or approve of what I have done.

In view of the remarks that have been made, which I very much regret, about the arbitrary and other nature and so on—it was all right, Shri K.L. Gupta saying it, but now Shri Sreedharan has also added his powerful voice to it—I propose to have this report circulated to MPs so that they can come to their own judgment as to whether it is an arbitrary report, whether it has been written from the point of view of some personal motivation and so on. I think this is

a very important matter we should consider; if we want to get distinguished people to serve on committees, they should not be lightly charged in this House with arbitrariness and so on... only. (*Interruptions*)

SHRI RANGA : He should be prepared to circulate the memorandum of the School also.

DR. V. K. R. V. RAO : I will do that.

MR. SPEAKER : A few supplementaries were to be asked; now it has become a debate.

DR. V. K. R. V. RAO : As for the question concerning research fellows and so on, everything is going to be reviewed. As I said, action taken so far is suspended and no retrenchment will be made. The whole matter will be reviewed.

श्री विभूति मिश्र : जब इस संस्था को खोला गया, तो सरकार को यह अधिकार था, और उस का यह कर्तव्य भी था, कि वह पूरी तरह सोच-विचार कर इस संस्था को खोले। इस संस्था को खोलने के बाद इन लोगों की बहाली की गई। आज तक किसी भी एजुकेशन मिनिस्टर ने जा कर इस संस्था को क्यों नहीं देखा? जब इस में कुछ गड़बड़ियां हुई, तो इस सम्बन्ध में चन्द्रा कमेटी की बहाली की गई। उस कमेटी ने अपनी रिपोर्ट में कहा कि 54 आदमियों को हटाया जाये। लेकिन अब माननीय मंत्री के बक्तव्य से पता चलता है कि 19 आदमियों को हटाया जायेगा। समझ में नहीं आता कि सरकार उन लोगों को पीठ पर मारने के बजाये पेट पर क्यों मारती है। जो लोग पांच सात साल काम कर चुके हैं, उन्हें अबानक रिट्रेंच किया जा रहा है। सरकार का धर्म है कि जो लोग रिट्रेंच किये जायें, उन्हें किसी अन्य काम पर लगाया जाये वह उन्हें पेट पर मारने के बजाये पीठ पर मारे। मंत्री महोदय प्लानिंग कमीशन में रह चुके हैं। मैं उन से यह जानना चाहता हूं कि कि जो लोग रिट्रेंच होंगे, उन्हें कहाँ काम पर लगाया जायेगा।

DR. V. K. R. V. RAO : The Hon. Member has suggested that there were all sorts of bad things happening in the School, and therefore this committee was appointed. I think, with your permission I have the right to tell the House that this committee was not appointed because there was something wrong with this School. The School has to get the maintenance grant from the Government of India after 1966-67, before which it used to be paid by the University Grants Commission and therefore we had to decide what should be the maintenance grant, and for that purpose the Government of India appointed a committee to go into the maintenance grant, because in the meanwhile the School sent an application asking for a larger maintenance grant than it had been receiving. Therefore, there is no question of any special complaint about the School and so on.

Regarding the question what will happen to the people who will be eventually retrenched, it is not a question on which I am in a position to give any answer at the moment.

श्री मधु लिमये : अध्यक्ष महोदय, मंत्री महोदय ने कहा है कि पार्लियामेंट के सदस्यों के द्वारा मेमोरेण्डम देने से पहले ही उन्होंने इस बारे में कार्यवाही की है। सब से पहले मैं उन से यह निवेदन करना चाहता हूँ कि वह अपनी इतनी बढ़ाई न करें। मंत्री महोदय से पहले डा० त्रिगुण सेन शिक्षा मंत्री थे। वह सदन में बैठे हुए हैं। हम ने मध्यावधि चुनावों के तुरन्त बाद पत्र लिख कर इस ओर उन का ध्यान खींचा था। अब यह नये मंत्री आये हैं, तो यह हमारी जिम्मेदारी नहीं है। कुछ दिनों पहले मेरे मित्र, श्री बलराज मधोक, ने डा० राव से यह सवाल किया कि क्या इस स्कूल के बारे में अन्तिम निर्णय लेने से पहले वह पार्लियामेंट के सदस्यों की राय लेंगे। मुझे अचरज है कि उन्होंने कहा कि पार्लियामेंट के सदस्यों का इस से कोई सम्बन्ध नहीं है। आज यह स्वयं वह कह रहे हैं कि अन्य संस्थाओं और विश्वविद्यालयों को नियंत्रित करने के

लिए यूनिवर्सिटी ग्रांट्स कमीशन है, लेकिन इस स्कूल के लिए सीधे हम अनुदान देते हैं। मैं पार्लियामेंट के किसी सदस्य विशेष की बात नहीं कर रहा हूँ, लेकिन पार्लियामेंट के सदस्यों और पार्लियामेंट की कमेटियों को इस बारे में पूछना जरूरी है। जहां तक चन्द्रा रेड्डी कमेटी की रपट का सवाल है, मैं यह नहीं कहता कि यह पूरी रिपोर्ट खराब है या स्वेच्छाचारिता पर आधारित है। इस में कुछ बहुत अच्छे सुभाव हैं। इस इंडियन स्कूल आफ इंटरनेशनल स्टडीज में चार वर्ग हैं : प्रोफेसर, रिसर्च एसिस्टेंट, एडमिनिस्ट्रेटिव स्टाफ और फेलोज। मैं मानता हूँ कि फेलोशिप को खत्म न किया जाये, बल्कि जिन्होंने अपना डाक्टरेट पूरा किया है, उन को उस में मौका दिया जाये। रेड्डी कमेटी की इस सिफारिश से मैं सहमत हूँ। जहां तक रिसर्च एसिस्टेंट्स और प्रोफेसरों का सवाल है, मैं मंत्री महोदय से विनम्रतापूर्वक निवेदन करूंगा कि वह उन से काम लें, उन से पूछें कि वे क्या शोध का काम करते हैं लेकिन उन की छंटनी करना मुनासिब नहीं है। जब कामराज योजना में आप लोगों की छंटनी हुई..... आप लोग तो पांच साल के लिए हैं, लेकिन आप लोग कितना रोये धोये आप..... (व्यवधान).....अध्यक्ष महोदय, इन की छंटना होती है तो यह रोते हैं और जो पांच पांच दस दस साल से वहां काम कर रहे थे उन की छंटनी होगी तो वह क्या करेंगे ? ... (व्यवधान).....तो मेरा सवाल यह है कि क्या इन पहलू की ओर यह ध्यान देंगे ? मैं पुछता हूँ कि पार्लियामेंट के सदस्यों को उस के बारे में कन्सल्ट किया जाय और उन की छंटनी न की जाय।

DR. V. K. R. V. RAO : I must confess that I was not able to follow completely the question by the Hon. Member.

MR. SPEAKER : Nor could I.

DR. V.K.R.V. RAO : To the extent I followed, I shall answer. I am

sorry I had to mention about the memorandum signed by 125 Members of Parliament- (*Interruptions*). I did so only because I was a little distressed that it should have found wide publicity in all the newspapers even before coming to me. (*Interruptions*) When 125 Members of Parliament submit a memorandum to the Minister, in my innocence I took it that the memorandum would first reach the Minister before its contents are given out in the newspapers but unfortunately things happened differently. One gentleman was desperately ringing me up and trying to get me a copy; this morning also another gentleman rang me up saying that he wanted to submit a memorandum and I told him that it could be done after the question hour was over.

श्री मधु लिमये : 20 दिन पहले हम ने त्रिगुण सेन को पत्र लिखा तो अखबारों में नहीं आयेगा तो क्या होगा ?

श्री रवि राय : यह पुरानी फाइल को क्यों नहीं पढ़ते हैं ?

DR. V. K. R. V. RAO : Regarding the question whether Parliament will be consulted before an actual decision is taken by Government on the Chandra Reddy-Committee's report, I am sorry I cannot assure the House. But the Education Ministry will certainly place the decision before Parliament.

श्री मधु लिमये : फैसला करने के बाद क्या फायदा है ?

DR. V. K. R. V. RAO : I am sorry I have to take the decision.

श्री मधु लिमये : मैं कहाँ कह रहा हूँ कि आप न लें। आप की जिम्मेदारी हम नहीं छीन रहे हैं नहीं आपके अधिकार ! हम कह रहे हैं कि निर्णय से पहले हमें कंसल्ट करिए।

SHRI RANGA : Is it right for our House to go on demanding separate discussions in regard to autonomous bodies for which we give some small grants?...(*Interruptions*).

श्री मधु लिमये : अनुदान देते हैं रंगा साहब, हम को कंसल्ट करना चाहिए।

SHRI K. NARAYANA RAO : I do not want to refer to the report as being arbitrary, etc. but it has certainly gone beyond the purview of the terms of reference. The terms are vague but they were made worse by the Committee. They say that too much money is required to maintain the sanctioned posts. Certain posts had been sanctioned by the Government in consultation with the UGC.

MR. SPEAKER : Are you giving information to the Minister? No one is asking a question; everybody is educating him.

SHRI K. NARAYANA RAO : There is a subtle distinction. Those posts need not be revived after the tenure of the present incumbents comes to an end.....(*Interruptions*.)

MR. SPEAKER : What is the question?

SHRI K. NARAYANA RAO : In view of what I had said about the terms of reference, will the entire report be shelved for the time being and a further committee be appointed to go into the whole question?

DR. V. K. R. V. RAO : No.

SHRI HEM BARUA : A lot of dust and dirt has accumulated in the portals of the School of International Studies and no honest man can say "No" to this. Whatever that might be, is it not a fact that it is because the Estimates Committee of Parliament recommended that the present status of the School which is deemed as a university -- it has university status—should be discontinued and this School should be made a part either of the Delhi University or the proposed Jawaharlal Nehru University and, if so, is it not a fact that the Reddy Committee has by-passed this and also, the school authorities are now busy in amending the constitution to that this particular recommendation of the Estimates Committee of Parliament can be by-passed?

DR. V. K. R. V. RAO : I must confess that I am not familiar with all the

comments of the Estimates Committee on the School of International Studies and I shall read them up and find out what can be done regarding this matter.

MR. SPEAKER: Now, Shri Jyotirmoy Basu.

Thermal Plants in Rajasthan

***248. SHRI B.K. DASCHOWDHURY:
SHRIMATI ILA PAL-
CHOUHDURI :**

Will the Minister of IRRIGATION AND POWER be pleased to state :

(a) whether any proposal from the Rajasthan Government for setting up two thermal plants in Rajasthan at an estimated cost of Rs. 12 crores to be based on lignite and coal has been received by the Central Government;

(b) if so, the details of the proposal;

(c) whether a survey has been conducted about the power requirements of the State during the Fourth Plan period; and

(d) whether the survey had favoured such a proposal and the reaction of Government thereto?

THE MINISTER OF IRRIGATION AND POWER (DR. K. L. RAO) :

(a) to (d). The Fourth Plan proposals of the Government of Rajasthan include the setting up of two thermal power stations in the State—One at Palana based on lignite and the other at a location in Chambal service area based on coal. The proposed power station at Palana is to comprise of two generating units of 50 MW each and that in the Chambal service area of three generating units of 62.5 MW each. These two power stations have been estimated to cost Rs. 19 crores and Rs. 24 crores respectively. The project reports in respect of these projects have not yet been received.

According to the Fifth Annual Power Survey conducted recently, the demand for power in Rajasthan is expected to rise to 630 MW by 1973-74. As against this, the aggregate installed generating capacity in Rajasthan is expected to rise to 982 MW with a firm capacity of 658 MW. Thus the total demand anticipated in Rajasthan by the end of Fourth Plan would be fully met.

***249. SHRI P. M. SAYEED :
SHRI MANIBHAI J. PATEL :**

Will the Minister of FINANCE be

pleased to state :

(a) whether the Mysore Finance and Planning Minister has made a suggestion to the Central Government to consider the possibility of amending the Constitution so as to leave some elastic resources to the States and State Sector being given an outlay of Rs. 8,300 crores and Central Sector Rs. 6,500 crores ; and

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRI JAGANNATH PAHADIA) : (a) and (b). No such communication has been received from the Finance and Planning Minister, Mysore. Foreign Investment in India

***250. SHRI KANWAR LAL GUPTA:** Will the Minister of FINANCE be pleased to state :

(a) whether it is a fact that the Congress President has urged the Prime Minister to evolve policies and procedures that would encourage foreign investment in India ;

(b) if so, the reaction of Government thereto ; and

(c) the steps Government have taken in this direction ?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI P. C. SETHI) : (a) and (b). The Congress President had undertaken a tour of Japan in July-August 1968 at the invitation of the Indo-Japanese Association. He also visited several countries of South East Asia on his way back to India. These visits were not sponsored by Government. On his return he conveyed confidentially to the Prime Minister his impressions of the tour including those relating to policies

and procedures regarding foreign investment in India.

(c) As regards the steps taken by Government to encourage foreign investment in India, it may be stated that the general policies and procedures and the facilities available for attracting foreign investment such as freedom to remit profits after payment of taxes, freedom to repatriate capital invested in approved projects etc. are already well known. The policy in respect of investments by persons of Indian origin residing abroad in Indian enterprises was recently liberalised with a view to attracting their investments into the country. Further, recently a Foreign Investment Board has been established mainly to cut down procedural delays in the approval of foreign collaboration-cum-investment proposals.

आवश्यकता पर आधारित न्यूनतम मजूरी तथा महंगाई भत्ते का मिलाया जाना

*251. श्री रणजीत सिंह :

श्री वृज भूषण लाल :

श्री सुरज भान :

श्री अटल बिहारी वाजपेयी :

श्री जगन्नाथ राव जोशी :

क्या वित्त मन्त्री यह बताने की कृपा करेंगे कि :

(क) यदि केन्द्रीय सरकार के कर्मचारियों की आवश्यकता पर आधारित न्यूनतम मजूरी और वेतन में महंगाई भत्ते को मिलाये जाने की मांगों को स्वीकार कर लिया जाये तो कितनी अतिरिक्त धन राशि खर्च करनी पड़ेगी ; और

(ख) इसका प्रभाव कार्य तथा कर्मचारियों पर क्या पड़ेगा ?

वित्त मन्त्रालय में राज्य मन्त्री (श्री प्र० चं० सेठी) : (क) केन्द्रीय सरकारी कर्मचारियों की "आवश्यकता पर आधारित न्यूनतम वेतन" की मांग को मानना सम्भव नहीं समझा जाता, इसलिये सरकार ने "आवश्यकता पर आधारित न्यूनतम वेतन" के बारे में किसी प्रकार का हिसाब नहीं लगाया है ।

इसलिए नहीं कहा जा सकता कि इसके सम्बन्ध में अतिरिक्त व्यय कितना होगा ।

जहां तक महंगाई भत्ते को वेतन में मिलाने का सवाल है, महंगाई भत्ते के एक अंश को महंगाई वेतन के रूप में मानने का फैसला पहले ही किया जा चुका है और 18-1-69 को आदेश जारी कर दिये गये हैं । इन आदेशों की एक प्रति सभा की मेज पर रखी जाती है । [पुस्तकालय में रख दिया गया । देखिये संख्या LT 182/69] इस फैसले के कारण होने वाले अतिरिक्त व्यय की सही रकम का अनुमान लगाना कठिन है । मोटे तौर पर अनुमान है कि अतिरिक्त व्यय, प्रति वर्ष, 17.35 करोड़ रुपये होगा । पेंशन में होने वाले लाभ के कारण इस रकम में तीसरे वर्ष से आगे, व्यय में प्रति वर्ष 1.02 करोड़ रुपये की दर से वृद्ध होती रहने की सम्भावना है, जो कहीं दस बीस साल में जाकर स्थिर हो सकेगी ।

(ख) यह प्रश्न केवल कल्पना पर आधारित है ।

सरकारी कर्मचारियों के अधिकतम तथा न्यूनतम वेतन के बीच अनुपात

*252. श्री ओम प्रकाश त्यागी : क्या वित्त मन्त्री यह बताने की कृपा करेंगे कि :

(क) क्या सरकार ने सरकारी कर्मचारियों के अधिकतम तथा न्यूनतम वेतन के बीच कोई अनुपात निर्धारित किया है ।

(ख) यदि हां, तो उसका व्यौरा क्या है ; और

(ग) यदि नहीं, तो क्या इस प्रकार का अनुपात निर्धारित करके अपने कर्मचारियों में सद्भावना बनाये रखने की सरकार का विचार है ?

वित्त मन्त्रालय में राज्य मन्त्री (श्री प्र० चं० सेठी) : (क) सरकार ने केन्द्रीय सरकार के कर्मचारियों के लिए ऐसा कोई अनुपात निश्चित नहीं किया है ।

(ख) यह सवाल ही नहीं उठता।

(ग) ऐसा नहीं लगता कि कर्मचारियों के बीच सद्भावना केवल अधिकतम तथा न्यूनतम वेतनों के बीच के विशेष अनुपात पर निर्भर करती है। पिछले वर्षों में सबसे नीचे स्तर के वेतन पाने वालों को परिलब्धियों में लगातार सुधार हुआ है, जिससे आज सरकारी कर्मचारियों के अधिकतम तथा न्यूनतम वेतनों के बीच का अनुपात, 1949-50 के अनुपात के मुकाबले लगभग आधा रह गया है।

(c) whether there are certain cases where even show cause notices have not been served—cases have not been prepared or presented in the court ; and

(d) if so, the reasons for the delay in initiating proceedings against the persons concerned ?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI P. C. SETHI) : (a) The number of cases initiated by the Customs authorities against various persons during 1966, 1967 and 1968 for violation of Customs Rules including contravention of Import & Export (Control) Act, Baggage Rules, Custom House Agents Licensing Regulations, Foreign Exchange Regulations and smuggling offences all of which are punishable under the Customs Act were as under :—

1966	—	23,856
1967	—	35,774

(b) The number of cases in which prosecution proceedings were launched during these years are shown below :—

1968	—	236

(c) There are 77 cases only where show cause notices have not been served for over 6 months. In 274 cases prosecution is contemplated, but complaints have not been filed in the court for over 6 months.

(d) Delay in initiating proceedings occurs at times in cases involving lengthy investigations, investigation at different places, scrutiny of voluminous documents seized during searches and the need for verification of genuineness of documents produced by parties.

(d) if so, the details thereof ; and

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM & CHEMICALS AND MINES & METALS (SHRI D. R. CHAVAN) : (a) and (b). Yes, Sir.

(c) The study has not been completed.

(d) Does not arise.

(e) It will take some more time to arrive at a decision.

Sea Erosion on Kerala Coasts

*256. SHRI K. LAKKAPPA : Will the Minister of IRRIGATION AND POWER be pleased to refer to reply given to Starred Question No. 162 on the 18th November, 1968 regarding Sea Erosion on Kerala Coasts and state :

(a) whether the question of giving financial assistance to the Kerala Government has since been considered by Government ; and

(b) if so, the details thereof ?

THE MINISTER OF IRRIGATION AND POWER (DR. K. L. RAO) : (a) Yes, Sir.

(b) During the current financial year there is provision for Central loan assistance up to Rs. 75 lakhs for flood control and anti-sea erosion works in Kerala. The Government of Kerala sought an additional financial assistance of Rs. 75 lakhs for this year but this could not be agreed to due to tight position of resources. The State Government were, therefore, advised that any additional funds required for 1968-69 would have to be found by adjustments within their annual plan for this year.

The second part of the Report covering the first terms of reference has not so far been submitted to the Government.

(b) and (c). Do not arise.

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI P. C. SETHI) : (a) Yes, Sir. The premises of Messrs. New Standard Engineering Company Ltd., and of some of its allied companies at Bombay were searched by the Enforcement Directorate on the 27th January, 1968.

(b) to (d). The scrutiny of the seized documents and the investigations conducted so far reveal *prima facie* violation of foreign exchange regulations involving non-repatriation of commissions earned abroad by an allied concern of Messrs. New Standard Engineering Company Ltd. Two show-cause notices have been issued to this Company. Further investigations are in progress.

*262. SHRI HIMATSINGKA : Will the Minister of FINANCE be pleased to state :

(a) the latest prospects of foreign aid from the different western and eastern countries and other financing organisations during 1969-70 ;

(b) how much of this foreign aid would be required for debt repayment and debt servicing charges during that year ;

(c) how much of the aid is likely to be untied and non-project aid ; and

(d) the sectors of economy which are likely to be adversely affected for want of aid commitments ?

THE DEPUTY PRIME MINISTER & MINISTER OF FINANCE (SHRI MORARJI DESAI) : (a) As regards fresh aid commitments for 1969-70, they will be known only during the year. Regarding aid receipts anticipated during 1969-70, they are expected to amount to Rs. 675 crores, as stated in the budget documents. This is exclusive of P. L. 480 assistance.

(b) Against this, debt servicing by Government will be Rs. 177.5 crores as principal and Rs. 111.9 crores as interest.

(c) Of the aid receipts, about 70% are expected out of non-project aid. Almost all aid is tied to purchases in the donor country or member countries of the donor institutions.

(d) Aid is generally usable only in the lending country and for certain

types of imports. Since it is not possible to say where aid shortfall may arise, it cannot be said which programmes or imports will be affected.

(c) As the Fourth Five Year Plan has not been finalised the schedule for the commissioning of the project has not been fixed.

Export of Silver

*264. SHRI V. NARASIMHA RAO :
SHRI D. R. PARMAR :

Will the Minister of FINANCE be pleased to state :

(a) the total quantity and value of silver which was exported during 1966, 1967 and 1968 ;

(b) the extent of foreign exchange India is likely to lose as a result of imposition of ban on the export of silver ;

(c) whether prices of silver have gone down considerably since the imposition of this ban and whether the markets of important cities have reacted to this initiative of the Government of India ; and

(d) whether Government's attention has been invited in this regard to a leading article in the '*Economic Times*' of the 5th January, 1969 and, if so, Government's reaction thereto ?

THE DEPUTY PRIME MINISTER & MINISTER OF FINANCE (SHRI MORARJI DESAI) : (a) to (d). A statement is laid on the table of the House.

Statement

(a) 'The total quantity and value of silver which was exported during 1966, 1967 & 1968'

Exports of silver bullion in the last three financial years, as reflected in the Customs statistics, were as follows :—

year	Quantity	Value
1966-67	Nil	Nil
1967-68	Nil	Nil
1968-69		

(from April 54, 340 Kgs. Rs. 33 million
1968 to Nov., (approximate) (approximate)
1968)

The above figures do not include illegal export of silver, precise information regarding which is not available.

(b) 'The extent of foreign exchange India is likely to lose as a result of imposition of ban on the export of silver'.

The ban applies only to exports by private parties. Foreign Exchange has been earned against the exports of silver made on Government account. It is possible that if there was no ban on the export of silver by private parties, the quantity exported and the foreign exchange realised might have been somewhat greater, but that would have run counter to the Government's objective of regulating the outflow of the precious metal. As regards the loss of foreign exchange arising from illegal exports of silver, this cannot be attributed to the ban on the export of silver by private parties, but is the result of other factors. As a further step in the direction of preventing the illegal exports of silver, Government have promulgated the Customs (Amendment) Ordinance of 3rd January 1969.

(c) 'Whether prices of silver have come down considerably since the imposition of this ban and whether markets of important cities have reacted to this initiative of the Government of India.'

The Hon'ble Members presumably have in mind the promulgation of the Customs (Amendment) Ordinance of

3rd January, 1969 rather than the imposition of a ban on the export of silver in 1966. Silver prices in Bombay came down from Rs. 564 per Kg. immediately before the promulgation of the Ordinance to Rs. 526 thereafter, but have been fluctuating since then. There was no marked reaction in foreign markets.

(d) 'Whether Government's attention has been invited in this regard to a leading article in the 'Economic Times' of 5th January 1969 and, if so, Government's reaction thereto.'

Yes, Sir. These and other views and suggestions have been taken note of by the Government, but Government does not consider it necessary to change the present policy of ban on the export of silver on private account.

Industrial Development Bank of India

*265. SHRI R.V. NAIK:
SHRI C. MUTHUSAMI:

Will the Minister of FINANCE be pleased to state:

(a) whether there are any plans for widening the scope of activities of the Industrial Development Bank of India;

(b) if so, whether Government's attention has been drawn in this regard to a report in the 'Economic Times' of the 9th January, 1969; and

(c) the reaction of Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI P.C. SETHI): (a) to (c). Government has seen the Press report that appeared in the 'Economic Times' of January 9, 1969 referred to in the question.

2. The Industrial Development Bank of India on the Board of which Government is represented, has been reviewing from time to time the question of widening the scope of its activities to suit the needs of the changing situation. In view of the recessionary tendencies in certain industries and the need to revive the investment activity in the private sector, the Industrial Development Bank of India recently adopted several measures for widening and cheapening its refinance and redis-

counting facilities to augment the flow of funds to industry.

3. A new scheme has been introduced effective from December 9, 1969 in terms of which the Industrial Development Bank of India would participate with approved commercial Banks for providing direct assistance by way of term finance and guarantee facilities to industrial concerns both in the public and private sector, exporting capital and engineering goods and services on deferred payment basis.

4. The Industrial Development Bank of India is taking steps to improve its liaison with offices of banks and State Financial Corporations in a number of ways in order to be of more active assistance in the generation of projects in different areas and particularly to be of greater help to the medium and small sectors of industry. It proposes to have branch offices in the near future in different parts of the country to establish closer contacts and to decentralise the work, to the extent feasible, for convenience of the parties and expeditious handling of the cases. It is also taking steps to provide initially on a modest scale, advisory services on technology, management and marketing for the benefit of small entrepreneurs who are not always in a position to take adequate care of these aspects.

5. In January, 1969 two important modifications were made to the Scheme of Rediscounting of bills arising out of sales of indigenous machinery on deferred payment basis operated by the Industrial Development Bank of India. This Scheme which was hitherto restricted to purchaser users in the private sector was extended to cover purchaser users in the Public Sector such as autonomous bodies like Electricity Boards, Transport Corporations and Government industrial companies. There was also pruning down in the cost of credit by reducing the maximum discount rates chargeable by approved banks under the Scheme by 1%.

(e) the reasons why an excessive commission of 33½ per cent is being paid to this firm without the firm having to face any trade risk ?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY PLANNING, AND WORKS HOUSING AND URBAN DEVELOPMENT (DR. S. CHANDRA SHEKAR):

(a) Public tenders were not invited prior to signing the distribution agreement. The Nirodh (Condom) Distribution Scheme envisages distribution of Nirodh at a subsidised price of 15 paise for 3 pieces and with a view to achieve the widest possible distribution in the country, leading firms having large distribution net work in the rural areas and wide experience in the consumers goods trade including M/s. Union Carbide India Ltd. were appointed distributors, through negotiations. Having regard to the unusual character of the

product and the fact that such leading firms do not normally undertake any agency business, they had to be specially involved in the Nirodh Distribution arrangement through protracted negotiations which would not have been possible through public tenders.

(b) M/s. Union Carbide India Ltd; a company with 60% of foreign holding and 40% of Indian holding is incorporated under the Indian Companies Act.

(c) M/s. Union Carbide India Ltd.'s expertise referred to in clause (v) of the Agreement is that in marketing consumer goods, and Nirodh fall in the category of consumer goods.

(d) Rs. 9,17,800 has been spent by the Government of India upto December, 1968 in Nirodh publicity under the Commercial Distribution Scheme.

(e) The commission paid to the firm is inclusive of the amount to be paid by the firm to the whole sellers, retailers etc. and is for a number of services rendered, including making readily available use of its widely established network of retail sale points the transportation cost of Nirodh and its publicity material from the firm's warehouses to a very large number of retail outlets, intensive canvassing by the firm's salesmen with the retailers to push the sales, diversion of unsold stocks to other points of favourable sales, publicity of family planning through the press publicity of its products etc. Since the Nirodh is sold at a highly subsidised price, the commission in absolute terms is nominal and is not excessive for the services rendered.

(c) if not, the number of candidates interviewed and selected for this post during 1968 ?

THE MINISTER OF HEALTH AND FAMILY PLANNING AND WORKS, HOUSING AND URBAN DEVELOPMENT (SHRI K. K. SHAH) : (a) and (b) . No, Sir. According to the recruitment rules, a candidate having a diploma or a degree in Electrical/Mechanical Engineering from an institute/institution recognised by the Central Government is eligible for appointment as Sectional Officer in the Central P.W.D. Many diploma-holders have been appointed accordingly.

In view, however, of the fact that a large number of degree-holders had applied along with diploma-holders for appointment to the grade of Sectional Officers, graduate engineers have been given preference over diploma-holders in the matter of selection since last year. Recently, again, interviews had to be restricted, in view of the very large number of applications received, only to First and Second Class degree-holders in some cases. This does not mean that diploma-holders will not be called for interview when a sufficient number of graduates is not forthcoming. Even now, for the Reserved vacancies for Scheduled Castes and Scheduled Tribes, diploma-holders are being called for interview.

(c) Till September, 1968, diploma holders were being interviewed and also selected. In the New Delhi Zone, 135 diploma-holders were interviewed and 39 were selected for appointment. No diploma-holder has been interviewed or appointed after September, 1968.

There is no foreign collaboration as such. The foreign exchange component of the project is however being largely met from credits available from Japan and Sweden.

The bungalow remained vacant for a period of about 14½ months and the total rent under F.R. 45-A for this period comes to Rs. 11,179/-.

Since the premium charged on a policy depends on the age of the life assured, it is necessary to ensure that there was no discrepancy in the age stated in the policy. At present, in the case of matured policies where the age has not been proved, the Corporation calls for the proof, 4 months in advance of the date of maturity. The Corporation has, however now, decided that as from 1.4.69, the proof of age

should be submitted along with the proposal in all cases.

(c) The intimation regarding claim is normally sent to the policyholder two months in advance to enable him to complete all the required formalities before the date of maturity. Where the requirements are satisfied in time the claims are generally settled promptly.

(e) Does not arise.

(f) The basic features of the plan are :—

- (i) Provision of essential services like water supply and drainage for the entire population in the Calcutta Metropolitan District.

Statement

An analysis made in the Planning Commission based on the recommendations of the Nijalingappa Committee has shown that there is scope for increasing the water rates in the States of Andhra Pradesh, Haryana, Tamil Nadu, Mysore, Punjab and Uttar Pradesh for mobilising resources for the Plan and to improve the financial return for irrigation projects. A copy of these studies was sent to the State Governments in March 1961 with a request to review the position regarding the existing water rates in their States in the light of the Nijalingappa Committee Report. The reaction of the State Governments is given below :

(1) *Andhra Pradesh*. The water rates were increased by 100% only 6 years back and it would not be possible to revise the water rates in the State for the present.

(2) *Haryana*. No definite reply has been received from the State Government.

(3) *Punjab*. The existing water rates are already high and the State Government do not consider it fair to enhance the water rates at this stage.

(4) *Tamil Nadu*. Consequent to the abolition of land revenue, the question of increasing the water rates is under consideration of the State Government,

(5) *Mysore*. The water rates which were revised in 1965 have generally been framed taking into account the recommendations of the Nijalingappa Committee and have been fixed after careful consideration of the capacity of the beneficiaries to pay these water rates. Any further enhancement is not desirable for the present.

(6) *Uttar Pradesh*. It is not possible to implement the recommendations of the Nijalingappa Committee ; higher rates have, however, been fixed for pumping schemes and tubewells.

industry. The Group submitted an interim report on 3rd May, and its final report on 24th July, 1968. The recommendations of the Group are primarily intended in respect of mills which are unable to provide normal margins but whose financial condition is otherwise sound. The recommendations relating to the reduction in the margin for the grant of advances against the security of cotton, cloth, yarn and stores and also fixed assets have been brought to the notice of the commercial banks. They have been advised not to turn down loan applications merely because the mills cannot provide the normal margins. Details of applications which are rejected are required to be reported to the Reserve Bank in order to review the decisions, if necessary. Further in cases where the cotton textile mills have diverted a part of their cash credit facilities for the acquisition of fixed assets, the Industrial Development Bank has decided to extend refinancing facilities in respect of a part of such advances. The other major recommendations of Group relate to the provision of additional credit by the term lending institutions for the purpose of modernisation of plant and machinery, grant of loans in deserving cases for modernisation/expansion on an easier repayment schedule, extension of time limit for compliance with the Reserve Bank's direction for liquidation of excess public deposits held by textile mills and provision of Government guarantee in marginal cases. These recommendations are not of general applicability and each case has to be processed on its merits.

कोयना बांध के निकट भूचाल के झटके

1641. श्री मोला नाथ मास्टर : क्या सिंचाई तथा विद्युत मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या महाराष्ट्र में कोयना बांध के निकट हाल ही में भूचाल के झटके पुनः आये हैं ;

(ग) युनेस्को के मेल-जोल में, भारत द्वारा नियुक्त की गई विशेषज्ञ समिति की सिफारिशों पर, कोयना बांध की मरम्मत के लिए निम्नलिखित कदम उठाए गए हैं :—

(1) इपाक्सी बराजो और पोल्येस्टर पदार्थों से बांध में दरारों की भराई ।

(2) बांध के मुख्य भाग में द्रव-स्थैतिक दाबों को दूर करने के लिए निकासी सुराखों का छेदना ।

(3) बी० आर० सी० पे-त्रिक जाल से पुनर्बलित गुनाइटिंग की एक तह द्वारा प्रति-प्रवाह पाइप की परत दरारों को बंद करना ।

(4) पूर्वबलित केबलों द्वारा सात उच्च एकाइयों को मजबूत करना ।

एक स्थायी उपाय के रूप में, कन्क्रीट बेकिंग द्वारा बांध को मजबूत करने की एक स्कीम को, कार्यान्वित के लिए, अन्तिम रूप दिया गया है ।

पर्याप्त सावधानी के तौर पर, महाराष्ट्र सरकार ने रेडियो सैटों द्वारा बाढ़ संबंधी चेतावनियां देने की एक आपातकालिक स्कीम तैयार की है ।

(क) क्या केन्द्रीय विद्युत विभाग का विचार राजस्थान को इतनी वित्तीय सहायता

देने का है जिससे कि चौथी पंचवर्षीय योजना के लिये विद्युत् की उनकी मांग चौथी योजना में ही पूरी हो सके ; और

(ख) राजस्थान में पहले ही क्रियान्वित की जा रही विद्युत् परियोजनाओं में से जो परियोजनायें चौथी पंचवर्षीय योजना में पूरी नहीं होंगी उनको कब तक पूरा किया जायेगा ?

सिचाई तथा विद्युत् मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : (क) इस समय केन्द्रीय ऋण सहायता राजस्थान सरकार को चंबल पन-बिजली परियोजनाओं (अर्थात् राणा प्रताप सागर और कोटा) और सतपुड़ा ताप-बिजली परियोजना पर, जो राजस्थान और मध्य प्रदेश की सांभी स्कीमें हैं, होने वाले व्यय के अपने भाग को पूरा करने के लिये दी जा रही हैं। इस प्रकार की सहायता भाखड़ा और व्यास परियोजनाओं के लिये भी दी जा रही हैं जिसमें राजस्थान, पंजाब और राजस्थान भागीदार हैं। इसके अतिरिक्त परमाणु बिजली घर के लिये, जो राणा प्रताप सागर पर बन रहा है, केन्द्र सारा धन दे रहा है। उम्मीद है कि उन उत्पादन क्षमताओं से जो राजस्थान को इन परियोजनाओं से उपलब्ध होंगी, चौथी योजना के दौरान राजस्थान की मांगों की पूर्ण संतुष्टि हो जाएगी।

(ख) व्यास परियोजना को छोड़ कर सारी निर्माणधीन स्कीमों के चौथी योजना-वर्ष में पूरा हो जाने की सम्भावना है। जहां तक व्यास परियोजना का सम्बन्ध है, देहरा बिजली घर पर 165-165 मैगावाट के दो उत्पादन यूनिटों के 1973-74 तक, और 165-165 मैगावाट के शेष दो यूनिटों के 1974-75 तक चालू हो जाने की संभावना है। पोंग बिजली-घर में, 60-60 मैगावाट के दो यूनिटों के 1974-75 तक और 60-60 मैगावाट के शेष दो यूनिटों के 1975-76 चालू हो जाने की संभावना है।

परमाणु शक्ति केन्द्र, कोटा के लिये बिजली की सप्लाई

1643. **श्री मोला नाथ मास्टर :** क्या सिचाई तथा विद्युत् मंत्री यह बताने की कृपा करेंगे कि :

(क) क्या यह सच है कि राज्य बिजली बोर्ड को केन्द्रीय सरकार से 1.5 करोड़ रुपये की राशि मिली है कि वह उदयपुर से डाबरी तक बिजली सप्लाई करे जिससे राजस्थान के कोटा में स्थित राबत भाटा परमाणु शक्ति से उपलब्ध बिजली का उपयोग किया जा सके और इसके लिये खंभे तथा तार लगाने का काम आरम्भ कर दिया गया है ; और

(ख) क्या इसके परिणामस्वरूप औद्योगिक स्थापनाओं को उनकी आवश्यकता के अनुसार बिजली मिल जायेगी ?

सिचाई तथा विद्युत् मंत्रालय में उपमंत्री (श्री सिद्धेश्वर प्रसाद) : (क) और (ख). राज्य के अन्दर पौरवर्ष पथों की कार्यान्विति के लिये, जिन में प्रस्तावित और विचाराधीन परमाणु बिजली केन्द्र से उत्पन्न हुई बिजली का वितरण भी शामिल है, कोई पृथक्-रक्षित केन्द्रीय सहायता नहीं दी जा रही है। परन्तु राज्य बिजली बोर्ड, राज्य में अन्य उद्योगों तथा उपयोक्ताओं को बिजली सप्लाई करने के लिए पारेषण तथा वितरण पथों का निर्माण कार्य कर रहा है।

THE MINISTER OF HEALTH AND FAMILY PLANNING AND WORKS, HOUSING AND URBAN DEVELOPMENT (SHRI K. K. SHAH) (a) No, Sir.

(b) Shortage was significant in Assam, Bihar, Gujarat, Madhya Pradesh, Orissa, Punjab, Rajasthan, U.P., West Bengal, Manipur, Andaman and Nicobar Islands, Laccadives, N.E.F.A. and Pondicherry.

The Scheme is implemented through the respective State Governments mainly with the help of funds provided by the Centre. Provision for the Scheme for the 4th Plan period would accordingly depend not only upon the amount which the Central Government is able to provide (in the context of the competing claims of other Development Programmes) but also on the amount which the State Governments are able to accommodate within their overall Plan ceilings on the basis of their own priorities and requirements.

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY PLANNING AND WORKS, HOUSING AND URBAN DEVELOPMENT (SHRI B. S. MURTHY) :

(a) No information about any recent survey having been carried out is available, but according to the National Water Supply and Sanitation Programme Assessment Committee Report, out of the total urban population of India, based on the 1961 census, only 33.9% had adequate supply of water, 26.2% had in-adequate supply and 39.9% had no water supply system. Similarly, based on 1961 census, about 70% of population in the villages located in easy areas and about 10% of population in scarcity areas, has been provided with minimum water supply.

(b) During the Fourth Five Year Plan, the State Governments will be given block loans and block grants for executing the development schemes. Therefore, the question of 100 per cent grant by the Centre for water supply schemes, even in tribal areas, will not arise. In regard to targets, these will be fixed by the State

Governments when they make their allocations for the Fourth Five Year Plan and these are not available yet.

be in issue. This basic price also includes an element representing the income accrued on the units outstanding upto the date of calculation of the price. The second step involves adjustments in respect of usual expenses like brokerage, commission, stamp duty, etc. The third step relates to rounding adjustments to the nearest five paise. The sale price is arrived at by adding to the net asset value of the unit, the charges towards brokerage, commission, stamp duty etc. and rounding off upwards the resulting figure to the nearest five paise. The repurchase price is arrived at by deducting from the net asset value of the unit the charges towards brokerage, commission, stamp duty, etc., and rounding off downwards the resulting figure to the five paise per unit.

(e) if so, Governments attitude thereto ?

THE MINISTER OF HEALTH AND FAMILY PLANNING AND WORKS, HOUSING AND URBAN DEVELOPMENT (SHRI K.K. SHAH) :
(a) The actual amount that may be available for rural housing in the 4th plan is not known at present. Within the overall ceilings of the Plans of the States and Union Territories, a total Plan provision of about Rs. 62 crores may be available for various Housing Schemes during the Fourth Plan. It is open to the State Governments to distribute the provision among the different housing schemes (including the Village Housing Projects Scheme) according to their discretion and needs. Owing to the general constraint on resources, it is not possible to provide additional funds at present.

(b) Rural housing programmes require long term credit and the pattern of financial assistance under the Village Housing Projects Scheme has been formulated consistently with the general economic conditions and the repaying capacity of the villager, etc. It cannot be related to the credit facilities required for small scale industries,

which are entirely different in nature, scope and productive potential.

(c) Under the Village Housing Projects scheme, each beneficiary is required to provide from his own resources—20% of the cost of the house to be constructed. This condition is actually meant to induce a certain measure of private saving and investment for housing. Private Investment for housing on commercial basis can take place on a large scale only when enough funds are left surplus after exploring other more remunerative sources of investment.

(d) No, Sir.

(e) Does not arise.

RE. CALLING ATTENTION NOTICE (Query)

SHRI SAMAR GUHA (Contai) : Sir, I have to make a submission. It is a point of submission. (Interruption)

MR. SPEAKER : I have read your letter. I would not allow any submissions now. It is good that my attention has been drawn to it. But no more submissions. (*Interruption*) I am on my legs. I am not allowing you. I have received your letter. You were kind enough to write to me.

SHRI SAMAR GUHA : I have a right to say. I have written a letter to you yesterday, but I have not received a reply. I have right to say.

MR. SPEAKER : You have no right to get up. I am passing on to the Calling Attention Notice.

SHRI SAMAR GUHA *rose --*

MR. SPEAKER : I have not accepted your proposal. If tomorrow, you send a Calling Attention Notice and if somebody else writes to me, "Do not allow it," and if I am to accept the latter, then there will be no Calling Attention Notices at all ! If tomorrow Shri Samar Guha sends a Calling Attention Notice and somebody else writes to me, "You do not allow it," then, there will be no end to it. (*Interruption*)

SHRI SAMAR GUHA *rose--*

MR. SPEAKER : Order, Order. You have no right. I am telling you that you have no right. It is not proper. If I have allowed a Calling Attention motion and if you say, "Do not allow it," then, if I concede your request, there will be no Calling Attention Notices any longer. I will be surrendering my right, and I will be denying the right of Hon. Members to send such notices. If the Calling Attention Motions are allowed, they will come up, whether you like it or not, and the Member will have it.

SHRI SAMAR GUHA : Sir, my submission is***

MR. SPEAKER : Order, Order. Nothing will be recorded. His speech will not be recorded.

SHRI SAMAR GUHA *rose--*

MR. SPEAKER : You may say anything ; nothing will be recorded. Please sit down. I appeal to you. Will you kindly sit down ?

SHRI SAMAR GUHA : I humbly submit to you that I had written to you.

MR. SPEAKER : Will you kindly sit down ? Shri Jyotirmoy Basu.

SHRI JYOTIRMOY BASU *rose --*

SHRI NAREDRA SINGH MAHIDA (Anand) : Sir, I move under rule 225 a question of privilege. I am on a point of order ?

MR. SPEAKER : What is the point of order ?

SHRI NAREDRA SINGH MAHIDA : I raise a question of privilege.

MR. SPEAKER : About what ?

SHRI NARENRA SINGH MAHIDA : I request you.

MR. SPEAKER : What is it ?

SHRI NARENDRA SINGH MAHIDA : It is about--

MR. SPEAKER : About what ?

SHRI NARENDRA SINGH MAHIDA : Breach of privilege. (*Interruption*) If you want that it could be done later, I will raise it afterwards.

MR. SPEAKER : Calling Attention has been called. It is certainly unfortunate, because he is a senior member. I have taken up the Calling Attention.

SHRI NARENDRA SINGH MAHIDA : I will raise it afterwards.

12.30 hours.

CALLING ATTENTION TO MATTER OF URGENT PUBLIC IMPORTANCE

NEED TO RECALL THE GOVERNOR OF WEST BENGAL

SHRI JOTIRMOY BASU (Diamond Harbour) : Sir, I call the attention of the Minister of Home Affairs to the following matter of urgent public importance and I request that he may make a statement thereon :

"The immediate need to recall the Governor of West Bengal, Shri Dharam Vira."

SHRI Y. B. CHAVAN *rose --*

SHRI J. B. KRIPALANI (Guna) : Sir, this is an important issue. I do not usually intervene, but this is an important

issue and therefore, it should not be disposed of through a calling attention notice. If there is to be a discussion, it is in your power to give more time.

MR. SPEAKER : It is an important matter, no doubt. Mr. N. P. C. Naidu also has given his name. He is totally against recalling the Governor. He came to me, but unfortunately he had to go somewhere on account of some urgent business. He told me that he is totally against of the Governor. So, it is not as if all people want that Mr. Dharma Vira should be recalled. All the names have been ballotted. It is not that the names of only those who want Mr. Dharma Vira to be recalled have been ballotted. It is an important question and that is why I admitted it out of 40 or 50 notices for calling attention I receive every day. Let it be answered. If Mr. Karipalani and others want to say something, the general discussion on the general budget is coming. So many discussions are coming and those who want to oppose this will have an opportunity.

THE MINISTER OF HOME AFFAIRS (SHRI Y. B. CHAVAN) : Mr. Speaker, Sir, Article 156 of the Constitution provides that the Governor of a State shall hold office during the pleasure of the president and that, subject to such pleasure, the Governor shall hold office for a term of five years from the date on which he enters upon his office. However, the present Governor of West Bengal had requested the Prime Minister towards the end of October, 1968 for a charge on personal grounds. He was persuaded to stay on in view of the mid-term elections which were to follow soon. The request made by the present Governor of West Bengal is under consideration.

SHRI JYOTIRMOY BASU : The champion of democracy, Mr. Yeshwant-rao Chavan and his Congress needed men to do dirty job. So they had to fall back upon old British bureaucrats...

MR. SPEAKER : This is completely out of the way. (*Interruptions*). Order, order. Don't make me helpless. From the Chair, I have to control the whole

House. Don't put me in an embarrassing position. Please put only a pertinent question.

SHRI JYOTIRMOY BASU : A man who was Secretary till the other day holding the thirtieth position in the Warrant of Precedence was kicked upstairs to the fourth position and installed on the top of the elected representatives of five crores of people in West Bengal and similarly in many other places.

They have ignored his past when he as Textile Commissioner made Government to lose Rs. 55 lakhs and deliberately kept Government in darkness. There is a report of the Public Accounts Committee. He was sent with the express purpose to destroy the the United Front and re-settle the Congress. All along he was opposed to the United Front.

MR. SPEAKER : Is Shri Basu going to read the whole thing, the question he prepared before he heard the reply of the Government? I think it is not fair.

SHRI JYOTIRMOY BASU : Sir, I would not take more time than what you give to others.

SHRI BAL RAJ MADHOK (South Delhi) : Sir, would you permit similar attacks being made on the President or Governors of other States on the floor of this house?

MR. SPEAKER : I will not allow Shri Basu to continue like this. There is no use his attacking a person who is not here. This is a Notice to call the attention of Government. The Government has already replied to it. If he continues to read his whole speech I will get it expunged. Will he kindly put a question and not make a speech?

SHRI JYOTIRMOY BASU : I am only saying what the people of West Bengal have said.

MR. SPEAKER : Let him not attack an individual. Let him put a short question and not use abusive language.

SHRI JYOTIRMOY BASU : He ought to know the intrigues...

MR. SPEAKER : He may do anything he likes. He has not got the permission of the Chair (*Interruptions*).

SHRI NAMBIAR (Tiruchirappalli) : He is only prefacing the question.

MR. SPEAKER : He cannot make allegations and use abusive language in the name of making a preface to a question.

SHRI JYOTIRMOY BASU : When the question of Czechoslovakia came the need for generosity was felt.

MR. SPEAKER : Here is an individual who is being discussed and not a policy. The hon. Member has got everything written to abuse a person who is not in a position to reply here. He may abuse the Government, he may make allegations against the Government but he cannot abuse a person who is not here to defend himself.

SHRI JYOTIRMOY BASU : I am only saying what misery he had brought about in West Bengal and I am asking whether he should be allowed to remain in power.

MR. SPEAKER : Will you all kindly sit down ? I will read the rule also. If he feels like that he can see it. Rule 352 says :

"A member while speaking shall not—

- (v) reflect upon the conduct of persons in high authority unless the discussion is based on a substantive motion drawn in proper terms ;"

In the name of a Calling Attention Notice if you want to talk about anything you like, it is not proper. You referred to Czechoslovakia and other things. There it is criticism of the government and not of a particular person.

SHRI M.L. SONDHI (New Delhi) : Sir, on Czechoslovakia.....

MR. SPEAKER : Will Shri Sondhi kindly sit down ? Already, I am finding it difficult.

SHRI VASUDEVAN NAIR (Peer-made) : Sir, will you clarify one thing for the sake of the hon. Member and the House. You in your wisdom have admitted the Calling Attention Notice. The

notice or motion is specifically on the subject of the withdrawal of the Governor of West Bengal. Natural, his withdrawal or recall is sought for because there is something against his conduct.....
(Interruptions)

MR. SPEAKER : When the hon. Member is asking me a question, why should hon. Members on the Congress side be worried about ?

SHRI VASUDEVAN NAIR : The admission of the motion implies that the conduct of the Governor is in question. So, as far as that goes, we have a right to question his conduct and functioning as Governor of West Bengal. If we criticise the conduct of Shri Dharma Vira as Governor of West Bengal, you cannot prevent it because you have admitted this motion.

MR. SPEAKER : Will he kindly sit down ? By Calling Attention Notice you call the attention of the government to give you information. It is not a regular discussion. If it is a regular discussion, you can criticise anybody ; you have the absolute right and I do not question that. In the Calling Attention Notice, government makes a statement. If that statement or answer is not satisfactory, he can ask for a clarification. He cannot make a speech on the basis of that answer. Now, does Shri Jyotirmoy Basu want to ask for some clarification or does he want to read the whole speech ? If, in spite of my request to him not to do so, he persists in reading it, I might tell him that I am going to expunge everything which is irrelevant. I am going to take a firm stand. Because I have admitted a motion it does not mean that he has complete freedom to abuse anybody.

SHRI NAMBIAR : Sir, he is not using any abusive language. He is reasoning out why the Governor has to be recalled.

MR. SPEAKER : No, I do not want the reason. The question must be based on the answer given by the hon. Minister. It can be only a clarification ; I do not want reasons or speeches.

SHRI JYOTIRMOY BASU : Sir, is that what you do when calling attention notices are given by the other side?... (*Interruptions*). I know your colour.

SHRI P. K. DEO (Kalahandi) : Sir, he is attributing motives to the their. Let him withdraw them... (*Interruptions*).

SHRI KANWAR LAL GUPTA (Delhi Sadar) : Yes, Sir. Let him withdraw those remarks.

SHRI JYOTIRMOY BASU : I wish to ask only two questions.

MR. SPEAKER : Let him ask the questions, if he wants, but no reasons.

SHRIMATI SUCHETA KRIPALANI (Gonda) : What did he say about the Chair? We want to hear the exact words. (*Interruptions*).

SHRI JYOTIRMOY BASU : Who are you to ask for that? (*Interruptions*).

SHRIMATI SUCHETA KRIPALANI : Let him repeat them... (*Interruptions*). They have no business to make a mockery of this House. We want business to be carried out in this House with decorum. We do not want this kind of indecorous behaviour in this House. We are pretty sick of this... (*Interruptions*).

SHRI VISWANATHA MENON (Ernakulam) : You have not come here to teach us... (*Interruption*).

SHRI JYOTIRMOY BASU : In view of the fact that the representative of Shri Chavan and the President here had conspired with Shri Ashok Sen and probably Naxalbari people for having some papers distributed to boycott elections, may I say (*Interruption*).

SHRI HANUMANTHAIYA (Bangalore) : This is an allegation. This should not go on the record.

SHRI VASUDEVAN NAIR : Why are the Congress Members so agitated?

SHRI JYOTIRMOY BASU : In view of the fact that Shri Dharma Vira conspired with Shri Ashok Sen, took out a forged letter from Basumati Press and distributed it quite indecorously, will they recall the Governor before 6th March, before the joint session meets?

SHRIMATI SUCHETA KRIPALANI : We demand that he should be there up to the 6th March..... (*Interruption*).

SHRI J. M. BISWAS (Bankura) : Bureaucracy should be taught manners... (*Interruption*).

SHRI Y. B. CHAVAN : My answer is, "No".

SHRI JYOTIRMOY BASU : My second question is...

MR. SPEAKER : This is a call-attention; this is not Question Hour. On the call-attention, only one question is premittted.

SHRI H. N. MUKERJEE (Calcutta North-East) : I want to seek some clarification. You had permitted Shri Basu after long travail, to ask something in the way that he did and the hon. Minister gave a peremptory answer. Originally he had said that the Government was considering the matter of getting Shri Dharma Vira back. Therefore when a clarification is asked for on the basis of certain matters of knowledge, we have a right to expect of the hon. Minister to tell us something in regard to that and not merely, "I won't do that." I was a little disturbed when you said, "Answer only the second part and not the first."

MR. SPEAKER : It was a clear question whether the Governor was going to be called back before the 6th and the Home Minister said, "No". It is a hundred per cent complete answer.

श्री मधु लिमये (मुंगेर) : अध्यक्ष महोदय, पश्चिम बंगाल के गवर्नर ने जनता के द्वारा 1967 के चुनाव में जो राय दी गई थी, उसके बरखिलाफ जाकर और संविधान की धाराओं को तोड़कर, पश्चिम बंगाल की जो लोक-नियुक्त सरकार थी, उसको बर्खास्त करने का काम किया। ... (व्यवधान), इस बारे में पश्चिम बंगाल की विधान सभा के अध्यक्ष ने कहा कि विधान सभा की सम्मति के बिना गवर्नर किसी भी सरकार को बर्खास्त नहीं कर सकता है और वृत्ति ऐसी

[श्री मधु लिमये]

घटना बंगाल में हुई है इस लिए मैं विधान सभा की बैठक को ही स्थगित कर रहा हूँ। ... (व्यवधान) — उसके बाद वहाँ पर राष्ट्रपति का शासन कायम किया गया। पश्चिम बंगाल की विधान सभा के अध्यक्ष ने जो राय व्यक्त की है, आप लोगों ने भी अपने सम्मेलन में उसका समर्थन किया है। आपने दो बातें कही हैं। गवर्नर बिना विधान सभा की सम्मति के किसी भी लोकतांत्रिक सरकार को बर्खास्त नहीं कर सकेगा, साथ साथ आपने यह भी कहा है कि विधान सभा की कार्यवाही में अध्यक्ष भी दखल नहीं देगा। तो सबसे पहला पाप गवर्नर और केन्द्रीय सरकार द्वारा हुआ है, इसका सभी लोग ख्याल रखें। चाहे यह सभा हो, हाई कोर्ट हो या सर्वोच्च न्यायालय हो, उनसे भी एक उच्चतर न्यायालय है, भारत और पश्चिम बंगाल की जनता।

अन्त में फैसला इस जनता के द्वारा दिया जाना चाहिए। पश्चिमी बंगाल में जनता के द्वारा यह निर्णय दिया गया है। पश्चिमी बंगाल के नये मंत्रिमंडल ने इन के पास मांग की है। लेकिन यह मंत्री जी बहुत चतुर हैं, उस मांग के बारे में, जनता के द्वारा दुबारा चुनी हुई सरकार की मांग के बारे में यह कुछ नहीं कहते हैं और कहते हैं कि श्री धर्मवीर ने अक्तूबर महीने में व्यक्तिगत कारणों को लेकर उन को गवर्नर के पद से हटाने के लिए विनती की है जोकि उन के विचाराधीन है।

अध्यक्ष महोदय, संविधान की दो धाराओं की ओर मैं मंत्री महोदय का ध्यान दिलाऊंगा। 6 मार्च को विधान सभा की बैठक होने वाली है। हमारे संविधान में लिखा है कि विधानमंडल का जो पहला सत्र बुलाया जायेगा चुनाव के बाद उस में गवर्नर का अभिभाषण होगा। उस में गवर्नर की छूट नहीं है, वह मनेटैरी प्राविजन है...

MR. SPEAKER : It is agreed ; nobody is disputing that.

श्री मधु लिमये : ठीक है नहीं पड़ता हूँ। "शैल एंड्रैस" कहाँ है ; गवर्नर को, विधायकों को क्यों बुलाया गया है, उसे उन के बुलावे का कारण भी बतलाना पड़ता है...

MR. SPEAKER : It is all accepted ; nobody is disputing that.

श्री मधु लिमये : मेरा प्रश्न आ रहा है। यह टाल नहीं सकते हैं सवाल। गवर्नर का या राष्ट्रपति का जो अभिभाषण होता है वह सरकार की नीति का इजहार करने वाला वस्तव्य होता है। वह मंत्रिमंडल के द्वारा लिखा जाता है। गवर्नर को कोई अधिकार नहीं है संविधान में—और केवल एक धारा पढ़ूँगा जो कि पढ़ना बहुत जरूरी है बाक़ी को मैं छोड़ देता हूँ। संविधान की एक धारा में यह दिया हुआ है :

"There shall be a Council of Ministers with the Chief Minister at the head..."

MR. SPEAKER : Why are you wasting the time of the House? It is a known provision and accepted by all. You need not read all that. What is your question? What is the clarification that you want?

श्री मधु लिमये : वह मैं नहीं कह रहा हूँ। यह पूरी धारा पढ़ना जरूरी है, लेकिन अब आप ही नहीं समझ रहे हैं इसकी आवश्यकता को तो मैं क्या करूँ ?

मैं यह कहना चाहता हूँ कि अभिभाषण में तबदीली करने का गवर्नर को कोई अधिकार नहीं है और 6 तारीख को वह भाषण उन्हें करना पड़ेगा। जब पश्चिमी बंगाल की सरकार अपने नीति वस्तव्य में विधायकों को बुलाने का कारण यह बतलायेगी कि गवर्नर के द्वारा जो प्रस-बंधाई कार्यवाही की गई उस को लेकर राष्ट्रपति शासन आया, चुनाव हुआ और

अब उन्हें बुलाया जा रहा है। तो मैं आप से जानना चाहता हूँ कि क्या गवर्नर को आप यह सलाह देंगे कि जो मंत्रिमंडल के द्वारा भाषण तैयार कर के दिया जायेगा उस को वह हुबहु विधान मंडल के सामने कहें, या अगर आप इस संघर्ष और टकराव को टालना चाहते हैं तो क्या आप उन्हें यह सलाह देंगे कि वह छुट्टी पा जायें। जब तक वह छुट्टी पर हैं एक आफिशिएटिंग गवर्नर वहां पर नियुक्त कर दिया जाये। केन्द्र और राज्यों के सम्बन्धों में काफ़ी कटुता आई है। मैं आज चेतावनी के रूप में कहना चाहता हूँ कि केन्द्रीय सरकार इस को प्रतिष्ठा और इज्जत का सवाल न बनायें। पश्चिमी बंगाल की जनता का जो फैसला वडिकट है उस के सामने आप भुक्तिये और गवर्नर को यह सलाह दीजिये कि वह बीमारी को लेकर या और किन्हीं व्यक्तिगत कारणों को लेकर छुट्टी पर जायें और एक आफिशिएटिंग गवर्नर आये। जो पश्चिमी बंगाल का मंत्रिमंडल है वह उस को नीति वक्तव्य बना कर दे देगा और वह उस को पढ़ेगा।

SHRI Y. B. CHAVAN : He is asking me to give my opinion on constitutional issues. If he accepts me as a constitutional pundit, certainly, I will give him my opinion. But not here. Secondly, he is expecting me to give some advice to the Governor. The Government of India does not function as an adviser to the Governor.

श्री मधु लिमये : यह बिलकुल गलत बात कह रहे हैं क्योंकि यह हर कदम पर गवर्नर को ऐडवाइस निर्देश देते रहते हैं।

श्री बेवेन सेन (भासनसोल) : पश्चिमी बंगाल की जनता ने पिछले चुनावों के दौरान श्री धर्मवीर के खिलाफ़ अपनी राय का इजहार किया है या नहीं, अगर किया हो तो आम जनता की मांग के खिलाफ़ गवर्नर को सिर्फ़ संविधान के बहाने पर लादे रखना क्या उचित है ?

हमारी प्रधान मंत्री ने यहां पर कहा था कि मैं चाहती हूँ कि पश्चिमी बंगाल की सरकार वहां पर ठीक तरह शासन करे और हम उसे अपना सहयोग देंगे, यदि यह बात सच हो तो जो रास्ता यह गवर्नर को रिकॉल करने में देर करने के बारे में अपनाया जा रहा है वह क्या केन्द्र द्वारा पश्चिमी बंगाल की सरकार से सहयोग करने का रास्ता है ?

SHRI Y. B. CHAVAN : If I have understood the significance of the mid-term election, they have given the mandate to the United Front Government to govern West Bengal constitutionally.

QUESTIONS OF PRIVILEGE

MR. SPEAKER : Mr. Mahida wanted to say something.

SHRI NARENDRA SINGH MAHIDA (Anand) : My motion is about breach of privilege. I had written a letter under rule 222...

MR. SPEAKER : Is he speaking about that letter ? I thought he wanted to say something else. I have not given him consent. Unless the speaker gives consent, it cannot be raised. I have not given him permission. He may read the rule.

SHRI NARENDRA SINGH MAHIDA : The second para of rule 225 reads as follows :—

“Provided that were the Speaker has refused his consent under rule 222 or is of opinion that the matter proposed to be discussed is not in order, he may, if he thinks it necessary; read the notice of question of privilege and state that he refuses consent or holds that the notice of question of privilege is not in order.”

MR. SPEAKER : The rule says : ‘... he may, if he thinks it necessary’. I have not thought it necessary. I shall tell you. It is in your own interest that I have done so...

SHRI NARENDRA SINGH MAHIDA : I wanted to raise...

MR. SPEAKER : Please sit down. The point is that some officer did not meet him when he went somewhere. If this is going to be a breach of privilege, I do not know what will happen. If the hon. Member thinks this way, it will be dangerous ; it is not desirable. I wanted to avoid the members knowing it. When he went on tour, some officer did not meet him. If this becomes a breach of privilege, it will be dangerous. Therefore, I have not allowed it. I have not thought it fit...(*Interruption*). I am on my legs. I am not allowing you to raise it. I would have explained to you in my Chamber. I wanted to avoid this coming before the House. It is not proper...

SHRI NARENDRA SINGH MAHIDA : I wanted to raise, so that it can be taken notice of.

MR. SPEAKER : I have not allowed it. The rule is ; '.....he may, if he thinks it necessary...'. I have not thought it necessary.

Mr. Nambiar.

SHRI NAMBIAR (Tiruchirapalli) : I am raising a question of breach of privilege on the editorial that has appeared in the *Maharashtra Times*, a daily newspaper in Marathi, published from Bombay in its issue dated the 20th February, under the caption, 'BHUTA HATE BHAGWAT' meaning 'Bhagawat in the Bhut's Hand'...(*Interruption*) I shall give the English translation of that. The English translation is : 'A Ghost with a Bible on hand'. This is about the speech made by my hon. friend, Shri P. Ramamurti, here on a debate on 18th February. It starts like this.

13 hrs.

MR. SPEAKER : The whole editorial need not be read out.

SHRI NAMBIAR : I shall read out only the relevant portions. It says :

"It is inevitable that the echo of the Bombay riots should be heard in Parliament".

From the way it is written, it is clear that it is about the speech made by Shri P. Ramamurti here.

My objections come under two headings. One is that it is a gross misrepresentation of his speech and also that it

is a reflection on the Member. A reflection on the Member is a reflection on the House. In May's Parliamentary Practice you will find these two portions...

SHRI BAL RAJ MADHOK (South Delhi) : May I make one submission ? Unless we have a copy of the editorial, how can we give permission ?

SHRI NAMBIAR : I am explaining it. The editorial comes under two heads. One is that it is a reflection on the House.

MR. SPEAKER : It is nearing 1 p. m. and it is time for lunch. Before I proceed further, I would like to say that wherever I am myself convinced that a privilege issue is involved, I automatically send it to the Committee, but where I am in doubt, I do not take the decision, but I leave it to the House. Normally where it is very clearly known that a breach of privilege may be there, I automatically refer it. But since I was in doubt I allowed Shri Nambiar to seek the permission of the House so the House could see whether there is a privilege issue or not. Naturally, the pertinent question raised by hon. Members is how they are to know what the contents of the editorial are, because it has not been circulated to them. But I think the hon. Member would explain the relevant points. If we except him to circulate the editorial and all the other papers, I do not think that it would be possible for a Member to do so, and circulate it to all the 525 Members.

So, when we re-assemble after lunch at 2 p. m., he may explain in three or four minutes the relevant portions which might be abusive in nature. There might be abusive language, but whether a privilege issue is involved, whether it is unparliamentary etc., it is for this House to judge and not for me. Therefore, I leave it to the House. I have not given my decision because I had some doubt, and, therefore, I have given him permission to raise it in the House by reading it out and convince the House that it is a matter of privilege. Of course, Shri Nambiar will continue at 2 p. m.

13.03 hrs.

BUSINESS OF THE HOUSE

MR. SPEAKER : Now, I would like to announce one thing. Some hon. Members came to me and said that Holi was tomorrow and not the day after tomorrow. Members from both sides of the House came and said this...

SHRI S. M. BANARJEE (Kanpur) : Let us have two holidays.

MR. SPEAKER : We cannot have two holidays.

I have to inform the House that the House will now sit on Wednesday, the 5th March instead of on Tuesday, the 4th March that means that we shall have a sitting of the House on Wednesday, the 5th March to transact business. We could not lose both the days. On the 5th March, we shall transact the business including questions scheduled for the 4th March, and observe 4th March as holiday.

13.04 hrs.

The Lok Sabha adjourned for Lunch till Fourteen of the Clock.

The Lok Sabha Reassembled after Lunch at four minutes past Fourteen of the clock.

[MR. DEPUTY-SPEAKER *in the Chair*]

QUESTION OF PRIVILEGE

AGAINST *Maharashtra Times*

SHRI NAMBIAR (Tiruchirappalli) : I was just explaining this morning in brief how this article in *Maharashtra Times* dated 20th February does constitute a breach of privilege.

The original has been submitted to you, and this is the translation of the editorial. It has the caption "A Ghost with the Bible", and it starts like this.

THE MINISTER OF HOME AFFAIRS (SHRI Y. B. CHAVAN) : It really means "Devil quoting the Scripture."

SHRI K. M. Koushik (Chanda) : We should have a certified copy of the translation. Without that it is not possible for us to make up our mind one way or the other.

MR. DEPUTY-SPEAKER : He will make a brief statement explaining the grounds. He should pinpoint the particular reference to the members of this House. Other things are not relevant at all. I have got the article before me.

SHRI K. M. Koushik : Who translated it ? Is it certified ?

MR. DEPUTY-SPEAKER : If you want it, I do not mind.

SHRI NAMBIAR : That is not the procedure. This is the first occasion when such things are demanded. Whenever we give notice of such a motion we give translation and the original copy is also submitted. It is the usual practice. Accordingly I did it.

SHRI K. M. Koushik : We have not got the original also. I have nothing to say, but I want to know.

SHRI S. M. BANERJEE (Kanpur) : This is an extraordinary question which has been raised by my hon. friend. Supposing I want to raise a privilege motion in this house on anything in the press, am I to bring 500 copies of the magazine ? It is not possible. Moreover, the usual practice is that if I have any objection against a particular matter to be brought to the notice of the House, I am only supposed to give a translation. He is perfectly within his rights.

MR. DEPUTY-SPEAKER : I have not said that it should be circulated.

श्री क०ना० तिवारी (बेतिया) : जब तक हम लोगों को यह पता न चल जाए कि जो ट्रांसलेशन है यह ठीक है या नहीं है तब तक हम किसी निर्णय पर कैसे पहुंच सकते हैं। ओरिजनल का प्रापर ट्रांसलेशन तो होना चाहिये।

SHRI NAMBIAR : This was submitted on 26th February. The original copy I have submitted. If my translation is wrong, it can be corrected. After all, what I submit is only for reference to the Committee of Privileges. No harm is going to be done.

MR. DEPUTY-SPEAKER : After he pinpoints the particular references, if he gets the permission of the House, then the question would arise.

SHRI RANDHIR SINGH (Roh-tak) : On a point of order. You know the law of evidence and the law of admissibility. Until and unless the primary evidence is available, secondary evidence cannot be led. He is depending on something which is secondary, which is not admissible according to law. So, everything is out of order. It should be ruled out.

SHRI VISWANATHA MENON (Ernakulam) : The House is the master of its own procedure.

MR. DEPUTY-SPEAKER : The procedure that we are following re-

†Introduced with the recommendation of the President.

[Mr. Deputy-Speaker]

garding privilege is this. Once permission is given to raise on the floor of the House and the Member gets permission with the requisite number of Members raising in their places, then the question comes.....

श्री अटल बिहारी वाजपेयी (बलरामपुर) : उपाध्यक्ष महोदय, आप ने कहा है कि सदन इस बारे में अपना मत बनाये। लेकिन कठिनाई यह है कि सदन मत कैसे बनायेगा, क्योंकि उस के सामने पूरा लेख नहीं है, लेख मराठी में है, जिस का अंग्रेजी में अनुवाद किया गया है और वह भी मेम्बरज के पास नहीं है; उस लेख का कुछ हिस्सा पढ़ा जा रहा है।

SHRI RANDHIR SINGH : My charge is that this is all manufactured and cooked up. It cannot be depended upon.

MR. DEPUTY-SPEAKER : That is a relevant point; normally, though we follow a particular procedure, I do not disagree with what the non-Member has said so far; but here the question arises of translation into English or Hindi...

SHRI Y. B. CHAVAN : Or both

MR. DEPUTY-SPEAKER : ...or both, of an article pertaining to this particular issue and then that portion where the conduct or character of a Member of this House is impeached. I am not giving my opinion. I have gone through the article, and so far as I am concerned...

SHRI NAMBIAR : I shall explain it. You have got the copy with you already...

MR. DEPUTY-SPEAKER : I suggest therefore...

श्री अटल बिहारी वाजपेयी : मेम्बरज की कठिनाई कैसे हल होगी ?

MR. DEPUTY-SPEAKER : What I would suggest is this. What is the hurry about it? After all, if we postpone...

SHRI NAMBIAR : There is no precedent. And here is our rule in the Rules of procedure.

MR. DEPUTY-SPEAKER : Then, he may give a specific explanation regarding the reference...

SHRI NAMBIAR : I shall explain it. Why should it be prejudged? Kindly hear me and then you will be able to apply your mind and the whole House can apply its mind.

SHRI RANDHIR SINGH : This is something very serious and it should not be done in a hurry.

MR. DEPUTY-SPEAKER : If Members are not satisfied then I shall postpone it.

SHRI NAMBIAR : What I am raising does not concern one hon. Member only but it is common for all.

श्री विभूति मिश्र (मोतीहारी) : उपाध्यक्ष महोदय, आप ने उस लेख को पढ़ा है। श्री चव्हाण भी मराठी जानते हैं। वह इस लेख को पढ़ कर अपना मन बना लेते कि इस में क्या लिखा है, क्या नहीं लिखा है और क्या इस में कोई आपत्तिजनक बात है। इस समय हमारे सामने उस लेख का जो भी अंग्रेजी अनुवाद पढ़ा जायेगा, क्या हम उसी को मान लें? सरकार उस लेख को देखे कि उस में किन शब्दों का प्रयोग किया गया है, उन के क्या मानी हैं और क्या वे आपत्तिजनक हैं।

SHRI NAMBIAR : After all, it goes to the Privileges Committee. We are not giving a judgment here. If the matter is *prima facie* objectionable, then the question will go to the Privileges Committee and the Privileges Committee will go through every word of it and then only give its decision, and again it will come back to the House.

MR. DEPUTY-SPEAKER : It will go to the Privileges Committee after the House considers that it is *prima facie* objectionable. The House must consider it objectionable, not the hon. Member only.

SHRI NAMBIAR : Why should it be prejudged ? I am explaining the position.

MR. DEPUTY-SPEAKER : If the House finds that there is anything wrong then only it can be done.

श्री रघुबीर सिंह शास्त्री (बागपत) :
उपाध्यक्ष महोदय, हम अपनी प्राइम-फेसी
ओपीनियन भी तो किसी बेसिस पर ही
बनायेंगे न।

MR. DEPUTY-SPEAKER : I have given him permission. But if hon. Members feel that before coming to a decision on this point and before deciding to rise in their places for or against this, they would like to have a translation of the editorial, then certainly we shall have to postpone it.

SHRI NAMBIAR : Then the whole procedure will have to be altered. The rule is this...

MR. DEPUTY-SPEAKER : I have seen the rule.

SHRI RANDHIR SINGH: On a point of order. I am in possession of order. My hon. friend may not understand it. I am saying something substantial and something fundamental. The proceedings relating to breach of privilege...

SOME HON. MEMBERS : Under what rule is he raising his point of order ?

MR. DEPUTY-SPEAKER : I shall stop him if I find that he is saying anything irrelevant. (*Interruptions*)

SHRI RANDHIR SINGH : I am in possession of the House. I am not yielding. I am in possession of the House and I am in possession of the floor. I am not yielding.

MR. DEPUTY-SPEAKER : The hon. Member may address the Chair.

SHRI RANDHIR SINGH : I am addressing the hon. Deputy-Speaker. Mr. Deputy-Speaker, sir, the proceedings involving breach of privilege are quasi and semi-judicial proceedings, and the law of admissibility, the law of interpretation and the law of construction are applicable as in the CPC and Cr. P. C. Here is a matter in which

ab initio a preliminary point of a judicial nature is involved, namely whether a case is made out. This case depends entirely on secondary evidence. At this preliminary stage, unless a *prima facie* case of breach of privileges is made out, this House cannot take cognizance of the matter, to start with: until and unless that case is made out, it cannot be referred to the Privileges Committee. My submission is that a judicial mind has to be brought to bear upon these proceedings. My hon. friend has not been able to support his contention by any judicial record or any judicial document. Since the primary evidence is not there and the original record is not there, and since the certified copy is not there and it is not also a published document, the basis is missing, and therefore, no *prima facie* case has been made out, and therefore, I would submit that it should be thrown out....

SHRIMATI SHARDA MUKERJEE (Ratnagiri) : May I submit something ?...

SHRI S. M. BANERJEE : May I make one clarification ?

SHRIMATI SHARDA MUKERJEE : May I submit for your consideration that I have gone through the article ? The article is a general political article...

SHRI NAMBIAR : Why should hon. Members prejudge before I read out ?

MR. DEPUTY-SPEAKER : I may tell Shrimati Sharda Mukerjee that we are not going into the merits at this stage...

SHRIMATI SHARDA MUKERJEE : There is nothing insinuating in that article.

MR. DEPUTY-SPEAKER : The only question now before us is whether a translation of the article should be circulated before we take up the matter. The other matter will come up in case there is permission given to raise the issue. So, at this stage, nothing is being raised except what I have stated. What Shri Randhir Singh has said is relevant up to a point.

SHRIMATI SHARDA MUKERJEE : It is a very difficult article to translate. It is written in colloquial Marathi, and it is very difficult to translate it.

MR. DEPUTY-SPEAKER : What Shri Randhir Singh has said is right up to a point. The proceedings of the Privileges Committee are quasi-judicial in character. There he is perfectly correct. But so far as admissibility and debate on this issue is concerned, we are governed by this rule. When it is referred to the Privileges Committee, then it becomes quasi-judicial...

SHRI RANDHIR SINGH : Here also, because a judicial mind has to be brought into play on this issue. The proceedings of the Privileges Committee are an offshoot of the proceedings here at the preliminary stage. If nothing is made out here, then there can be absolutely no reference.

SHRI VISHWANATHA MENON : Preliminary evidence is there already.

SHRI N. SREEKANTHAN NAIR (Quilon) : In the morning, the Hon. Speaker had given the ruling that it was difficult for the Member to circulate five hundred and odd copies of the edition, and, therefore, he might read out the translation in the House so that the House could judge. That is how this matter has come up at 2 p.m. today. So, he has already ruled on that. I do not know if you want to go beyond that ruling.

SHRI RANDHIR SINGH : On a point of order...

MR. DEPUTY-SPEAKER : Shri Randhir Singh, may resume his seat. This is not fair. I want to dispose of matter in two minutes.

SHRI RANDHIR SINGH : Kindly allow me. I have something very important to raise...

MR. DEPUTY-SPEAKER : May I point out to Shri N. Sreekantan Nair that the issue was to be taken up at this stage, and as I have indicated just now, we have got to make up our mind whether it is worth admission or not? That is the first thing before us. Once it is admitted, then the second stage, namely of discussion begins and we shall have to dispose of it. We are now at

the preliminary stage; after his brief statement if the House feels not satisfied, then I shall have to postpone till the translation is submitted. I have made that position very clear. So, let hon. Members bear with Shri Nambiar for two or three minutes and let him finish.

SHRI NAMBIAR : I have given notice under rule 222...

MR. DEPUTY-SPEAKER : I have seen his notice.

SHRI NAMBIAR : Rule 223 reads thus :

"A member wishing to raise a question of privilege shall give notice in writing to the Secretary before the commencement of the sitting on the day the question is proposed to be raised. If the question raised is based on a document, the notice shall be accompanied by the document".

I have complied with the requirements of rule 223. There is no necessity on my part to give any more documents so far as this rule is concerned. I have supplied the original, and I have completely satisfied the requirements of rule 223.

Now, I am coming to the merits. The editorial of the *Maharashtra Times* dated...

MR. DEPUTY-SPEAKER : Here, I have some objection. So far as the technical requirements about notices are concerned, you have fully satisfied them. But the issue is to be judged from the document. You are giving a certain translation. The Home Minister corrected your translation. There is certain annotation behind that. What I suggest is that if you have no objection we shall take it up after the correct translation is circulated.

SHRI NAMBIAR : This was not done during the last seventeen years in this House. You should not create a precedent. That is my submission. With the material that I am furnishing if a *prima facie* case is established the House can always send it to the Privileges Committee which can go into all the details; every word can be scrutinised and weighed there and a decision taken. Why should Members be exercised on it now?

SHRI RANDHIR SINGH : On a point of order. A very relevant point of order flowing out of your remarks ?

MR. DEPUTY-SPEAKER : I have permitted him to make a preliminary statement. According to him, on the basis of an article there is *prima facie* case. Whether there is a *prima facie* case or not has to be judged by the House. To give permission at this stage would not be correct. I have already said that.

MR. S. M. BANERJEE : I bow to your ruling. You say that some Members feel that this may not be an actual translation. In that case may I remind you of the dangerous precedent which might be established in this House ? Supposing Mr. Patil speaks in his own language, he always gives a translation in English. It was never challenged that it was translated wrongly.

Mr. Patadia also some months ago brought a privilege motion perhaps against the same paper and he gave a translation of his own. Now, some Members say that Mr. Nambiar had translated it wrongly ; in that case it is an aspersion on the Member. Why is a translation needed every time ? I do not know.

MR. DEPUTY-SPEAKER : I have not given my final ruling. In case hon. Members of this House feel that they are not in a position to decide on this translation, we shall have to give them time. I am not throwing it out.

SHRI NAMBIAR : The editorial is about the speech that hon. Member Shri Ramamurti made on the 18th February. It appeared on the 20th February and I shall read only the relevant portions of it. It begins like this :

"It is inevitable that the echo of the Bombay riots should be heard in Parliament,"

Referring to the opposition party Members it says :

"Their statements betrayed the pleasure at the stick they found to beat the Central Government and in particular the Home Minister Shri Yeshwantrao Chavan and the Maharashtra State Government...

Attempts were made to take to task Chavan, Naik and Congressmen in Maharashtra for encouraging national chauvinism. All this happening is evoking anger. People of Maharashtra do not require lessons from Bhupesh Gupta and Ramamurti on peace and nationalism...But why should Bhupesh Gupta, Ramamurti and Rajnarain think so much about it ? The plan of communists was thrown overboard when Shiv Sena defeated Menon and whenever they got opportunity they try to take revenge. Therefore, they are trying to malign Marathi people and leaders, particularly Congress leaders taking advantage of the Bombay riots, maligning the Marathi people"—This is how it misrepresents the things. Again, here also (*Interruption*).

AN HON. MEMBER : Translation.

SHRI NAMBIAR : Every minute, this "translation" nonsense should not be raised. That is decided. It is not only the first time that you are having this translation question raised. Let the Privilege Committee go into the merits.

MR. DEPUTY-SPEAKER : Please address the Chair.

SHRI NAMBIAR : The second headline is "hoodwinking." Then, the next headline is "Sheer hypocrisy." This is another headline.

MR. DEPUTY-SPEAKER : I think the translation of that phrase should be "throwing dust." I will translate it for you.

SHRI NAMBIAR : I am prepared to abide by your translation because your knowledge of Marathi is much more than anybody else's knowledge of it. I appreciate that. I am prepared to abide by your judgment. I do not want any other translation or translator. I am prepared to abide by your translation. Now, let me read further :

"Otherwise, since when Bhupesh Gupta, Ramamurti and Rajnarain and their parties began to preach loyalty to peace ? Those who often raise a hue and cry in Lok Sabha

[Shri Nambiar]

and who are expelled by Speaker several times from the House are now advising Marathi people and their leaders to be reasonable, Moreover what right this troika has to condemn the riots in Bombay?"

The rights of the Members are questioned, the rights that they have got in relation to "condemning" the Shiv Sena activities and not the people of Maharashtra. That is the point. These Members are "expelled by the Speaker." It is not a fact. Here, Mr. Ramamurti is not at all yet expelled by the speaker. I do not know whether Mr. Rajnarain and Mr. Bhupesh Gupta have been expelled. That is the business of the other House.

MR. DEPUTY-SPEAKER : If I remember aright, you had been expelled in the first House.

SHRI NAMBIAR : Yes ; I was. But I was not expelled as such. I may be allowed to correct myself. I was asked to withdraw which I first did not and then I obeyed. It was only a matter of five minutes' difference. Now, I am coming to the point. I shall read from debates. These are the points which I am making because these are misrepresentations. Then I have another point. That is, reflection on the Member; is a reflection on the House. I shall show you where the reflection comes in. Before I come to that, I shall read out Mr. Ramamurti's speech where you will find—it is only one paragraph.

MR. DEPUTY-SPEAKER : I have the article before me. As I said in the beginning, unless you show me or point out to the House a specific charge that in the discharge of his duties—

SHRI NAMBIAR : I am doing that. (Interruption). What is this? I am reading. I have read the editorial. Now, I am going to read from Mr. Ramamurti's speech. Please have patience. This is from the uncorrected records of the House. I am quoting from page 511.

"It is not a question of South Indians *versus* North Indians. We have no grouse against the Maharashtrian people and

Maharashtrian working class. We know that they are foremost working class in the country and they united to fortunately, in the battle of capitalism. Unfortunately, in the name of the Maharashtrian people, and the Maharashtrian working class, a vicious, pernicious, poisonous propaganda is allowed to percolate the public life of Maharashtra saying that the Maharashtrian people are not able to get jobs because some other citizens of this country—Tamilians, Keralites, Mysoreans and Cannadiga people—are taking away their jobs. This propaganda has been allowed to be continued for months and months."

Mr. Ramamurti had a word of praise for the Maharashtrian people and the working class of Maharashtra. He never "maligned" or even indirectly imputed motives to the Marathi-speaking people. Therefore, this is a misrepresentation of the facts which are imputed directly to Marathi people. Therefore, there is a grave danger to Mr. Ramamurti's reputation among the people of Maharashtra which is going to be jeopardised by this publicity if it goes unchallenged, whereas Mr. Ramamurti spoke in praise of the Maharashtrian people.

Therefore, it is a clear case of misrepresentation. I will quote from *Practice and Procedure of Parliament* by Shri M. N. Kaul and Shri S. L. Shakhder, page 207 : I am not presently quoting May's *Parliamentary Practice* because they may say it refers to England. I am reading from our book...page 207 :

"The publication of false or distorted, partial or injurious reports of debates or proceedings of the House or its Committee or wilful misrepresentation or suppression of speeches of particular members, is an offence of the same character as the publication of libels upon the House, its Committees or members ; and the persons who are responsible for such publication are liable to be punished for a breach of privilege or contempt of the House."

Case-law also is given.

In page 119 of May's *Parliamentary Practice* it is said :

"The following are instances of misconduct in connection with the publication of debates which has been treated as a breach of privilege :

Publishing a false account of proceedings of the House of Lords. Publishing scandalous misrepresentation of what had passed in either House or what had been said in debate. Publishing gross or wilful misrepresentations of particular Members' speeches."

Therefore, this is a clear case of wilful misrepresentation of fact, according also to May's *Parliamentary Practice*. That is my first charge.

Secondly, it is a reflection of the member. I will show you how. Now, the Editorial goes on to say :

What were Gupta and Ramamurti doing when in the name of revolution, murders were committed in Naxalbari in Bengal? Where was the love of peace of Bhupesh Gupta and Ramamurti hiding when in Kerala police station was attacked and telephone operator was murdered?

This clearly is a reflection on a member for having spoken in the House in such a way explaining the Shiv Sena atrocity, the Editorial states that the member who spoke on such and such date is responsible for encouraging the killings in Naxalbari and Kerala.

Then, it goes on to say :

"No one could ever see communist belongs to both the groups coming forward to condemn this. Rajnarain of the SSP is also in the same boat. He is well-known for violating the rules of parliamentary politics and he had played no mean role in instigating the students of Banaras Hindu University. The SSP is relying only on disorder and confusion and the same Rajnarain is now resorting to peace-mongering. This is sheer

hypocrisy of persons like Bhupesh Gupta, Ramamurti or Rajnarain will not be helpful to solve the border problem due to which the rioting had taken place in Bombay. On the contrary we have a suspicion that having failed to find an agreed solution to the border problem, these opposition parties are spending all their time in attacking Shiv Sena and the Marathi leaders in order to save their prestige."

SHRI RANDHIR SINGH : The translation is wrong.

MR. DEPUTY-SPEAKER : Let him finish. I will give you an opportunity.

SHRI RANDHIR SINGH : He is not an aggrieved party.

SHRI NAMBIAR : I am a member of this House and I have got a right to raise it.

On page 117 of May's *Parliamentary Practice*, it is said :

"Speeches or writings reflecting on either House :

Reflections upon members, the particular individuals not being named or otherwise indicated, are equal to reflections on the House."

Our book by Shri M. N. Kaul and Shri S. L. Shakhder also says the same thing :

"Reflections on the character and impartiality of the Speaker reflections on the Members in the execution of their duties is a breach of privilege."

In this article there are portions which come under the mischief, of what I call 'misrepresentation' and under the mischief of 'reflection on the Member' which is a reflection on the House. Therefore, hon. Members must feel ashamed that the entire House is brought into contempt. It is not one Shri Ramamurti alone, it is not a reflection on him alone saying that he is a hypocrite, he has done this, he has done that and he has instigated killing etc. It is a reflection on the whole House because Shri Ramamurti is being virified directly referring to the speech that he made in

[Shri Nambiar]

the House on the 18th. If Shri Ramamurti is attacked outside or his party is attacked outside surely it will be defended there. But this has been done for something he said while performing his duty as a Member. He has, as I explained earlier in very clear terms, made no disparaging statement against the people of Maharashtra. He has only said that the Government by its omissions and commissions, both the State Government and the Central Government, is responsible for the situation. I, therefore, request you, Sir, to send this question to the Committee of Privileges and let them decide it. If there is any mistake in my translation you may correct it.

SHRI TULSHIDAS JADHAV (Baramati) : Sir, how can you allow a translation which is not correct to be discussed in the House? Have you or your office found out whether the translation is correct or not?

MR. DEPUTY-SPEAKER : At this stage that does not arise.

THE MINISTER OF PARLIAMENTARY AFFAIRS, AND SHIPPING AND TRANSPORT (**SHRI RAGHU RAMAIAH**) : Mr. Deputy-Speaker, Sir, many hon. Members have expressed their desire to have a correct translation. It all depends on the actual working. Only on the basis of that we can make up our mind whether there is a *prima facie* case or not. It depends on the language used. All the leaders have expressed a desire to have a correct translation. We would like to have your direction on that matter.

MR. DEPUTY-SPEAKER : On this point the practice so far followed is that we have never circulated a translation. I have got the fact verified. In this case there is another difficulty because if a translation of this article is done by A or B it will be questioned. Is it possible for the Home Minister to circulate a translation of this article? That would be acceptable to all. The Home Ministry has got the necessary machinery also.

SHRI Y. B. CHAVAN : Normally we would have accepted it but in this particular case I would plead with you not to entrust this work to me.

श्री अटल बिहारी वाजपेयी : उपाध्यक्ष महोदय, आप इसे सूचना मंत्रालय को दे दें।

MR. DEPUTY-SPEAKER : Is it all right if someone from the Ministry of Information and Broadcasting does it? The Minister of Parliamentary Affairs may make the necessary arrangements for providing a translation.

SHRI RAGHU RAMAIAH : I have no staff to do it.

SHRI Y. B. CHAVAN : I would make a request. If at all you want an objective translation, you Lok Sabha Secretariat can secure the services of translators. Let it be a translation on behalf of the Lok Sabha Secretariat so that it will be accepted as objective translation.

SHRI H. N. MUKERJEE (Calcutta North-East) : Shri Nambiar has already conveyed to you certain difficulties in regard to this procedure you are suggesting about translations. I can understand the Committee of Privileges, if the matter is referred to it, having the translation made in whatever manner it thinks fit. But if you are going to start a new precedent in the House that a member who presents a matter before the House is to have his translation vetted by some authoritative body, then that would be going entirely against the conventions that we have passed. We have to take a member of this House on trust. Whether we trust X or Y or not is a different matter, but the convention in Parliament is that when a member produces a certain translation, *prima facie* we accept that translation. If, on the basis of that, the Privileges Committee refers it to verification, that is a different matter. But if you make it a condition precedent that a member who is bringing up any newspaper comment before this House would be under an obligation to have that translated by an authoritative agency, which would be acceptable to everybody, then you are making a mockery of the provisions in regard to privileges, as far as this is concerned. Therefore, if you do want an authoritative translation, it can be called for by the Committee of Privileges. As far as the translation which Shri Nambiar has

given us is concerned, I am prepared to believe him *prima facie*, subject to whatever corrections we may later find necessary. Sir, you happen to be a person who knows the Marathi language, but that is a matter of accident. On account of that, I am not going to let you have last say in this matter. I am going to trust a fellow member. That is the only basis on which privilege matter has been founded in this House. Therefore, do not take a step which goes against the conventions which have been built over the years.

MR. DEPUTY-SPEAKER : I have already mentioned the practice that we so far followed. Before referring a matter to a Committee of Privilege we should have a translation of the article which is under discussion. That translation is not before the members. I am not trying to change the practice. Members have to see the translation before taking a decision. So, it is a question of postponing it by a day. This is all.

SHRI VASUDEVAN NAIR (Peer-made) : Let us know whether yourself or somebody else is contesting that translation? There are so many hon. Members here who know Marathi. Are they really contesting the substance of the translation? Are they really doing that? If so, let us know that. Why these dilatory tactics on the part of the Minister of Parliamentary Affairs?

श्री अटल बिहारी वाजपेयी : जो अनुवाद किया गया है वह भी हमारे सामने नहीं है। परन्तु अनुवाद को किसी ने चुनौती नहीं दी है।

श्री तुलसी दास जाधव : जो ट्रांसलेशन मूल मराठी का है, उसको आपके आफिस ने तो तय किया है कि वह ट्रांसलेशन बराबर है।

MR. DEPUTY-SPEAKER : No, no, Shri Jadhav should remember one thing, Office has not given any opinion. Under the rules, we have permitted the raising of it. We have no opinion whatsoever in the matter.

SHRI TULSIDAS JADHAV : In order that the House may consider this

question, office has to find out whether it is a true translation or not. As long as it is not found out, how can we consider it?

SHRI NAMBIAR : There is a procedure laid down in rule 223.

SHRIMATI SHARDA MUKERJEE (Ratnagiri) : This privilege motion is not even on the agenda. Those of us who know Marathi had the opportunity of reading through it rapidly during the lunch break. So, we are not in a position to discuss it properly now. We may take Shri Nambiar's version; we are not questioning it. But, then, the Marathi language has, like other languages, certain natural connotations.

MR. DEPUTY-SPEAKER : Yes, every language has some subtleties.

SHRIMATI SHARDA MUKERJEE : I know that nothing personal is attributed to Shri Ramamurti. It is not a case for the Privileges Committee at all.

MR. DEPUTY-SPEAKER : I may tell Shri Mukerjee that it is not a question of questioning the hon. Member's translation. Shri Vajpayee's submission is that whatever translation he has made, that too is not before us. He has read out certain things.

SHRI NAMBIAR : That is always the case.

SHRI H. N. MUKERJEE : If it is the intention of the House to make it impossible for hon. Members to bring up privilege matters dependent upon extract from any editorials or comments by having a condition precedent that the whole thing should be satisfactorily translated and then presented, the whole procedure goes by the board. I am not concerned about the merits of this matter. As far as I have heard, I am not going to take any notice of that kind of an observation, but that is neither here nor there. I am standing on the matter of the right of a Member to bring up a matter of privilege. He could be thrown out by less than 50 Members supporting him; that is a different proposition. But he has a right to ask the opinion of the House. Once you say, "I postpone the matter to secure an authoritative translation", it is setting

[Shri H. N. Mukerjee]

a new precedent which you will have to follow later on. Are you ready to do so? Is the House ready to do so? I will not do it in the House. I will refer it for consultation in the Speaker's Chamber or somewhere before we can do something about it. That is why from the procedural point of view which in some regards is very important I would suggest that you should not take the step of having an authoritative translation made ready for the delectation of Shri Vajpayee and myself who are strangers to Marathi tomorrow or the day after. I would not care for that because that would be hurting the very basis of the principle.

श्री मधु लिमये (मुंगेर) : उपाध्यक्ष महोदय, मेरी समझ में नहीं आ रहा है कि आज ही अनुवाद पहले से परिचालित क्यों नहीं किया गया यह सवाल क्यों उठाया जा रहा है? भारतीय भाषाओं में प्रकाशित ग्रन्थों के बारे में यह विशेषाधिकार का सवाल कोई पहली बार नहीं आ रहा है। अभी तक किसी सदस्य ने भी, जब कभी यहां पर सवाल उठाये गये हैं, उसके अनुवाद के बारे में सन्देह प्रकट नहीं किया है। इसलिए अब अगर एक साधारण आक्षेप को लेकर इनको आप अड़ंगा डालने देंगे तो वह खराब बात होगी। यदि कोई सदस्य यह कहते कि नाम्बियार साहब ने जो अनुवाद किया है वह गलत है, तब तो, आप जरूर उसके ऊपर विचार कर सकते हैं लेकिन जब तक इस तरह का आक्षेप कोई नहीं उठाता है—चाहे कोई इस तरफ का सदस्य हो या उस तरफ का सदस्य हो—तब तक जो कहा जाता है उसके ऊपर विश्वास करना चाहिए।.....(व्यवधान)तो मैं यह कह रहा हूं कि जब तक इस तरह का कोई ठोस आक्षेप नहीं उठाया जाता है यह बितर्कवाद नहीं करना चाहिए।

दूसरी बात यह है कि मैं अपने को मराठी भाषा का बिद्वान तो नहीं समझता हूं लेकिन चूंकि वह मेरी मादरी बोलान है इसलिए

कुछ मराठी तो मैं भी समझता हूं। मेरे खयाल में इसमें ऐसे तीन वाक्य हैं जिनके बारे में नाम्बियार साहब को एतराज है। ठोंगी कहें, बदमाश कहें, हम डरने वाले नहीं हैं, वे जरूर कहें; मेरी राय में उसके ऊपर विशेषाधिकार का सवाल भी नहीं उठाना चाहिए। लेकिन एक बात तीन-चार जगह पर आई है, वह बहुत खराब लगती है। उस में यह गलत बताया गया है। पार्लमेंट में और पार्लमेंट के सदस्य, श्री राममूर्ति, श्रीराज नारायण, श्री भूपेश गुप्त, श्री अटल जी के द्वारा, और सभी लोगों के द्वारा शिव सेना को धिक्कारा गया है लेकिन किसी ने भी महाराष्ट्र की जनता कीबे इज्जती करने या उनको दोष देने का प्रयास नहीं किया है। तो महाराष्ट्र टाइम्स अगर सरकार की चालूसी करना चाहता है, उस को म्हाइतवाश करना चाहता है, वह चाहे केन्द्र की सरकार चापसूरी हो या महाराष्ट्र की सरकार हो, तो वह करें लेकिन अगर मराठी लोगों को बदनाम करने का प्रयास हुआ, महाराष्ट्र की जनता को इस दंगे-फसाद के लिए जिम्मेदार ठहराया गया यह कहना बिल्कुल गलत बात होगी और उससे इस पार्लमेंट के बारे में भी गलत फहमी हो सकती है। जिस प्रादेशिकता के जहर को हम सभी रोकना चाहते हैं, इसमें उसको फैलाने की बात होगी। मैं यह भी नहीं चाहता कि इस अलबार को दंडित किया जाये। अगर प्रिविलेज कमेटी के सामने वे सफाई दें और यह खुलासा प्रकाशित करें कि हमारे मन में यह बात नहीं थी और हम यह कबूल करते हैं कि पार्लमेंट के किसी सदस्य ने महाराष्ट्र या महाराष्ट्र की जनता को बदनाम करने का प्रयास नहीं किया है, तो फिर हम नहीं कहते कि उनके खिलाफ कोई कार्यवाही की जाये।

हां, यह सही है कि सरकार के ऊपर हमसा हुआ है। महाराष्ट्र की सरकार को और केन्द्र की सरकार को बदनाम करने का प्रयास हुआ यह भी कहा जा सकता है अगर

यह कहा जाता है तो मुझे कोई ऐतराज नहीं है लेकिन मैं पूरी ताकत के साथ कहता हूँ कि न राममूर्ति जी ने, न अटल जी ने और न ही और किसी दूसरे माननीय सदस्य ने जिन्होंने कि शिव सेना के ऊपर हमला किया है, उन में से किसी ने भी महाराष्ट्र के बारे या महाराष्ट्र की जनता के बारे में कुछ नहीं कहा है। इसलिए पार्लियामेंट के विवाद के बारे में गलत सलत बातें महाराष्ट्र में फैलाना उचित नहीं है क्योंकि इस से राष्ट्र की एकात्मकता में बाधाएं उत्पन्न होंगी।

MR. DEPUTY-SPEAKER : You are going into the merits.

श्री मधु लिमये : अब प्रीविलेज मोशन तो मॅरिट्स पर ही होता है।

MR. DEPUTY-SPEAKER : As I have already said, the practice followed is absolutely consistent. I have referred the matter and got the record clear. No Member, whenever he raises a point of this nature, was asked or the House gave a ruling that he should furnish a translation. The only thing is that the relevant part must be translated and, in making the submission, it should be made clear.

श्री मधु लिमये : अगर कोई ट्रान्सलेशन करने को तैयार नहीं है तो मैं करे देता हूँ। तीन मिनट में मैं अनुवाद किये देता हूँ। जिस को काटना हो वह काटे।

SHRI R. D. (BHANDARE : (Bombay Central) May I make a suggestion ? Before the permission of the House is taken on the motion, it is far more advisable that the Speaker himself may seek an explanation from the Editor.

श्री मधु लिमये : मैं भंडारे जी के सुझाव का समर्थन करता हूँ। वह ठीक कह रहे हैं।

SHRI R. D. BHANDARE : It has been done. Before the matter is allowed to be raised as a privilege motion by a Member, generally, the Speaker seeks an explanation from the Editor. I am not

thwarting the privilege motion. If there is a breach of privilege, I will be the first to support the motion, or the second after the mover of the motion. There are certain subtleties in a language. You will not allow me to go to the merits. There is misrepresentation that the Maharashtra people are mentioned there. That is not so.

MR. DEPUTY-SPEAKER : That course can be followed once the House gives permission.

SHRI R. D. BHANDARE. No, Sir.

श्री मधू लिमये : कोई जरूरी नहीं है। आप को अधिकार है सदन का सन्स लेकर करते का और आप ऐसा हजारों मतवा कर चुके हैं।

SHRI R. D. BHANDARE : It is no use taking advantage or disadvantage of either this rule or that rule. In the last period of 2 years, it has been done invariably by the Speaker on his own authority. Of course, it will be fought on its own merits. Before coming to any conclusion, you can do that.

श्री अटल बिहारी वाजपेयी : उपाध्यक्ष महोदय, एक रास्ता यह था कि अध्यक्ष महोदय अपने चैम्बर में यह निर्णय करते कि इस को सदन में लाने से पहले उस के सम्पादक से इस का स्पष्टीकरण मांग लेते। हालांकि सदन में यह मामला आ गया है फिर भी सदन यह आम राय से फैसला कर सकता है कि इस को प्रीविलेज कमेटी में भेजने के बजाय स्पीकर महोदय सम्पादक का ध्यान इस बात की ओर खींचे और उस से स्पष्टीकरण मांगें। मैं समझता हूँ कि उस से संतोष हो जाना चाहिए।

MR. DEPUTY-SPEAKER : With the permission of the House, I can do it. Does the House give permission to that ?

SEVERAL HON. MEMBERS : Yes.

श्री मधु लिमये : लेकिन वह मराठी जनता के बारे में। बाक़ी के बारे में हमारा आप्रह नहीं है।

MR. DEPUTY SPEAKER : That is

[Mr. Deputy-Speaker]

all right. What happened here, the whole thing, will have to be referred to him. The House has accepted the position that before seeking the permission of the House, the Speaker will write to the Editor concerned. The Speaker will do it in his chamber. So, that is disposed of.

SHRI NAMBIAR : My submission is that the editor of the same paper, the *Maharashtra Times* was once called by the Speaker and he had tendered an apology after 7th May, 1968.

MR. DEPUTY-SPEAKER : That would be a different matter.

SHRI NAMBIAR : This is happening for the second time. This paper has got a reputation for this...*(Interruptions)*

MR. DEPUTY-SPEAKER : We have already decided. With the proceedings, the whole matter will be referred to him. With the unanimous concurrence of the House, I am referring it to him.

Now we proceed to the next item.

RAILWAY BUDGET-GENERAL DISCUSSION—Contd.

MR. DEPUTY-SPEAKER : Now we resume general discussion on Railway Budget. Mr. Nar Deo Snatak was on his legs. Mr. Nar Deo Snatak.

श्री नरदेव स्नातक (हाथरस) : उपाध्यक्ष महोदय, रेलवे बजट पर दो दिन से इस हाउस में बहस चल रही है और करीब दो दिन और अभी इस पर बहस चलेगी ।

हमारे माननीय सदस्यों ने चाहे वह कांग्रेस पक्ष के हों या विरोधी दल के, उन्होंने अपने अपने विचार रेलवे बजट के बारे में रखे हैं ।

पिछले करीब 20 सालों से मैं लगातार रेलवेज में सम्बन्ध में यहाँ पर यह चर्चा सुनता आ रहा हूँ । विशेष कर यहाँ पर रेलवे बोर्ड के सम्बन्ध में काफ़ी अधिक आलोचना होती आई है । यह ठीक है कि

आगे भी इस तरीके से आलोचना होगी पहले भी हुई है और आगे भी होगी परन्तु रेलवे बोर्ड के जो अधिकारी हैं उन को आप बदल नहीं सकते । हम बदलना भी नहीं चाहते हैं । चाहे रेलवे बोर्ड कह दीजिये, रेलवे कमेटी कह दीजिये या रेलवे परिषद कह दीजिये उस को तो रखना ही है । अलबत्ता रेलवे बोर्ड के अधिकारियों से मेरा निवेदन है कि उनके ध्यान में यह बात आ जानी चाहिए कि समाजवादी व्यवस्था को इस देश में लाने के लिए उन को भी समाजवादी व्यवस्था में रहना होगा ।

यह ठीक है और हमारे विरोधी दल के माननीय सदस्यों ने भी कहा कि ऐयरकंडिशन में रहने वाले हमारे रेलवेज के अधिकारी सैलूस में चलते हैं, ऐयरकंडिशन फर्ट क्लास में चलते हैं, वह आलसी हैं और काम करने में लापरवाही बर्तते हैं इस लिए रेलवे बोर्ड को तोड़ देना चाहिए । लेकिन मेरा निवेदन है कि रेलवे बोर्ड को तोड़ने का कोई प्रश्न नहीं उठता । अलबत्ता उन से यह कहा जा सकता है कि उन्हें जो भारी सुविधाएं दी गई हैं जैसे ऐयर कंडिशन सैलूस में चलने की अथवा ऐयर कंडिशन कमरों में रहने की उन सुविधाओं में कुछ कमी कर दी जाये । यदि ऐसा किया जायेगा तो मैं समझता हूँ कि उस से उधर के हमारे माननीय सदस्य भी खुश हो जायेंगे और देश के लोग जो कहते हैं कि रेलवे बोर्ड के अधिकारी या मिनिस्टर्स लोग सिर्फ अपनी सुविधाओं को निरंतर बढ़ाने की तरफ ध्यान देते रहते हैं और आम जनता को सुख सुविधा पहुंचाने की उन्हें कोई चिन्ता नहीं रहती है वह उनकी आलोचना बहुत हद तक दूर हो जायेगी ।

यह देखने में आता है कि रेलवे बोर्ड के सामने केवल तीन बड़े शहर अर्थात् कलकत्ता, मद्रास और बम्बई ही रहते हैं

और जो भी सुविधाएं होती हैं वह घूम फिर कर इन्हीं तीन शहरों अर्थात् कलकत्ता, बम्बई और मद्रास में पहुंच जाया करती हैं और अन्य नगरों का ध्यान नहीं किया जाता है।

[SHRI GADILINGANA GOWD in the Chair]

रेलवे मंत्री महोदय ने इस साल जो रेलवे बजट रखा है उस में यह एक अच्छी बात है कि इस वर्ष उन्होंने रेलवे का यात्री भाड़ा या माल भाड़ा नहीं बढ़ाया है। सन् 69-70 के रेलवे बजट में उन के द्वारा लगभग दो करोड़ रुपये का मुनाफ़ा होने की सम्भावना प्रकट की गई है। यह एक शुभ लक्षण और स्वागत योग्य बात है और अगर इसी तरह से यह काम चला तो भ्रष्टाचारी करनी चाहिए कि 70-71 का जो रेलवे बजट आयेगा उस में हमारे रेल मंत्री जी इस से भी अधिक लाभ दिखला सकेंगे। साथ ही साथ रेलवे द्वारा ग्राम जनता को अर्थात् तीसरे दर्जे की जनता को अभी जो सुविधाएं प्राप्त नहीं हैं उच्च श्रेणी के लोगों को सुविधायें हैं। वे सुविधायें तीसरे दर्जे को भी मिल सकेंगी।

15 hrs.

यह देखने में आया है कि सन् 1950-1951 से लेकर 1967-68 तक के वर्षों के अन्दर तीसरी श्रेणी के किराये करीब 2½ अरब रु० का फ़ायदा हुआ और उच्च श्रेणी अर्थात् एअर कंडिशनड, प्रथम और द्वितीय, से लगभग 28 करोड़ रु० का लाभ हुआ है। परिणाम यह हुआ है कि 28 करोड़ रु० का लाभ जिन से हुआ है उन्हें ज्यादा सुविधायें और 2½ अरब रु० का फ़ायदा जिन से हुआ है, अर्थात् तृतीय श्रेणी वाले, उन को कोई सुविधा नहीं, कोई आराम नहीं, कोई सुख नहीं। मैंने देखा है कि जब गाड़ी प्लेटफ़ॉर्म पर आती है, तब तीसरे दर्जे वालों की इस प्रकार भीड़ होती है कि

डब्बों के दरवाजों में घुसने और खिड़कियों से लटकने के बाद जब वह उस के अन्दर पहुंचते हैं तब खड़े रहने को भी जगह नहीं मिलती। मैं नहीं कहता कि गाड़ी में आराम से यात्रा करने को मिले, मैं तो केवल यही कहता हूं कि उन को बैठने के लिये डेढ़ फीट जगह मिल जाये। इस देश के अन्दर एअर कंडिशनड, फ़र्स्ट क्लास और द्वितीय श्रेणियों के यात्री आराम से सोते हुए जाते हैं जब कि जिन लोगों से ढाई अरब रुपयों को लाभ होता है वह खड़े हुए यात्रा करते हैं, उन को बैठने की भी जगह नहीं मिलती।

मैं मंत्री महोदय से कहना चाहता हूं कि तीसरे क्लास के जो डब्बे हैं जब वह यात्रा के लिये चलते हैं तब उन में अन्धकार होता है, उन में प्रकाश नहीं होता है। गर्मी के दिनों में प्यास के कारण वह लोग परेशान हो जाते हैं लेकिन पीने को पानी भी नहीं मिलता। भेड़ बकरियां की तरह वह तीसरे क्लास के डब्बों में घुसते हैं और खड़े रहते हैं। यह मैंने इसी देश में देखा है कि जो थर्ड क्लास के पैसेन्जर हैं, जिन से सब से अधिक आय होती है वह परेशान होते हैं, और अमानुषिक स्थिति में यात्रा करते हैं जब कि ऊंचे दर्जे के यात्रियों को, जिन से कम से कम इनकम होती है उन को आराम मिलता है।

मेरा सुझाव है कि चाहे मिनिस्टर हो या रेलवे के अधिकारी हों या जो एअर कंडिशनड श्रेणी में चलने वाले यात्री हो, उन की सुविधाओं में कमी की जाये, जो लोग सैलून में चलते हैं उन को भी वह सुविधा न रहे। मैं समझता हूं कि हमारे मंत्री महोदय के दिमाग में भी यह बातें होगी और वह भी चाहते होंगे कि रेलवे बोर्ड के सदस्यों और अधिकारियों जो सैलून मिलते हैं, मिनिस्टर्स को जो सैलून दिये जाते हैं, उन के बजाय वह फ़र्स्ट

[श्री नरदेब स्नातक]

क्लास में चले। चाहिये तो यह था कि देश की समाजवादी व्यवस्था के अन्दर एक ही क्लास हो। वह भारतीय हैं और एक ही श्रेणी में उन को चलना चाहिये। यह ठीक है कि उन को आराम मिलना चाहिये, जैसे महात्मा गांधी हमेशा थर्ड क्लास में चलते थे, लेकिन उन को आराम भी मिल जाता था और जनता भी खुश होती थी। उसी तरह से हमारे मंत्रियों को, गवर्नरों को और रेलवे के अधिकारियों को भी सैलून छोड़ देने चाहिये। हमारे संसद-सदस्यों को भी चाहिये कि वे थर्ड क्लास में चलें। उन के लिये फर्स्ट क्लास की क्या आवश्यकता है? यदि इस प्रकार की व्यवस्था की जायेगी तो स्वाभाविक है कि हमारे देश की गरीब जनता है, उस पर इस का असर पड़ेगा और वे कहेंगे कि हमारे मंत्री और हमारी सरकार वह इस दिशा में प्रयत्न कर रही हैं।

इस रेलवे को 116 वर्ष हो गये और देश में सब से बड़ा उद्योग घन्घा रेलवे का है, उस पर अरबों रुपये खर्च होते हैं। मैं समझता हूं कि दुनिया में यही एक देश है जिस में रेलों का इतना बड़ा विस्तार है, परन्तु इस विस्तार के साथ शायद सुविधायें दुनिया में यहां सब से कम हैं। आप ने कहा है कि हम ने संचालन व्यय 588 करोड़ से बढ़ा कर 665 करोड़ कर दिया है, और आप चाहते हैं कि रेलों को लाभप्रद बनायें और आगामी वर्षों में आवश्यक योजनाओं को पूरा किया जाये। यह ठीक है, लेकिन यह सब होते हुए भी जो तीसरे क्लास की जनता है, उस को ज्यादा से ज्यादा आराम मिलना चाहिये।

एक और बात है। जब देश एक है और एक ही सरकार द्वारा संचालित होता है, तब मैं ने देखा है कि उत्तर और दक्षिण में बड़ा भेद है। पिछले साल यानी 1968-69

में 22 से ऊपर सर्वेक्षण किये गये जिन में से 15 ऐसे हैं जिन का सम्बन्ध मद्रास, आन्ध्र, उड़ीसा, और महाराष्ट्र-गुजरात से है जिन से हैदराबाद, अहमदाबाद बंगलोर में बड़ी नई लाइनें बनाकर, मीटर को बड़ी बदल कर या छोटा वैकल्पिक मार्ग दे कर उन नगरों को सम्बन्धित किया जायेगा। यथा गुन्तूर-माचर्ला को मीटर से बड़ी में और नीडकूड़े को नई बड़ी से हैदराबाद को मिलाना। इधर राजस्थान में डूंगरपुर हो कर पालमपुर तक की पट्टी 400 मील लम्बी बिना रेल पड़ी हुई है। कोटा से चित्तौड़गढ़ और अजमेर के बीच 200 मील के दो अन्तर हैं। एटा रेल मथुरा से बिना मिले व्यर्थ पड़ी है और घाटे का कारण बनी है। गोहाना को पानीपत से न मिलाने के कारण हरियाना के लोग 100-100 मील का चक्कर काट कर चण्डीगढ़ पहुंच पाते हैं। इसी तरह से 1969-70 में जो 15 से ऊपर सर्वेक्षण किये जायेंगे उन में दस दक्षिण रेलों को गये हैं जिन में 3 नई रेलों के और सात दोहरी पट्टी या मीटर को बड़ी लाइन में बदलने के हैं। दो महाराष्ट्र और उड़ीसा को गये हैं। इन लाइनों का विस्तार 1000 मील है। उत्तर में शकूरबस्ती से रोहतक और गढ़ी हरसरू से कुल 50 मील के दो टुकड़े दोहरे होंगे। दो सामरिक हैं जिन को यात्री सुविधा से नहीं जोड़ा जा सकता। यह स्थिति है पक्षपात की उत्तर और दक्षिण भारत में।

मैं ने देखा कि दक्षिण भारत में 20 जोड़े जनता एक्सप्रेस चल रही हैं, पर हमारे उत्तर भारत में सिर्फ पांच जनता एक्सप्रेस हैं। जब हम कहते हैं रेलवे मंत्री से और रेलवे बोर्ड के अधिकारियों से कि क्या दक्षिण भारत में ही सारी एक्सप्रेस गाड़ियां चलेंगी? जब दक्षिण भारत में बीस बीस जोड़े चलते हैं तब उत्तर भारत में भी एक घाघ बढ़ाइये, तब वह कहते हैं कि नहीं साहब, यहां पर

[श्री नरदेव स्नातक]

माल गाड़ी को वरीयता दी जायेगी क्योंकि यहां अनाज पहुंचाना है, चारा पहुंचाना है। इस बहाने से वह उत्तर भारत में एक भी गाड़ी चलाने को तैयार नहीं हैं, जब कि दक्षिण भारत में बीस बीस एक्सप्रेस गाड़ियां चलाई जाती हैं। मेरा मंत्री महोदय और रेलवे बोर्ड के अधिकारियों से कहना है कि उत्तर-दक्षिण, पूर्व-पश्चिम का भेद न हो कर जहां जैसी आवश्यकता है उस तरह से सुविधायें दी जानी चाहिये।

हिन्दी भाषा-भाषी जितने हमारे प्रान्त हैं, चाहे राजस्थान हो, चाहे उत्तर प्रदेश हो, चाहे बिहार हो, चाहे मध्य प्रदेश हो, उन के साथ बड़ा अन्याय होता है। मेरा निवेदन है कि यदि आप चाहते हैं कि रेलवे की सुविधायें सारे देश को एक समान मिलें, तो आप को इस नीति में परिवर्तन करना ही होगा। यहां पर उत्तर और दक्षिण का कोई प्रश्न नहीं है। जहां जिस तरह की आवश्यकता हो, वहां उस तरह की ज्यादा से ज्यादा सुविधायें मिलनी चाहिये।

मैं ने यहां बतलाया कि तीसरे दर्जे के लोगों को जहां बड़ी असुविधायें होती हैं, उसके साथ ही साथ गाड़ियों के लेट आने जाने की बड़ी शिकायतें हैं, खासकर उत्तर भारत में जो लोग मात्रा करते हैं उन को बड़ी कठिनाई होती है। उत्तर भारत में दो, चार और छः छः घंटे लेट गाड़ियां चलती हैं। पड़ोसी पाकिस्तान के कारनामे इस तरह से हम को याद आ जाते हैं। मेरे एक मित्र कराची से आये थे। उन्होंने वहां की एक घटना सुनाई कि कराची के लोगों को कितनी परेशानी है। वहां पर दस-दस, बारह-बारह घंटे गाड़ियां लेट चलती हैं। एक बार का किस्सा उन्होंने सुनाया कि वह कराची से आ रहे थे। चूँकि हमेशा गाड़ी 6-8 घंटे लेट आया करती थी इस लिये वह तैयार हो कर आये थे सारा दिन बैठने के लिये। जब

वह अपने वीवी बच्चों को ले कर और सामान के साथ स्टेशन पहुंचे और कुली से पूछा कि गाड़ी कितनी लेट है,—क्योंकि उन्होंने सोचा कि वह आठ-दस घंटे लेट तो अवश्य होगी ही—तो कुली ने कहा कि तैयार खड़ी है छूटने के लिये। उन्होंने कहा आज क्या बात हो गई कि यह ठीक समय से जा रही है? कुली ने जवाब दिया कि यह सिर्फ चौबिस घंटे लेट है, यह कल की गाड़ी आज जा रही है। उन्होंने मुझे कहा कि आप का देश तो अच्छा है। यहां दो, चार और छः घंटे गाड़ी लेट आती है, हमारे यहां तो लेट होने का कोई ठिकाना ही नहीं है।

एक बार एक सफर में एक रेलवे अधिकारी से मेरी बात चीत हो रही थी। मैंने उन से कहा कि रेलवे इतना बड़ा देश का उद्योग है, और लोगों को काफी परेशानी होती है, यह भी ठीक है, लेकिन गाड़ियों के लेट होने की जो बात है वह मेरी समझ में नहीं आती। वह बोले कि आप जानते हैं कि करोड़ों और अरबों रुपये लगा कर सरकार ने बड़ी बड़ी बिल्डिंगें बनवाई हैं, रेस्टोरेन्ट खोले हैं, रिटायरिंग रूम बने हुए हैं, चाय का इन्तजाम है, पढ़ने के लिये पुस्तकें हैं, न्यूज-पेपर्स हैं। यह आखिर किस लिये हैं? यह इस लिये बनाये गये हैं कि रेलों के लेट आने पर आप आराम से वहां बैठें, और बैठ कर लिखें पढ़ें। हम ने कहा कि आप ने बड़ी अच्छी दलील दी। वह बोले कि अगर राइट टाइम पर गाड़ी आये तब इन चीजों की क्या जरूरत है? टिकट लिया और पांच छः मिनट में गाड़ी पर जा कर बैठ गये। ट्रेन लेट नहीं आती है तब क्या जरूरत है रेस्टोरेन्ट की, क्या जरूरत है रिटायरिंग रूम को, क्या जरूरत है न्यूजपेपर वगैरह की? मैं मंत्री महोदय से कहना चाहता हूं कि आप की जो गाड़ियां लेट चलती हैं उन के समय पर भी आपका नियन्त्रण होना चाहिये।

अब मैं कुछ अपने क्षेत्र के बारे में बतलाना चाहता हूँ। हाथरस जहाँ से चुन कर मैं आता हूँ वह उत्तर भारत में तिलहन की धौर घी की सब से बड़ी मंडी है।

वह बहुत बड़ा विजिनेस सेंटर है। उस में तीन चार स्टेशन आते हैं। एक हाथरस किला है, एक सिटी है, एक जंकशन है और एक मँडू है। लेकिन उन का कोई डायरेक्ट सम्बन्ध अलीगढ़ या दिल्ली से नहीं है। वहाँ पर जो छोटी छोटी गाड़ियाँ हैं उनका कोई समय नहीं होता है। जो व्यवसायी हैं और जो विद्यार्थी हैं उनको बड़ी परेशानी का सामना करना पड़ता है। एक लाख के करीब की हाथरस की जन संख्या है। उन को अलीगढ़ पहुँचाने की कोई सुविधा नहीं है। ये तीन चार जो स्टेशन है, अगर इन का डायरेक्ट सम्बन्ध अलीगढ़ से कर दिया जाए तो बहुत सुविधा लोगों को हो जाएगी। अगर हाथरस सिटी को अलीगढ़ और अलीगढ़ को दिल्ली से मिला दिया जाए तो आपकी बड़ी कृपा होगी।

जब डा० राम सुभग सिंह जी स्टेट मिनिस्टर आफ रेलवेज थे तब उनसे निवेदन किया था कि मेरे निर्वाचन क्षेत्र में एक स्थान सिकन्दरा राव का है जोकि तहसील हैडक्वार्टर है। वह एम० एल० ए०, एम० पी०, एम० एल० सी० का निवासस्थान भी है। वहाँ पर 13 अप और 14 डाउन एक्सप्रेस लखनऊ से आगरा तथा आगरा से लखनऊ रुकवाने के लिए मैंने उनसे निवेदन किया था। केवल 2 मिनट रुकने के लिए उनको मैंने कहा था और कहा था कि अगर ये गाड़ियाँ दो मिनट के लिए वहाँ खड़ी कर दी जाएं तो बहुत सुविधा हो सकती है। वहाँ की लगभग 70 हजार की आबादी है। बहुत बड़ा शहर है। लेकिन इस ओर कोई ध्यान नहीं दिया गया है। इससे आसपास के गांव वालों को बड़ी असुविधा होती है। अब होता ऐसा है कि कासगंज या हाथरस

जंकशन पहुँच कर तब गाड़ी कोप कड़ा जा सकता है और इस में एक दिन लग जाता है। अगर दो मिनट के लिए गाड़ी को खड़ी कर दिया जाए तो बहुत सुविधा जनता को हो सकती है। दस वर्ष से हम गाड़ी रुकने की यह मांग करते आ रहे हैं। डेपुटेशन भी आपके पास आए हैं लेकिन कोई सुनवाई नहीं हुई है। मैं चाहता हूँ कि इस ओर भी ध्यान दें।

अलीगढ़ शहर उत्तर भारत के प्रमुख शहरों में से एक है। वहाँ पर मुस्लिम विश्वविद्यालय है। कई डिग्री कालेज हैं और संसार में ताला उद्योग का सब से बड़ा केन्द्र है। वहाँ पर कोई रिटायरिंग रूम नहीं है। पुराने समय का वह स्टेशन बना हुआ है। वहाँ पर कोई सुविधायें नहीं हैं। मैं चाहता हूँ कि इस स्टेशन की ओर भी आपका ध्यान जाना चाहिये।

वृंदावन एक प्रमुख तीर्थ स्थान है। घोष साहब जो रेल मंत्रालय में हैं वह बंगाल के रहने वाले हैं। वह इसके महत्व को जानते होंगे। दिल्ली से मथुरा जाएं नो वृंदावन रोड बीच में पड़ता है। वह वृंदावन से दो ढाई मील के फासले पर है। दिल्ली से जो गाड़ी जाती है अगर उसको वृंदावन रोड से हो कर डाइवर्ट करके भेज दिया जाए ताकि वृंदावन भी बीच में पड़ जाए, तो जनता को बहुत सुविधा हो जाएगी। जो यात्री वहाँ जाते हैं, उनको बहुत सुविधा हो जाएगी। वह भारत का एक महत्वपूर्ण तीर्थ स्थान है। इस दो तीन मील के टुकड़े को अगर जोड़ दिया जाए तो बहुत भ्रष्टा होगा। इस सम्बन्ध में प्रतिवेदन भी दिये गये हैं, डेपुटेशन भी जा कर मिले हैं लेकिन कोई ध्यान नहीं दिया गया है। पचास लाख लोग प्रतिवर्ष वहाँ आते जाते हैं। हमारे देश की जनता धर्म प्रचाम मानी जाती है। मथुरा वृंदावत संस्कृति और सम्पत्ता का केन्द्र है। उसकी तरफ तो आप का ध्यान जाना ही चाहिये।

हमारे जो तीन मंत्री इस विभाग के हैं वे ब्रह्मा, विष्णु, महेश के समान हैं। वे कर्ता, धर्ता और हर्ता भी हैं। भारी भरकम भी हैं। पहले जब हल्के, फुल्के मंत्री हुआ करते थे तब गाड़ियां उछलती चलती थीं। लेकिन अब तो ऐसी बात नहीं होनी चाहिये। अब डाक्टर राम सुभग सिंह जी के पास रेल मंत्रालय पूरी तरह से आ गया है। इन्होंने बिना किराया बढ़ाये हुए, बिना माल भाड़ा बढ़ाये हुए दो करोड़ का मुनाफा दिखा दिया है। जहां पर अरबों की सम्पत्ति लगी हो, वहां पर दो करोड़ का मुनाफा बहुत मामूली सा मुनाफा है और कोई बहुत बड़ी विशेषता नहीं रखता है। मैं आशा करता हूं कि 1970-71 का जब वह बजट पेश करेंगे, उस में इससे भी ज्यादा आमदनी दिखाई जाएगी और मुनाफा भी ज्यादा दिखाया जाएगा और साथ ही साथ तीसरे दर्जे के यात्रियों की सुख-सुविधाओं के बारे में, उनके प्रवास के बारे में, उनके बैठने के बारे में, ध्यान दिया जाएगा। उनके लिए बैठने की जगह का प्रबन्ध अवश्य किया जाना चाहिये। ऐसा नहीं होना चाहिये जैसे बीस वर्षों से होता आ रहा है कि इधर से सुना जाता है और उधर से निकाल दिया जाता है। यदि आप चाहते हैं कि हमारे देश की रेलों का दुनिया में नाम हो और ये अधिक उपोगी सिद्ध हों तो आपको तीसरे दर्जे के यात्रियों की सुविधाओं का ध्यान रखना होगा।

इन शब्दों के साथ मैं आपको धन्यवाद देता हूं और आशा करता हूं कि मंत्री महोदय अगले वर्ष और ज्यादा मुनाफे का बजट पेश करेंगे।

श्री जार्ज फरनेडीज (बम्बई-दक्षिण) : रेलवे बोर्ड की ओर से एक मासिक पत्रिका निकलती है जिस का नाम है, इंडियन रेलवेज। जो नया नया घंक उसका निकला है उस में हमारे नए रेल मंत्री डा० राम सुभग सिंह का एक अल्प जीवन चरित्र

छपा है। अल्प जीवन चरित्र चाहे छपे इस में मुझे को एतराज नहीं है। लेकिन रेलवे बोर्ड के अफसर कितने चाप्लूस होते हैं और कितना झूठ होता है, उसका एक नमूना है यह अल्प जीवन चरित्र। अगर आप इस को पढ़ोगे तब आप को पता चलेगा कि इस में क्या लिखा है। इस में डा० राम सुभग सिंह की तारिफ करते हुए कहा गया है कि अब तो वह पूरे पूरे रेल मंत्री बन गए हैं लेकिन पहले जब वह आधे रेल मंत्री थे और हमारे मित्र एस० के० पाटिल साहब पूरे रेल मंत्री थे तब भी असल में आप ही रेल गाड़ियों को चलाते थे। पता नहीं पाटिल साहब के जाने के बाद अब पाटिल साहब का अपमान करने की हिम्मत रेलवे बोर्ड में आ गई है या सचमुच आपकी तारीफ करने के लिए उसने यह चीज लिखी है। लेकिन एक नमूना है जो मैं आपके सामने पेश करना चाहता हूं यह बतलाने के लिए कि असल में रेलवे चलाने वाले न तो पाटिल साहब थे और न ही आप हैं, असल में तो रेलवे चलाने वाले रेलवे बोर्ड के ही लोग हैं।

मैं बतलाना चाहता हूं कि रेलों को किस ढंग से चलाना है, नीति किस तरह की बनानी है यह काम रेलवे बोर्ड ही करता आ रहा है और मंत्री लोग जो कुछ भी वह कहता है, उसको यहां आ कर कहने का काम ही करते आ रहे हैं। अगर कभी वे अपने मन की बात यहां पर कहते भी हैं तो हमेशा रेलवे बोर्ड वाले लोगों ने उसको काटने का ही काम किया है। जैसे अपने भाषण में आपने बम्बई की हालत को बताते हुए कहा है :

“The Bombay railways are also studying the feasibility of running twelve coach suburban trains which would substantially relieve peak hour overcrowding.”

मैं समझता हूं कि मंत्री महोदय के मन में यह बात थी कि बम्बई में लोगों को

[श्री जार्ज फर्नेडीज]

सुबर्बान गाड़ियों को ले कर जो परेशानी है, उसको दूर किया जाना चाहिये। वहां तो आपकी यह तकरीर होती है और दूसरे दिन अखबारों में छपती हैं लेकिन तीसरे दिन रेलवे बोर्ड का कोई अफसर कहता है कि रेल मंत्री ने जो कुछ कहा है उस में कोई तथ्य नहीं है, बारह कौच की गाड़ी बम्बई में चल ही नहीं सकती हैं। आप भ्रंदाज्ञा लगाइये कि किस तरह से लोगों को गुमराह करने का और भूठा आश्वासन दिलाने का काम रेलवे बोर्ड वाले मंत्री महोदयों के मुंह से करवा लेते हैं ताकि अगर कल बदनामी होनी हो तो मंत्री महोदय की हो और इनकी जान बच जाए और लोग कहें कि मंत्री महोदय ने दिया हुआ आश्वासन पूरा नहीं किया है।

रेलवे बजट को ले कर जैसे लोग जो टीका टिप्पणी करते आए हैं, उसको देखते हुए अगर कहीं सरकार का कुछ सुधार करने का विचार होता तो पिछले कई बरसों में कई सुधार के काम वह कर सकती थी। अभी हमारे पहले वाले माननीय सदस्य ने तीसरे दर्जे के यात्रियों की शिकायतों के बारे में कहा है लेकिन हर साल कहने के बावजूद भी उनको दूर नहीं किया जाता है। रेलवे बजट जब पेश हुआ तब इसकी सभी लोगों ने तारीफ की। हमारे दल के लोगों ने भी इसकी तारीफ की और कहा कि किराया तो नहीं बढ़ा है। यह तो ऐसे है जैसे जब रेल बजट पेश होना हो तब हम इसी बात का इन्तजार करें कि किराया बढ़ने वाला है या नहीं बढ़ने वाला है और इसी एक चीज को हमें रेलवे बजट में देखना चाहिये। क्या देश और लोगों को रेल मंत्री से इस बात की अपेक्षा नहीं करनी चाहिये कि रेल में जाने वाले यात्रियों को सुविधायें भी मिलें? यात्रियों को सुविधायें प्रदान करने की जो

बात है, उनकी तकलीफों को दूर करने की जो बात है, क्या बजट के समय पर उस सब के बारे में कोई खुलासा, कोई नई रोशनी डालने का काम मंत्री महोदय की ओर से नहीं होना चाहिये?

आंकड़ों के अनुसार थर्ड क्लास में यात्रा करने वाले लोग रेलवेज को हर रोज 65,00,000 रुपये, एयर-कन्डीशन्ड डिब्बों में यात्रा करने वाले केवल 60,000 रुपये और फ़र्स्ट क्लास में यात्रा करने वाले बड़ी मुश्किल से 5,00,000 रुपये देते हैं। लेकिन आप हिन्दुस्तान के किसी भी कोने में, किसी भी रेल गाड़ी में, किसी भी रेलवे स्टेशन पर जा कर देखिये कि रेलवेज को रोज 65,00,000 रुपये देने वाले थर्ड क्लास के प्रवासियों और सिर्फ 60,000 रुपये रोज देने वाले एयर-कन्डीशन्ड के प्रवासियों या मुश्किल से 5,00,000 रुपये रोज देने वाले फ़र्स्ट क्लास के प्रवासियों में से किस आदमी की क्या कद्र होती है, क्या इज्जत होती है और उस को क्या सुविधा मिलती है।

वास्तव में भारतीय रेलों का मामला इतना बिगड़ा हुआ है कि इस का इलाज केवल यह कह देने से ही नहीं होगा कि थर्ड क्लास के मुसाफ़िरों को ज्यादा सुविधायें दी जायें। अगर मंत्री महोदय इस का इलाज करना चाहते हैं, अगर कांग्रेस पार्टी के वे लोग, जिन के मन में थर्ड क्लास के प्रवासियों के बारे में कुछ रहम है—उन की हालत इतनी खराब है कि मुझे रहम की बात कहनी पड़ रही है—, थर्ड क्लास के प्रवासियों पर कुछ रहम करना चाहते हैं, तो उस का इलाज एक ही है कि हिन्दुस्तान में एयर-कन्डीशन्ड, फ़र्स्ट क्लास और सैकंड क्लास को ख़त्म कर के एक ही क्लास, जनता क्लास, बनाई जाये। ऐसा करने पर ही रेलवेज में कुछ सुधार होगा, बर्ना नहीं। जिन लोगों के हाथों में आज सत्ता है—रेलवे बोर्ड के लोग और मंत्री लोग, वे

[श्री जार्ज फरनेंजीज]

एयर-कन्डीशन्ड सैलूनज के बाहर कभी यात्रा करते नहीं हैं।

रेलवे मंत्री (डा० राम सुभग सिंह) : यह गलत है।

श्री जार्ज फरनेंजीज : रेलवे के मामूली अफसर—बड़े अफसरों की बात छोड़िये, मामूली अफसर—भी एट-व्हीलर और सिक्स्टीन-व्हीलर सैलूनज में यात्रा करते हैं। फिर भी मंत्री महोदय कहते हैं कि मेरी बात गलत है। आज रेलवेज के पास एक नहीं, आठ सौ सैलूनज हैं। अगर उन सैलूनज को रेल के डिब्बे बना कर पटरी पर लाया जाये, तो सरकार सौ नई गाड़ियां रोज ला सकती है और लोगों की वर्तमान तकलीफों को दूर कर सकती है।

इस लिए मैं केवल रेलों में लोगों की तकलीफें बताने तक ही सीमित नहीं रहूंगा, सरकार से मेरी सीधी मांग है कि वह अभी से रेलवेज में वर्ग-भेद को नष्ट करने के बारे कदम-उठाना शुरू करे। मंत्री महोदय इन्डियन रेलवेज एक्ट से परिचित होंगे। इस एक्ट के अनुसार हिन्दुस्तान की निजी रेलवे कम्पनियों पर यह बन्धन है कि जो कोई मुसाफिर टिकट खरीदे, उस को बैठने के लिए जगह देना उन कम्पनियों का फर्ज है। लेकिन सरकारी रेलवे को इन्डियन रेलवेज एक्ट की इस धारा से अलग रखा गया है। सरकार से मेरी मांग है कि जब तक वह रेलवेज के वर्ग-भेद को नष्ट नहीं कर पाती है, तब तक वह इन्डियन रेलवेज एक्ट को तत्काल एमेंड करे, जब तक उस को एमेंड नहीं किया जाता है, तब तक इस बारे में एक अध्यादेश जारी किया जाये कि जिस किसी को भी टिकट दिया जायेगा, चाहे वह बैठने का हो और चाहे सोने का, उस को जगह देना रेलवेज की जिम्मेदारी है और उस जिम्मेदारी को सरकार स्वीकार करे। रेलवेज लोगों को छूटती रहे और उन से प्राप्त पैसे से एयर-कन्डीशन्ड और फर्स्ट क्लास का इन्तजाम करें, उन के यात्रियों

को अधिक सुविधायें दें, देश की जनता उस अन्याय को बर्दाश्त करती रहे और बम्बई जैसे शहरों की जनता गाड़ियों को जलाती रहें, अगर सरकार यही तरीका चलाना चाहती है, तो मैं नम्रतापूर्वक कहना चाहता हूं कि यह तरीका ज्यादा दिन तक नहीं चलेगा।

जहां तक बम्बई का सम्बन्ध है, हम ने देखा है कि रेलवेज के बारे में वहां के लोगों को जो शिकायतें और गुस्सा है, उस को ले कर रेलवे स्टेशनों पर गड़बड़ होती है। चन्द दिन पहले बम्बई में जो गड़बड़ हुई, उस में भी रेलवे स्टेशन पर हल्ला हुआ। लोगों को गुस्सा है कि रेल-गाड़ियों में, सबर्बन गाड़ियों में, खड़े रहने के लिए भी जगह नहीं मिलती है। हम ने यह भी देखा है कि अगर कोई गड़बड़ होती है और एक-आध डिब्बा जल जाता है, तो तत्काल रेल-गाड़ियों की संख्या कम कर दी जाती है। यानी लोगों के गुस्से को रोकने और कम करने के स्थान पर बैस्टन और सेंट्रल रेलवे के अफसर उस गुस्से को भड़काने और बढ़ाने का काम करते हैं। वे गाड़ियों के डिब्बों पर लिख देते हैं कि इस गाड़ी में सिर्फ छः या आठ डिब्बे इस लिए हैं कि किसी ने एक डिब्बा जला दिया है। बम्बई शहर के लोगों को गाड़ियों के बारे में जो परेशानी है, मंत्री महोदय के भाषण में इस बारे में जो बातें कही गई हैं, उन से मैं नाखुश हूं। मैं मांग करूंगा कि वह तत्काल बम्बई के मुसाफिरों, रेलवे के अफसरों, बम्बई महानगर-पालिका के लोगों और अन्य सभी सम्बन्धित लोगों के साथ बम्बई में एक दो दिवस बैठें और यह तय करें कि उन लोगों की परेशानियों को दूर करने के लिए क्या कदम उठाए जाने चाहिए।

मैं चाहता था कि स्वतंत्र पार्टी के माननीय सदस्य इस समय यहां पर होते। माननीय सदस्य, श्री लोबो प्रभु, को रोज

यह शिकायत रहती है कि मेरे जैसे लोग मजदूरों के मसलों को ले कर बहुत ज्यादा चिल्लाते हैं और उन का कहना है कि ऐसा नहीं करना चाहिए । पिछले साल 19 सितम्बर को रेलवे कर्मचारियों की हड़ताल हुई । उस हड़ताल को खत्म करने के लिए चौदह रेल कर्मचारियों को जान से मार डाला गया और हजारों रेल कर्मचारी अभी भी सड़कों पर हैं । मैं माननीय सदस्य से यह जानना चाहता हूँ कि क्या उन के मन में रहम है और क्या वह इस बारे में कुछ करना चाहेंगे ।

माननीय मंत्री से मैं यह जानना चाहूंगा कि रेल की जो हड़ताल हुई, उस से सरकार का कितना नुकसान हुआ । स्वतंत्र पार्टी और सरकारी पार्टी के कुछ लोगों की शिकायत होती है कि यदि हड़ताल हुई, तो लोगों का नुकसान होता है और देश की पैदावार का नुकसान होता है । मैं मंत्री महोदय को यह बताना चाहता हूँ कि रेलवे बोर्ड की पिछले साल की रपट के अनुसार 1966-67 में रेलवे में हड़ताल के कारण 4,157 दिन बर्बाद हो गये और 1967-68 में 9,303 दिन बर्बाद हो गये । उस में लिखा है : “टोटल नम्बर आफ मैन-डेज लास्ट एज ए रिजल्ट आफ स्ट्राइक, 1966-67 : 4,157” और “1967-68 : 9,303” ।

लेकिन इस की तुलना में मजदूरों की लाचारी और बीमारी के कारण कितने दिन बर्बाद हो गये, क्या इस के आंकड़े स्वतंत्र पार्टी वालों ने देखे हैं ? इलनेस, बीमारी, के कारण 1966-67 में 1,48,71,000 दिन बर्बाद हो गये और 1967-68 में वे बढ़कर 1,60,01,000 दिन हो गये । यह कहा जा सकता है कि बीमारी तो हर जगह होती है । लेकिन हेल्थ मिनिस्ट्री का कहना है कि हिन्दुस्तान में लोगों का स्वास्थ्य सुधरता जा रहा है और लाइफस्पैन बढ़ता जा रहा है ।

मैं टी० बी० जैसी बीमारी से मरने वालों की संख्या सदन के सामने रखना चाहता हूँ । टी० बी० से मरने वालों की संख्या रेलवेज में बढ़ रही है, मंत्री महोदय की जानकारी में यह बात आई है या नहीं और रेलवे बोर्ड ने ये आंकड़े उन के सामने रखे हैं या नहीं, यह मैं नहीं जानता हूँ । रेलवेज में 1965-66 में टी० बी० के कारण 513 मजदूर मरे, 1966-67 में 553 मजदूर मरे और 1967-68 में 587 मजदूर मरे । रेलवेज में हर साल टी० बी० के कारण पच्चीस तीस ज्यादा मजदूर मर रहे हैं । ये गरीब मजदूर हैं, जिन के बारे में ये लोग न कभी सोच सकते हैं और न विचार कर सकते हैं ।

अभी चन्द दिनों के पहले पब्लिक एकाउंट्स कमेटी ने यह रपट पेश की है, उस में उन्होंने यह कहा है कि रेलवे में मजदूरों की संख्या बहुत ही बढ़ी है, उस को घटाना चाहिए । अब वह बढ़ी या घटी उन के कहने के मुताबिक, उस पर तो मैं इस समय नहीं जाऊंगा । लेकिन एक बात कहना चाहूंगा कि रेलवे के अफसरों ने पब्लिक एकाउंट्स कमेटी को जो बताया उस में उन्होंने यह कहा कि हम लोग इन की संख्या काफी घटाने के काम में लगे हैं और असल में संख्या यह लोग घटा रहे हैं । लेकिन किस की संख्या घटा रहे हैं ? क्लास फोर की संख्या घटा रहे हैं और पिछले साल में साढ़े तीन हजार क्लास फोर की संख्या घटाई गई । क्लास थर्ड की संख्या बहुत मामूली सी बढ़ गई । साढ़े तीन लाख कर्मचारियों में सिर्फ़ डेढ़ हजार बढ़े । लेकिन क्लास वन जो इन के अफसर हैं इन की संख्या पिछले साल में 151 से बढ़ी है । अगर प्रतिशत का हिसाब लगाया जाये तो दो प्रतिशत इन अफसरों की संख्या रेलवे के घन्दर बढ़ी है और पब्लिक एकाउंट्स कमेटी के सामने कहते हैं कि रेलवे में कर्मचारियों की संख्या घटाने का काम वह लोग

कर रहे हैं। आज 17 लाख रेलवे कर्मचारी हैं, उस में लगभग 4 लाख रेलवे कर्मचारी ऐसे हैं जिन को कँजुअल कहा जाता है जिन को रेलवे किसी प्रकार की कोई सुविधा या सुरक्षा नहीं देती है। हर चार रेलवे कर्मचारियों में एक कर्मचारी कँजुअल मजदूर है जिस के जीवन का तौर तरीका जानवर के जैसा है। उस को कोई भी सुरक्षा या सुविधा देने का काम रेलवे की तरफ से नहीं होता। यह इन का तौर तरीका है अपने कर्मचारियों की सुविधाओं को देखने के बारे में।

इस साल के बजट में मकानों को ले कर, जो आप ने फिर्निस एक्सप्लेनेटरी मैमोरेण्डम दिया, उस को हम ने पढ़ा तो रेलवे के जो साढ़े छः हजार अफसर हैं उन के मकान बनाने के लिए 68 लाख 55 हजार रुपया आप खर्च करने जा रहे हैं जब कि करीब करीब 6 लाख क्लास फोर के रेलवे कर्मचारी हैं उन के लिए केवल 98 लाख रुपये खर्च करने की व्यवस्था की गई है। यह गांधी शताब्दी का साल है, क्लास फोर का आदमी गरीब तबके का आदमी है, उस का विशेष रूप से ख्याल किया जाना चाहिए था लेकिन मुझे खेद है कि जहां क्लास वन के अफसरों पर हर आदमी पीछे 1 हजार रुपया खर्च करने को आप तैयार हैं वहां क्लास फोर कर्मचारी के लिए हर आदमी के पीछे मुश्किल से 25 रुपये इस साल के बजट में आप ने एलाट किए हैं। फिर भी यहां बजट की तारीफ होती है कि मंत्री महोदय ने रेलवे बजट में बहुत ही अच्छा काम किया है। मैं इसलिए इन सारी चीजों को रख रहा हूँ कि मजदूरों के ऊपर हल्ला बोलने का जो काम होता है उस से उन को बचाया जाये।

रेलवे को लेकर एक जो बड़ी टीका-टिप्पणी होती है उस के ऊपर जब मैं भ्रातृंगा और वह है अपघातों का मामला, ऐक्सीडेंट्स

का मामला। मैं देख रहा हूँ कि इस मामले में देश को गुमराह करने का काम रेलवे बोर्ड और मंत्री महोदय दोनों मिल कर करने लगे हैं। पिछले साल हिन्दुस्तान के अखबारों में बड़ा प्रचार किया गया कि रेलवे का जो ऐक्सीडेंट होता है इस की जिम्मेदारी कर्मचारियों पर है और जब पिछले साल ऐक्सीडेंट्स बढ़े और रेलवे बोर्ड पर हमला हुआ, रेलवे बोर्ड का इस्तीफा मांगने की बात आई तो बड़ा भारी प्रचार करना शुरू कर दिया, कहा कि कोई ड्राइवर था, वह शराब पीये हुए था, इस तरह ड्राइवर का सवाल उठाया.....(व्यवधान).....अध्यक्ष महोदय, ऐक्सीडेंट्स की बात को ले कर यह जबर्दस्ती प्रचार किया गया और कहा गया कि कर्मचारियों की वजह से यह ऐक्सीडेंट होता है। लेकिन आज मैं सदन के सामने कहना चाहता हूँ यह रेलवे बोर्ड और उस के अन्दर मैं रेलवे मंत्री महोदय को भी शामिल करना चाहता हूँ, इन के द्वारा देश को गुमराह करने की कोशिश की जा रही है। रेलवे में ऐक्सीडेंट्स की संख्या कम नहीं हो रही है और जो ऐक्सीडेंट्स हो रहे हैं इस की जिम्मेदारी के बारे में मैं मंत्री महोदय से पूछना चाहता हूँ कि क्या आप कमेटी बिठाते हो शांति लाल शाह को या किसी और को ले कर.....(व्यवधान).....मैं एक मिनट में समाप्त कर रहा हूँ.....

डा० राम सुमंग सिंह : यह कहते हैं कि सारे बम्बई में रेल जलाते रहेंगे तो इस से देश बरबाद होगा या नहीं? जब तक आप जैसे आदमी रहेंगे देश में तब तक देश का सत्यानाश नहीं होगा तो और क्या होगा? बम्बई में जलाइएगा, देखेंगे आप लोगों को। रेल जलाने की धमकी देते हैं, चलिए जलाइए, देखेंगे आप को।

श्री जार्ज फरनेग्बी : अध्यक्ष महोदय, यह ऐसा गुस्सा करने से काम नहीं चलेगा।(व्यवधान)....मैं खतम कर रहा हूँ।

[श्री जार्ज फरनेडीज]

मुझे आज इस सदन के सामने इस रपट को पेश करना है—रिपोर्ट आफ दि वर्किंग आफ दि कमीशन आफ रेलवे सेप्टी 1966-67। ऐक्सीडेंट्स के बारे में मन्त्री महोदय एक बात यह सदन के सामने बतायें कि इस रपट को क्यों दबाया जाता है? क्योंकि इस रपट में रेलवे ऐक्सीडेंट्स की जिम्मेदारी अगर किसी पर डाली गई है तो पूरी-पूरी जिम्मेदारी रेलवे बोर्ड पर डाली गई है न कि किसी कर्मचारी पर और यह जो गलत बातें कर्मचारियों का बदनाम करने की अखबारों में फैलायी जाती हैं, यह रपट अगर सदन के सामने पेश की गई होती और इस रपट पर सदन में बहस होती तो सारी बात साफ हो जाती कि रेलवे के कानून अनुसार, अन्डर सेक्सन फोर आफ दि रेलवे ऐक्ट, कमीशन आफ रेलवे सेप्टी के ऊपर जो जिम्मेदारी डाली हुई है कि वह रेलवे ट्रैक को इंस्पेक्ट करे, रेलवे बोर्ड ने यह अधिकार उस से छीन लिया है और यह रेलवे सेप्टी कमिशनर की शिकायत है कि पार्लियामेंट के द्वारा उन के ऊपर डाली हुई जिम्मेदारी को रेलवे बोर्ड ने उन से छीन लिया है और आज उन की रपट को यह देश के सामने पेश करने से इनकार करते हैं। यह हकीकत है। मैं तो आज एक बात साफ इस सदन में कहना चाहता हूँ कि इस बजट को ले कर और रेलवे की जो हालत है उस को ले कर जो असलियत है उसे देश के सामने पेश करना चाहिए और लोगों को गुमराह करने वाला जो काम चल रहा है, उसे मंत्री महोदय छोड़ें। लोगों की जो परेशानी है उस को दूर करने के लिए जो बुनियादी कदम उठाने चाहिए उन को उठाने का काम वह करें।

THE DEPUTY MINISTER IN THE MINISTRY OF RAILWAYS (SHRI R. L. CHATURVEDI) : Mr. Chairman, Sir, I will take only five or six minutes.

The Minister of State will reply to the other points.

Shri Bohra desired that the Kota-Chitorgarh line should be taken up for construction. A fresh traffic assessment has been ordered to assess the financial prospects of this line. Decision regarding the construction of this line will have to await the reassessment.

Shri C. C. Desai stated that the work on Hassan-Mangalore line is extremely slow. The work on this line is being matched with the progress on the port project, and the line is expected to be completed to coincide with the commissioning of the port. The present progress is 30%.

Shri Venkatasubbaiah desired the construction of a new line between Bhadrachalam and Kovvur. The earlier survey report of this new rail link is being brought up to date to take into account the latest developments in the area and to assess the justification for the construction of this line.

A decision regarding the construction of this line can be taken only after this assessment has been made.

Shri Vankatasubbaiah also desired the conversion of the metre gauge line between Guntur and Machilira into broad gauge. Engineering and traffic surveys have been undertaken to assess the traffic justification and the financial implications of the conversion of the Guntur-Machilira section from metre gauge to broad gauge along with a new broad gauge line from Nadikude to Secunderabad. A decision regarding this conversion can be taken only after the survey reports are completed.

Some hon. Members raised the point of restoration of Rohtak-Gohana line.

SHRI RANDHIR SINGH (Rohtak) : The Rohtak-Gohana-Panipat line should be restored this year. This is the most important railway of Haryana. It is a most economical line and the Minister has already promised it. So, it should be restored this year.

SHRI R. L. CHATURVEDI : This Rohtak-Panipat line was a full line which was dismantled. A part of that has now been restored. The demand not only of

[Shri R. L. Chaturvedi]

Chaudhuri Randhir Singh but of so many hon. Members who have spoken is.....

SHRI RANDHIR SINGH : It is in my constituency.

SHRI R. L. CHATURVEDI : It is in his constituency and he has been stressing this point continuously and persistently.

SHRI RANDHIR SINGH : He promised to my constituents in a meeting that it will be done. Dr. Sahib has also agreed.

SHRI R. L. CHATURVEDI : About this I can say at this stage that we will seriously look into it and see if economic viability can be achieved by connecting it to Panipat.

SHRI RANDHIR SINGH : Thank you.

SHRI R. L. CHATURVEDI : At present it is an uneconomic line. Now this point has been raised and it is our intention not to dismantle this. We will try our best to see if by restoring it upto Panipat it can be made economic.

SHRI RANDHIR SINGH : Within two years.

श्री मु० अ० खा० (कासगंज) : इसी सिलसिले में मुझे भी मंत्री महोदय से एक प्रश्न पूछना है। हमारे यहां भी इसी तरह की एक लाइन है—एटा-बरहन लाइन, जिसके लिये स्टेट गवर्नमेंट ने भी सजेस्ट किया है कि उस को यदि कासगंज से मिला दिया जाय तो इस में यकीनी फायदा हो सकता है। मैं चाहता हूं कि मंत्री महोदय इस लाइन के बारे में भी गौर करें और अगर वह उसे मंजूर कर लें तो वह लाइन भी फायदे में पड़ने लगेगी।

SHRI R. L. CHATURVEDI : I cannot say about all the lines like this, but since the hon. Member has mentioned this point, I can assure him.....
(*Interruption*).

SHRI M. A. KHAN : It is a very important point. The State Government has suggested the extension of this line up to Kasganj.

SHRI R. L. CHATURVEDI : About this I have to suggest humbly that it is our intention not to dismantle any line without mature consideration. As for the particular line mentioned, we will certainly apply the same principle as we are applying to Rohtak-Gohana-Panipat section. Not only for this line but for any other line generally the intention is that we will try to make the lines economic.

SHRI RANDHIR SINGH : Do not make my case weak. You have agreed to my request.

SHRI R. L. CHATURVEDI : Then, Shri Anthony Reddy mentioned that trains had been slowed down after the railways were taken over by the Government in particular on the Arkonam-Madras and Guntakal-Guntur sections. About this I have to say that the average running time of trains on Arkonam-Madras section at present is less than the average running time of trains in 1946. This is in spite of the fact that against only 10 mail/express/passenger and 20 suburban trains each way in 1946, there are at present 18 long distance and 36 suburban trains running each way on this section.

On the Guntur-Guntakal section, however, it is true that the average running time of passenger trains has increased by about 8 per cent since 1943. This has increased due partly to the increase in the number of trains from one pair in 1943 to three pairs at present and partly to provision of time for engineering works, such as, renewal of track, strengthening of bridges etc, at present in progress. Efforts will, however, be made to reduce this.

Shri Reddy desired the transfer of the Guntakal Division of Southern Railway to South Central Railway. Iron ore for export which constitutes major portion of traffic on this division moves from the Hospet region mainly to Madras. Coordination between the Madras Port, the Madras (Royapuram) Division and the Guntakal Division is, therefore, absolutely essential and can best be achieved by retaining Guntakal and

Madras (Royapuram) Divisions under one zonal administration, viz., the Southern Railway.

SHRI DHIRESWAR KALITA (Gauhati) : On a point of information. Regarding this division also, all the Members from Assam submitted a memorandum to Dr. Ram Subhag Singh.

DR. RAM SUBHAG SINGH : This is about the Guntakal division.

SHRI R. L. CHATURVEDI : This is about the Guntakal Division. It is not about the divisional system as such.

SHRI NAMBIAR (Tiruchurappalli) : The train is in Guntakal now ; it will reach Gauhati.

SHRI R. L. CHATURVEDI : The suggestion was that this should go into South Central Railway instead of Southern Railway. This is an old thing...

SHRI DHIRESWAR KALITA : Is it accepted ?

SHRI R. L. CHATURVEDI : This is already in force.

SHRI NAMBIAR : Will it go back to the South Central Railway ?

SHRI R. L. CHATURVEDI : It is not possible. It will remain in the Southern Railway.

SHRI NAMBIAR : We welcome it.

SHRI R. L. CHATURVEDI : Another point mentioned by Shri K. N. Tiwari was about the position of wagon manufacture. He was a bit apprehensive that our wagon industry will suffer. In this connection I have to say that in 1966-67, orders outstanding at the beginning of the year were 27,075 and output was 16,500 wagons ; in 1967-68, the orders outstanding were 26,895 and the output was 13,956 and in 1968-69, out of 26,439 outstanding orders, the output anticipated is 14,500 wagons. So, it will be seen that there is no chance of any fear that the wagon industry will suffer. We have enough orders to place and we will see that wagon industry does not suffer.

Another point made was the persistent demand about one deluxe train to Howrah *via* Patna. Since Rajdhani Express has started running from 1st March, 1969, it has been decided that one deluxe train will go to Howrah *via* Patna from 1st April.

SHRI NAMBIAR : Let it be from 2nd April.

SHRI R. L. CHATURVEDI : It will run from here on Fridays and the same train will come back on Sundays.

Another point raised, not in this House, in several memoranda that I have received is that this train should go *via* Varanasi. We wanted that. But operationally it was not possible. I can assure you that, in future, we will take into account this factor also and we will try, if possible, to do our best in that connection.

Then, the hon. Member, Shri Indrajit Gupta who is not here today raised a point about giving of a contract to a labour co-operative society in Bilaspur division. He said that some favouritism or something was being done to a particular contractor and that the Railway were departing from the established policy of giving preference to co-operative societies. In this connection, I have to say that no favour has been shown nor will be shown to any contractor...

SHRI DHIRESWAR KALITA : To a private contractor.

SHRI R. L. CHATURVEDI : To any contractor, whether public or private contractor.

In this particular case referred to by Mr. Indrajit Gupta, it was decided that open tenders be invited and in that the Society had also given its tender. Weighing all the things, taking everything into consideration...

SHRI DHIRESWAR KALITA : The question is whether co-operatives will be given preference or not.

SHRI A. S. SAIGAL (Bilaspur) : Here it was the lowest tender. We do not want to run it at a loss... (Interruptions).

SHRI R. L. CHATURVEDI : There are two things here. One is what Mr. Saigal has said, that it was the lowest tender...

SHRI NAMBIAR : How does he know ?

SHRI A. S. SAIGAL : Those who are representing told me.

SHRI NAMBIAR : That is a private thing. How did he know about it ?

SHRI DHIRESWAR KALITA : He is in league with the contractor.

SHRI A. S. SAIGAL : They came to me.

SHRI DHIRESWAR KALITA : The cat is out of the bag. (*Interruption*).

SHRI R. L. CHATURVEDI : The moot point is whether the Railways give preference to co-operative societies or not. About contracts of a value of Rs. 1,20,000 and less, the policy is there. We stand by that. But, while standing by that policy, we have also to judge the background of any society which has functioned ; we have also to see the working of the society. This particular society has not had a good record. But I can assure the hon. Members that we will not depart from our stand in giving preference to co-operative societies, but we will certainly weigh the past record of the society and will see that justice is done. If we find that preference should not be given to a particular society, naturally in that case there will be open tenders, and in open tenders, the lowest tenderer will get it. In the case, that particular society also gave its tender, and it was given to the lowest tenderer. To remove any misapprehensions in the mind of hon. members, I may assure them that full justice will be done and all instructions will be fully gone into.

SHRI DHIRESWAR KALITA : What about creating divisions in N. F. Railway ?

MR. CHAIRMAN : I am sorry I cannot allow this.

SHRI DHIRESWAR KALITA : On a point of information.

MR. CHAIRMAN : No, no.

MR. HEM BARUA.

SHRI HEM BARUA (Mangaldai) : The Railways are a vast network and from that stand point are the most massive public utility services in this country. The responsibilities of the Railways lie not only in collecting resources but also in discharging their duty towards the travelling public. Whatever that might be, the Railways must become more dynamic and more efficient ; there is no doubt about it.

I welcome Dr. Ram Subhag Singh to his new responsibility. Dr. Ram Subhag Singh has been described by an American paper as a man who walks slow but thinks fast. He has also been described as the future Prime Minister of India...

SHRI NAMBIAR : A former Railway Minister became the Prime Minister of India—Shri Lal Bahadur Shastri. So, there is a precedent.

SHRI HEM BARUA : The American paper has described him as a very dynamic man. I only hope that he will impart some of his dynamism to the working of the Railways.

Before 1924-25, the railway budget was part of the general budget. Now it is an independent budget. But this independence does not mean that it is independent of the general economy of the country also. The railways have a fundamental responsibility to discharge towards gearing our economy in the interest of the country as a whole. Therefore, although the railways have a separate budget of their own, it is not independent of the economy of the country.

When I read the railway budget proposals, I do not find in it any encouragement to gearing up our general economy. On the other hand, it tries to sustain and nurse the belief about the so called recovery in our economic trends. The Railway Minister himself spoke of a 5.7 per cent recovery in industrial output and indicated a surplus in the budget. This surplus in the budget has come in four years, no doubt.

When Shri Poonacha was Railway Minister, he also envisaged a surplus of Rs. 1 crore. Now Dr. Ram Subhag Singh envisages a surplus of Rs. 1.91 crores. This is a very meagre, illusory

[*Shri Hem Barua*]

surplus. What is the difference between the two surpluses? One is of Rs. 1 crore and another of Rs. 1.91 crores.

SHRI NAMBIAR : 91 per cent more !

SHRI HEM BARUA : Whatever that might be, this fond hope of *Shri Poonacha* was dashed to the ground by subsequent developments. I only hope and trust that the found hope nourished by *Dr. Ram Subhag Singh* will not also be dashed to the ground by later or subsequent developments.

Is the improvement in the finances of the railways reflective of the efficiency in the operational or administrative set-up of the railways? No. We must remember that in the Fourth Plan period also, the railways will also have to discharge a lot of responsibilities. Apart from carrying raw materials, they shall have to lift finished products also, and the machinery of the railways must be geared to that effect.

It has been said that 20 per cent of the carrying capacity lies idle. But why should we forget that there is an increase in the operational ratio also? It was 74.4 per cent in 1963-64; now it is 81.4 per cent.

Now the Minister proposes to curb all unremunerative expenditures. He should not only do this but should cut down all expenditures that do not produce anything.

There is another phenomenon. Although 20 per cent of the carrying capacity lies idle, there is, no doubt, a shortage of wagons. Because of this shortage, foodgrains meant for different parts of the country to feed the starving and famine-stricken people, flood-stricken people, could not be carried in time. I remember 15,000 tonnes of foodgrains were allotted for Assam during last year when flood ravaged the State, but only 7,000 tonnes could be moved from Calcutta to Assam. The rest could not be carried because no wagons were available in time. That is the trouble. Therefore, to place much reliance on these improvements will be to place reliance on an illusory thing.

The hon. Minister has said that the financial position of the railways is somewhat better. I do not know on what he bases his optimism. At the same time, some of his subsequent remarks might belie that illusion.

One most encouraging thing is that passengers fares and freight, are not raised. At the same time, we must not forget the dark hint in his speech where he has talked of raising resources. Raising resources must not mean an increase in the passenger fares or traffic freight. At the same time, we must not forget that there was an increase by 10 per cent of all passenger luggage traffic — of passenger rates and freights. A few days before the Railway Budget was presented to the House, this happened. It is a clear instance of by-passing of Parliament. *Dr. Ram Subhag Singh* is a known democrat, and I have so much of trust in him. He must find out how Parliament can be by-passed by these clever manipulations of his department.

16 hrs.

There is a proposal to rationalise the freight structure. It must not mean increase in freights or fares. If there is an increase, I think that will be ominous.

The Budget proposals also say that there will be increase in ordinary working expenses by Rs. 26 crores. At the same time, he says that there would be an increase of Rs. 4.20 crores so far as fuel is concerned. Since coal has been decontrolled, do the railways have to pay more for coal, or is it because of the fact that 20 per cent of the coal is pilfered on the way before reaching the delivery points? Pilferage has become a permanent feature of the railways. I want to know whether strict vigilance has been exerted to see that it is stopped so far as the railways are concerned. I do not know what he is doing in that regard.

The hon. Minister speaks of reducing expenditure which is unremunerative. It is a good thing, but at the same time, is there not duplication in his Ministry.

[Shri Hem Barua]

His ministry has an army of officers like any other ministry in the Government of India, but at the same time he has a Board also to look after the affairs of the railways. In spite of the existence of this Board, ticketless travel is on the increase, accidents are there, and the trains run late, and there is no profit also. I would say that the Railway Board is redundant, and it should be wound up like a sheet of paper, because it is a honeycomb of bureaucracy and nothing more. When the army of officers in the ministry cannot look to welfare of the railway travelling public or cannot run the railways well, what the is the use of having a Board which has also failed in its primary tasks.

The railways lose annually Rs. 22 crores due to ticketless travel. Nine lakhs of people travel without tickets. What a stupendous shame to this country.

The TTEs have their own problem. They have been deprived of looking after the reservations of two-tier and three-tier sleeping berths in the coaches. That means it will affect their promotion. That has to be looked into they should be treated as running staff in which case they will get certain advantages which they are not getting now. With a set of discontented and dissatisfied people, it is not easy to run the railways.

The Railwaymen working in Assam have to face great difficulties, as they had to during the Chinese aggression and during the operations against the hostile Nagas. We have to recognise this fact.

There is another section of workers under this railways, that is the control staff. Two pay commissions have suggested that there should be a lift in their salaries. Have the Government taken any notice of that? The Railway Board had bypassed that mercilessly, although the Railway Board is convinced of this fact. The work of the control staff is strenuous and no attention had been paid to that.

There were several questions raised on the floor of the House about pilferage

of railway goods. Electric bulbs, door handles and looking glasses are carried away with impunity from the compartments. Who are responsible for that? India expects every man to do his duty. It is done? These are small matters to be looked into. I was travelling from Mariani to Gauhati one day; after two or three days I travelled on my return journey in the same compartment and found that the looking glass was missing. In the course of two ways, somebody had taken it away. Are there any railway men responsible for the safety of such railway property? Should not somebody be held responsible for this pilferage? It has become a permanent feature of the railway and that pains me most to say so, whoever might be guilty. There is pilferage of coal and other railway property. Nobody should forget that the lost property is to be replaced and involves lakhs of rupees, money which has to come from the poor tax payer's coffins, if not coffers.

The railwaymen demanded rationalisation of their pay scales according to the need based minimum wage. But the Government derecognised the railway union. Can you solve any problem by de-recognition? This de-recognition should be withdrawn. What happens? The Hon. Home Minister has given some concessions by one hand and had taken them away by another hand. About 350 persons in Assam had arbitrarily been transferred from their place of duty; 1,200 are still under orders of suspension. There are thousands of others in the country who are either under orders of transfer or on suspension. You cannot serve the country or the railways with a band of discontented men. When pilferage takes place, I would like the railway protection force men to shoot down anybody who is found in the process of removing stealthily railway property. But what does that force do? It goes on shooting the innocent railway workers and their wives and children. I saw with my own eyes injuries of women and children in New Gauhati and Mariani caused by the bullets and beatings of men from this force. It is strange;

because their husbands went on strike on 19 September 1968, these women and children were beaten ! I have seen the injuries on their bodies. All the communal and racial ire had been let loose on these women and children because they happened to be Bengal women from East Pakistan. I do not want to describe it further ; that will be too much.

The report presented to us on accidents had come down. Have they really come down ? When accidents happened in Assam, there was a ready excuse that it must have happened because of sabotage by the Naga hostiles. But have they ever cared to examine the track condition in Assam ? Never.

Now, when an accident takes place, what happens ? The work of enquiring into the accident is entrusted to the railway officers themselves. The hangman is asked to give a verdict on the man hanged ! That is what is happening in this country. Therefore, the real truth about the accident does not come out. Has the real truth about the accident at Lakhiserai station in which 18 persons were killed and some injured come out ? It has not come out. Everything is hushed. Everything is hushed up in the lap of the Government. that is the trouble.

Then there is the divisional scheme. This divisional scheme was announced with a lot of flourish. But what is there about the divisional scheme ? The Government says that the divisional scheme will improve the performance of the railways. In those railways which have the divisional scheme, in what way is the performance of these particular railways which have been enjoying the benefits of the divisional scheme better than the performance of these railways which do not or did not have the divisional scheme ? Nothing. What is the divisional scheme for ? Assam has been robbed of her rightful share of the railways. Out of the 5,225 km of railway track on the Northeast Frontier Railway, 2,091 km fall within the State of Assam, and yet Assam is neglected. Why don't you make a divisional head-

quarters ? You have only one division, namely, Luming. Why don't you make a division for Gauhati and another for Rangiya to serve the people living on the northern banks of the Brahmaputra ? (*Interruption*). May I tell you that negligence of Assam is a keyword in the dictionary of this Government ?

DR. RAM SUBHAG SINGH : Not in the railways.

SHRI HEM BARUA : In the railways also. Railways are a part of this Government. You are neglecting Assam as much as you can ; you do not take into account the strategic importance of Assam and you do not take into consideration the fact that Assam is a backward State. You go on neglecting that State like anything. That is the trouble.

Do you know there has been a demand from the people of Assam for a broad gauge line up to Dibrugarh ? Why do you by-pass this demand ? What a simple demand is it ? It is just an extension of the broad gauge line.

MR. CHAIRMAN : One minute more.

SHRI HEM BARUA : Yes, Sir. I am concluding. I would like the Ministers' speech for one thing : He has spoken about the insane attacks on the railways. The railways have been the symbol of authority and now they would be more so because Dr. Ram Subhag Singh is there. Whatever that might be, any attack on the railways or any property—and property today is not Government property, but it is public property, and everything is public property and nothing is Government property—is bad. Everything is public property in the context of Independence, and any attack on it is bad for the country. Therefore, we must take a very serious note of this. In order to protect railway property, I would go so far as to suggest the imposition of a punitive tax on the people living round the railway stations. Why should people go over the railway tracks and railway stations and damage the railway property like that ? A bus burnt, a railway station or a railway wagon

burnt, is a part of India burnt, and it is a stupendous shame for the country.

I congratulate the Railway Minister on his pointing out the insane attack on the railways. At the same time, I hope and trust that he would be able to infuse some of his dynamism into the working of the railways. The railways, need one thing : Improvement and efficiency. When I talk of improvement and efficiency, it embraces efficiency on all fronts. Thank you very much.

SHRI RANDHIR SINGH : Mr. Chairman, Sir.....

MR. CHAIRMAN: Only five minutes. I have got a list containing 23 names from the Congress Party. I request you, therefore, to conclude within five minutes.

SHRI RANDHIR SINGH (Rohtak): Yes, Sir. It is a matter of profound gratification and encouragement and confidence that Dr. Ram Subhag Singh is presiding over the destinies of our railwaymen, and I would very much hope that things would take a better turn. I may make a few suggestions with your permission and I hope that the Railway Minister would look into them and implement them if he finds them viable and wise.

Firstly, it is about the Railway Public Service Commission. There is a law of inheritance and succession prevailing in the railways for appointments. A railway officer's son becomes a railway officer, a clerk's son becomes a clerk, a guard's son becomes a guard and so on. The hon. Minister being a kisan and myself being a humble worker or the peasantry, I submit that 80 per cent of the posts—big and small—should be filled by recruitment from the peasantry. The railways should become kisan-oriented.

My second complaint is about certain difficulties of the army people. The strength of the army has been more than doubled, but the reservations in railways for them are scanty. Our jawans travelling from Nagaland or Kashmir have to stay on the platforms for days and nights before they get accommodation in the

trains going to the interior of the country to meet their kith and kin. We say, "Jai Jawan, Jai Kisan" but my personal experience is our military men do not find accommodation in trains. Kindly see that the reservations are increased four or five times. What prevails now is the old British pattern.

Then, I come to the difficulties of peasants in regard to canals, channels and drains. Whenever a farmer applies for irrigation channel and your railway line intervenes, he has to wait for years and decades. In these days of food shortage, such red-tapism and procedural delays should be cut down.

At present, when there is a bridge, the expenditure on the side line to be met by the peasantry. I submit that the expenditure should be met either by the railways or by the State Government concerned. The peasants should not be burdened unnecessarily in this manner.

16.18 hrs.

[**MR. DEPUTY-SPEAKER** *in the Chair*]

Then, I find that railway lands are leased out indiscriminately. Would the hon. minister see that landless peasant, Harijans and ex-servicemen are allotted these fertile lands on either side of the railway lines? If there are any rules which are causing hardship in this matter, he should remove it. If you cannot allot it, you can entrust it to the village panchayats concerned.

The hon. minister was kind enough to show us the Rajdhani Express. It is very good. But that is meant for rich people, M.Ps., etc. What about humble poor people? There should be a third class Rajdhani Express for them. You can call it Janta Express. Kindly let him examine whether this proposal will be viable.

Coming to uneconomic lines, there is the Rohtak-Panipat line. It has been restored only upto Gohana. You are the architect of this. Would you kindly restore the remaining 20 miles also? The holy name of our late Prime Minister, Shri Lal Bahadur Shastri, is associated with this line. You were kind enough to

make a promise. The Deputy Minister also went to my constituency and made some promise. You also made a promise to me at different times when I made my submission to you. Would you kindly make this announcement unequivocally on the floor this House that this line from Rohtak to Panipat in this great Haryana State, a State of jawans and kisans, a State of disciplined soldiers, will be restored fully within two year ?

Since you are in charge of this Ministry, something revolutionary should be done. Would you kindly see that either the Railway Board is entirely wound up or it is made more democratic? We want to see that you function as the real Minister, the most democratic Minister and your writ runs throughout the country. We do not want the officers' raj to run in the Railway Ministry. I wish some change for the better comes about. You can yourself find out the alternative. Either it can be a corporation or something else which we may call an advisory body. What should be the substitute or alternative for the Railway Board I leave it to you to decide. I only want that Dr. Ram Subhag Singh should be the person to overhaul the entire rut.

Then I come to the question of over-crowding. This over-crowding is due to ticketless travelling. Kindly catch hold of the ticketless travellers, big or small, and do not spare them. Every penny not paid is a national loss. He may be a leader, a member of Parliament or a member of the Legislative Assembly. But if he is travelling without a ticket he should be punished. Fight against ticketless travelling should be a battle of the nation. Over-crowding is due to ticketless travelling. It has become a fashion in this country. I would request you to deal with it in a more firm manner and see that this ticketless travelling is put an end to.

Another thing I would like to submit is kindly restore public confidence in the railways. Whenever there is a talk about railways there is mention about robberies, dacoities, kidnapping and so on. During the British days this used to be the safest transport. I would request the Minister to go round

pro bone public, to go round incognito and see things are improved. The increase in the incidence of crime is deplorable. I would request him to see that confidence is restored in the minds of the people. It is ultimately the reputation of the railways that is suffering. The roadways are making dividends at the bad reputation of the railways. Kindly see that something is done.

I now come to my own constituency, Rohtak town proper. There are displaced persons who have settled down in a place known as Gandhi Camp. What a name and what a camp? And who are the people residing there? About 30,000 people from West Pakistan and some people from East Pakistan are staying there. They are very patriotic people. You have to consider a small request of theirs to extend the Gohana Panipat line to their camp. A request in this connection has already been made to the Ministry. That may be sanctioned.

Then, in Shilakedi there is a halt station on panipat-Jind line. That should be taken over as a flag station.

I am sure all hon. Member admire the personality and the sweet reasonableness of the new Railway Minister, who is friendly to all. I have no doubt that when he comes to present his next railway budget he will declare that all the suggestion and proposals which we have made this year have been implemented so can know that he is a man of action and he does whatever he says.

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI PARIMAL GHOSH) : Mr. Deputy-Speaker, Sir I rise to intervene in the railway budget discussion which has been going on for the last few days in which many hon. Member have participated. During the course of the discussion many hon. Members have expressed their concern and also given valuable suggestions. I regret very much that I was not present for a few days during the discussion as I was slightly indisposed. But I have gone through all the papers and I have carefully noted the suggestions, comments and concern expressed by various members about the

[Shri Parimal Ghosh]

working of the railways and their short coming.

It is true that there are many shortcomings in the operation of the railways in the matter of both goods and passenger traffic. It would always be our endeavour to rectify as quickly and efficiently as possible these shortcomings so that the difficulties faced by the people may be eliminated. But when we look at the problems we should also look at the background of the stresses and strains that the economy of the country has undergone during the last few years.

Before I go into the details, I would like to mention that though we had a deficit budget in the railways for the last two years, the basic financial position of the railways remains quite safe. I would like to make this point very clear. The railways have never incurred any loss in their operational expenses. They have also not defaulted in their liability to pay dividend to the general exchequer.

In our country railways is the largest public sector enterprise in which about Rs. 3,000 crores has already been invested. It is the general desire of the House that the railways are run on a purely commercial basis. Though we wish it very much that the railways should be run on purely commercial basis, it is a fact that we cannot ignore many of our social obligations and we cannot forget that railways are also a public utility concern.

For the last so many years the railways are carrying vast commuter traffic in the suburban sections where we do not cover even our operational expenses. There are many other fields where we quote a low rate e.g. food, fertilizer, cement, iron ore and coal. Then, we give very heavy concessional rates for items meant for export.

In many other countries these are items which are met from the general exchequer but in the railways we are meeting these things for such a long time because we had a big cushion to meet them. But under the present conditions it constitutes a heavy strain on the already tight financial conditions of the railways.

When I speak about the railway's financial position I would like to say that in last two years we had just struck a bad patch because of the unexpected fall in the development of the country's economy. I am sure that with the current recovery the position of the railway's finances will improve to a very great extent.

Now I would like to deal with some of the financial aspects that have been mentioned particularly by my hon. friend, Shri Nambiar, and also by Shri C.C. Desai. Shri Nambiar particularly mentioned that the deficit of the railways was fictitious as the contribution to the Depreciation Reserve Fund was unscientific and that the rate of dividend paid to general revenues was excessive.

Regarding the Depreciation Reserve Fund I would like to mention that in this we have followed the recommendations of the successive Railway Convention Committees since its inception from 1945 till 1965.

SHRI NAMBIAR : That itself is unscientific. That is my point.

SHRI PARIMAL GHOSH : What is the basis of allocating a Depreciation Reserve Fund ? The main purpose of that is that we have to take up certain replacement works and this Fund is specifically meant for the replacement of the depreciated assets. So, if there is any shortfall in the Depreciation Reserve Fund, it will only mean that we will not have sufficient money available even to take up those replacement work which would be absolutely necessary from the point of view of operations.

Regarding the contribution to the general revenue, here also we simply follow the procedure mentioned and recommended in the successive Railway Convention Committee up to 1965.

SHRI NAMBIAR : What is the scientific basis there ?

SHRI PARIMAL GHOSH : Of that Convention Committee the Members of Parliament were members and it has been passed in the House. We are simply following the recommendations of that Committee.

SHRI NAMBIAR : That by itself does not give it a scientific basis.

SHRI PARIMAL GHOSH : We have set up a new Convention Committee so that the new Convention could be co-terminous with the Fourth Plan period. I think, Shri Nambiar is a member there and whatever criticism he has, he will get ample opportunity to put forth his viewpoint in the next Convention Committee. I will be very happy, certainly, if by his intervention the dividend liability is reduced.

SHRI NAMBIAR : It is not scientific ; it is not sound.

SHRI PARIMAL GHOSH : Shri C.C. Desai has referred and has shown his concern about the industrial revival. On the basis of what we have mentioned in the Budget speech, we have thought that 8 million additional revenue earning tonnage would be achieved this year. It is based on the fact that from 1st April to December, 1968, we have already lifted 5.5 million additional revenue earning tonnage.

From the report the we have so far received of the working in January, 1969, it is apparent that we have already lifted about 1.4 million tonnes of additional revenue traffic which will total to 6.9 million tonnes and which will have leave a difference of only 1 million and odd tonnes to achieve the additional revenue of 8 million tonnes for which we have yet full February and March. So, the basis on which we have based our anticipation is correct. This is also an indication of a normal and a gradual revival of the economic development in the country.

In regard to some of the works programmes, my hon. friend, Shri P. Venkatasubbaiah, also mentioned that the Railways, in planning their new lines or in their development, should not be guided purely by the idea of a profit incentive or a profit motive. As I have already mentioned, though I wish very much that the Railways could run purely on a commercial basis, I have also stated that there are so many social obligations which we can escape. But

even then, whenever we have to consider the construction of few lines, we cannot escape thinking that we have to take into consideration that the railways capacity to cater for the increased traffic in future may not lag behind. But at the same time we must not undertake the construction of a line which may be unremunerative in future and may cause heavy drain on the public exchequer. So, the basic criteria of what we have planned out in the Fourth Plan period are that the development should take place basically on the idea of a qualitative improvement, not purely on quantitative expansion. If we could achieve that, there will be a better and maximum utilisation of the assets that we already have. On the basis, we have taken up a perspective plan for the coming 10 or 15 years. We have programmed that in respect of some of the meter-gauge sections in which we find that, in future, the traffic that is likely to be generated will be very heavy and it may not be possible for the existing metre-gauge sections to take up that load, we can, gradually, convert some of the main arterial metre-gauge section to broad-gauge sections so that we can avoid the inter-change points and bottlenecks of transshipment and we can avoid many of the pilferages and other things that are happening today. On that basis, we have also decided that in the Fourth Plan period we will take up at least 1400 km. for conversion from metre-gauge to broad-gauge.

Regarding some of the other lines mentioned by Shri Venkatasubbaiah, my colleague, Shri R.L. Chaturvedi, has already replied.

Another point that Shri C.C. Desai mentioned was that we should give top priority for doubling instead of spending money first on any other construction or to operational affairs. To some extent, I agree with the logic that has been put forward by Shri Desai. But the fact remains that doubling of broad-gauge lines becomes very expensive. The average cost per km. of broad-gauge doubling will account for about Rs. 9.5 lakhs today. So, before we consider could all doubling, we should try to find out whether the capacity

[Shri Parimal Ghosh]

could be increased by any other method, by improving the signalling or by introducing dieselisation or by improving the methods of C.T.C. so that instead of going in for doubling, we can increase the existing capacity of a single line to a very great extent. Even then, in the Fourth Plan, propose to take up about 1,770 kms. of doubling of the lines.

I would like to refer to the points raised by Shri Indrajit Gupta regarding Darjeeling-Himalayan narrow gauge line and also Mal-Domohani line. I am sure that Mr. Indrajit Gupta knows that the Darjeeling-Himalayan line is running at a very heavy loss and the traffic that we get there is very insignificant. During the unprecedented floods that had taken place in north Bengal, the damage that had been caused there and the breaches that had occurred there are so vast that we have to have a re-thinking and make out a programme as to how best we could recommission this line. We want to recommission this line from a completely different angle, basing it purely from the tourist point of view, so that the recommissioned line could be a model one and could attract more tourists and also increase the traffic position. For that, we are now under consultation with the Ministry of Tourism and Civil Aviation; they are also going into the matter, and as soon as we get their report, the construction of that line will take place.

Regarding Mal-Domohani line, the Mal-Lataguri section has already been recommissioned and trains have started moving. Regarding the other part of Mal-Domohani line, that portion is very heavily damaged because of the ravages of the river; the course of the river is so uncertain that even now it has not been possible to find and locate what could be the final location of the restoration line. This matter has also been taken up by the Ministry of Irrigation & Power and they have already constituted a Study Team who are going into the entire area to find out what could be the final solution to stop that kind of a ravage in future. Only after this report is brought out, we will take up the construction of that line.

Now I come to a very important point, *i.e.*, the Calcutta Circular Railway, a matter which has been discussed in this House and also outside the House for such a long time. It is very necessary that I make this point very clear. This point was also raised, a few months ago, as a half-an-hour discussion, and I was seeing very carefully the utter frustration of many of the members over our not being able to spell out in concrete terms what be the real objective, what is the real intention of the Railways, about the Calcutta Circular Railway. At that time also I had mentioned that we had taken up the matter with the Planning Commission; they had constituted a Metropolitan Study Team and they had submitted a report and that report was under consideration. We have considered that report and on the basis of that, we had long discussions with the Planning Commission. We had made it very clear to the Planning Commission that the position of the suburban traffic in Calcutta and Bombay had almost reached a choking point, and that unless and until something was done, it would be difficult for the Railways to maintain even the existing services. The Planning Commission, I am very glad to say, have gone into that matter, realised the difficulties, appreciated the position and have allotted a fund outside the Railways Allotment. I am very glad to announce that we are, going to take up that line and for that, we have allocated a certain sum for the final location survey; the final location survey is always necessary when we want to take up the final construction of a particular line. This final location survey may take from six months to one year, but in the meantime, we can go ahead with the construction. But here there are certain points which I would like to bring to the notice of the hon. members. My hon. friend, Mr. Indrajit Gupta, is not here. Out of the total expenditure of Rs. 29 crores that has been envisaged for this construction, Rs. 4 crores will be specifically required for land acquisition. It is not only a question of money.

The alignment will be passing through Calcutta's built-up areas, and before coming to a conclusion, I personally passed through these alignments and scrupulously tried to see that we took the minimum areas which had been built up so that the difficulties to the people could be at a very low level. I can mention here that out of the total requirement of land, only 20-25 per cent will be on developed area and I am sure the development Trust will hand over to the railways free of charge the rest of the land which is not built up and the Port Commissioners will give technical sanction for only allowing our line to be built up on their land because most of our sections will be on their land. Only it is a question of a technical sanction which could be given at a nominal rent on a long lease basis. This point also has been cleared. I hope now that the main point regarding the circular railway is covered and the matter has been finally settled.

Now I come to one of the staff matters. Shri Nambiar has already mentioned about some points raised in the Kunzru Committee report of 1962 where they have specifically mentioned that in some sections there has been some shortage of staff.

SHRI NAMBIAR : The Wanchoo Committee Report, first part.

SHRI PARIMAL GHOSH : In that report also they have mentioned that it is a fact that there has been some shortage to the extent of 5 per cent at that time, but it has been diminished to a very great extent, and it has come down to 1.4—3 per cent in some of the categories. I have no doubt in my mind that this shortage also is being filled up as early as possible.

The other point relates to the 19 September strike. Out of the total number involved in this strike, approximately 90,000, 73,000 odd were permanent and 16,000 temporary. In accordance with the decisions taken by the Cabinet, the first thing we have done is to issue instructions that

all those staff who were retrenched—that is, either permanent or temporary—purely on the ground that their participation was confined to absence from duty on that day, should be taken back.

SHRI HEM BARUA : But it has not been implemented. That is the trouble.

SHRI PARIMAL GHOSH : To that extent, they have implemented it.

Regarding some permanent and temporary staff still under suspension, their number is 3,700 odd. Some of them have already been taken back and some cases are under consideration ; many more will be taken up. There are some cases still pending in courts. As soon as these cases are complete, I can assure the House that I will review these cases, and wherever possible.....

SHRI NAMBIAR : There are also cases which are not in the Courts, cases of departmental suspension.

SHRI PARIMAL GHOSH : There are some such cases, I will review them and wherever they relate to only absence from duty or other minor infringements, they will be considered for relief.

AN HON. MEMBER : Too vague and general.

SHRI NAMBIAR : The trade unions passed the resolution concerning the strike. Therefore, their leaders should not be classified as those who instigated the strike. They must come under the normal procedure.

SHRI KIRUTTINAN (Sivaganja) : Even temporary staff are under suspension.

SHRI PARIMAL GHOSH : Some of the temporary as well as permanent staff are under suspension. Their total number is about 3,700.

Out of that, 400 we have already taken back. Some of the other cases will be reviewed, and they will be taken back.

SHRI NAMBIAR : Why should it be half-hearted? There must be generosity. Start with a clean slate. The rail must run.

SHRI PARIMAL GHOSH : I can assure Shri Nambiar and my friends that we will certainly look into this matter and show such leniency as possible, and we will consider and settle the matter as early as possible, because it is not my intention to hang on this point and go on discussing it on every occasion here.

SHRI BALRAJ MADHOK (South Delhi) : You are talking of a general, blanket approach. That is not a correct approach. I would request you to scrutinise every case on merits and decide quickly.

SHRI PARIMAL GHOSH : That is exactly what we are doing.

SHRI NAMBIAR : Six months have passed, and the employees have suffered enough, and if he wants to delay the whole thing again in the name of going into each case, 3700 cases will take a long time.

SHRI PARIMAL GHOSH : Out of 90,000 now it has come to 3,000. You cannot say it is being delayed, and even those cases where there are charges are also being reviewed, and many of them have already been taken. The rest are under consideration.

SHRI S.M. BANERJEE (Kanpur) : The Home Minister said the other day that cases where no violence is involved, will be sympathetically considered. My only appeal to the Railway Minister is that if there is no violence or moral turpitude, they should be taken back.

SHRI PARIMAL GHOSH : They will be taken back. I will check up the cases where violence is not involved, so that such cases are concluded quickly.

My senior colleague will reply to the other points.

SHRI JAIPAL SINGH (Khunti) : We have been hearing about this circular railway for Calcutta for I do not know how many years. I would

like to know why they have never thought of an underground railway.

SHRI PARIMAL GHOSH : I am very glad the hon. member has raised this point. The last time when I was answering the half-hour discussion, I myself mentioned that though we have now decided to take up the circular railway, the circular railway is not going to solve the problem of Calcutta, it might ease the problem to some extent. That point we have further discussed with the Planning Commission and the Planning Commission has agreed and allotted a separate fund, and we have decided to undertake a techno-economic survey which we are going to take up in 1969-70 for underground railway and ultimately for Calcutta, Bombay and Madras and Delhi also so that these things also could be taken up. The construction work would be taken up within the fourth plan period.

SHRI S.M. BANERJEE : This is being delayed only because it is circular. It is coming back to the same point, that is the difficulty.

SHRI K. M. Koushik (Chanda) : Though the speech of the hon. Railway Minister while presenting the budget gave us a sigh of relief, still after going through the speech I feel that there are certain important omissions in it. For example, if we read the report of the Railway Board for 1967-68 with regard to the amount of compensation that is being paid by the railways for pilferage, loss, damage and delay, it looks to be abnormal. In 1966-67 it was Rs. 5.45 crores, whereas in 1967-68 it is Rs. 7.22 crores. Both the reports of the Railway Board and the speech of the Railway Minister are silent on what they have been doing to reduce this mounting burden, and we cannot be complacent about it. It is mounting every year. It was previously Rs. 2 crores, it went up to Rs. 3 crores, and now it is Rs. 7.22 crores. At this rate I think in 1968-69 it cannot be anything less than Rs. 8 or Rs. 9 crores. This is not a small sum, and we have to plug all the loopholes. Otherwise, the railways will not have a

favourable budget, and they will be open to criticism.

My hon. friend Shri Hem Barua has already mentioned about pilferage of railway property. There was a news item which appeared on the 22nd of last month in one of the Hindi newspapers.

It says that a railway servant approached the railway protection force and brought to its notice that wagon looting was taking place and that it must be stopped in the Balharsha railway yard. The railway protection force man asked him in turn : what have you to do with it ? If people want to take things from the yard, let them take it. Why should you come in the way ? When the informant approached the ordinary police also, they gave him the same reply. The man was helpless. There was a big news item in papers. I request the hon. Minister to take note of it and get the matter thoroughly investigated. It will be difficult to control or stop pilferage unless such people are punished. Not only is property lost, but the railways have to pay compensation for those losses. This particular instance had been highlighted because it is not really desirable that officers belonging to the railway protection force and the ordinary police force who are expected to be guardians of such property are not only not doing their duty ; and on the other hand they are aiding and in fact helping such thefts. This is deplorable. One of the reasons why this happens is, they are stationed at a particular place for a long period of time. They must be transferred every six months ; otherwise they acquire vested interests in the gains of the wagon looters. Transfers from place to place after every six months of the R.P.F. and police personnel will not create such vested interests.

Other railway staff also, should not be retained at one place for a long time as they may create vested interests in those places, by mixing up with the local goondas as and others. The hon. Minister should

examine this proposition and see what best he could do in such cases.

It seems that big railway yards in Nagpur and other places are managed by the armed military guards. In those yards crores worth property is kept. I understand reliably that after the posting of such guards, there has been considerable reduction in looting. I suggest that similar guards be posted at other big railway yards so that they may patrol those yards. The RPF people are no good because they are hand in gloves with those looters. I hope the hon. Minister will take note of this suggestion.

Mr. Hem Barua referred to Mogalsarai. It has become a public scandal. Things stolen from the railway yard at Mogalsarai are freely sold in the bazars there ; the purchasers are all receivers of stolen property. The armed guards should be posted and should be authorised to shoot at sight persons found under suspicious circumstances after sunset and before daybreak. Otherwise thefts will not come down and the public exchequer will go on paying for the mischief of these persons. We cannot also otherwise stop the looting of wagons. If unfortunately anybody dies or is hurt and the man is prosecuted, it must be the responsibility of the railways to defend him before the court of law.

Another kind of fraud is going on under the open delivery system. Suppose some five pairs of shoes are short in a package which is already damaged, at the time of giving delivery of the package there is a deal between the consignee or the person who takes delivery and the station master. It is suggested to the station master : "five pairs are already short but you put the number as fifteen." So, you take five and I will take five ; This sort of fraud is going on. This matter should be seriously considered and the claims in regard to the damage on personal deliveries should be made before the railway magistrate and once in a week. This must be insisted upon in order to see that this fraud is checked.

17 hrs.

Even in the matter of loading and unloading the railway staff is absolutely callous. They do not inspect the wagons with the result that the property is damaged and the railway will have to pay for the

[Shri K. M. Kaushik]

damage. In such cases wherever there is negligence caused due to the inaction of the railway officers, very serious action has to be taken against the persons concerned. These are the several types of deficiencies, and unless these are plugged: the huge amount of compensation that the railways are paying for loss, pilferage and other things cannot be stopped at all.

Then there is delay in the transit of goods which is another factor that is responsible for the railways having to pay compensation. There is the bogey which is known as the divisional balance of wagons. Each division has a balance target of wagons. Because the target exceeds and one railway does not receive the goods train from another division or another railway and thus there is no free movement of the goods, with the result that there is delay and delay means there is compensation to be paid for the delay. This bogey of the divisional target being exceeded and for that ear, no goods trains is received from one division to another. Unless this is rectified, there cannot be any free movement of trains and unless there is free movement, we cannot minimise the delay in transport.

Secondly, there is what is known as the journal system which was scrupulously observed in the past. That is, the guard had to maintain a journal in which he would faithfully mention what happens from the time he took over to the time he hands over; whether there was any delay and who was responsible for it if there was any, whether it was a mail train, passenger train or a goods train, he has to record it in the journal. He would make a note of all these things. After the journal was received, it was being scrutinised at the divisional level and action was taken against the persons who are found to be responsible for causing the delay in the movement of the train. But today, the journal is sometimes observed and sometimes not, and it is not sometimes scrutinised, and nobody is taken to task for any delay. This journal system has got great importance in the control of the movement of the trains. This must be introduced and scrutinised carefully and regularly, and the persons who are responsible for delaying the trains should be dealt with promptly.

About the control, Shri H. M. Barua said something. The controls are actually manned by inexperienced men. Previously, only assistant station masters and experienced guards used to be put in charge of controls for the running of trains. Today, there is direct recruitment and with just six month's training, people are allowed to operate these controls, with the result that for want of maturity, understanding and experience, the controls are not worked properly. And what ultimately happens is that sometimes it so happens that the Grand Trunk Express, for example, is made to halt for half an hour and a goods train is given preference and unless the goods train is cleared, the Grand Trunk Express cannot be let ahead. This is the position that is obtaining today, and unless experienced people are allowed to man the controls, things cannot improve; and this is a matter which has to be taken into account.

Lastly, armed guards are required to be posted in the guard's van. I have come across cases where guards have complained to me that people stop the train and loot the wagons; the guard is single and he has nothing with him, he cannot be a match for the goondas and he has to remain a silent spectator. If you really want that the compensation which is paid should be reduced, you have been given armed guards for the guard, and they must travel along with the guard in his own van so that the guard can take courage and be able to face these goondas who are looking the trains in between two railway stations.

For reducing ticketless travel, it is no use depending on railway people. If the railway officers think that their staff are honest, they would be mistaken. If you really want to reduce ticketless travel—it cannot be completely eliminated—it can be done only by surprise checks by magistrates who can be requisitioned with the help of the State Government and the High Court. I made this suggestion when Mr. Poonacha was Railway Minister. Magistrates can be requisitioned and there should be surprise checks by them without informing the railway staff. Only then it can be reduced.

The running allowance has been fixed at Rs. 3.80 for 'A' guards, Rs. 3.70 for 'B' guards and Rs. 3.60 for 'C' guards. 'A' and 'B' categories of guards put together form only 15 per cent and the remaining 85 per cent are 'C' guards. The duties of 'C' guards are absolutely different. 'A' and 'B' guards work only on passenger and mail trains whereas 'C' guards work on goods trains. There is no knowing when the goods train will come and go. In the case of 'C' guards on goods trains, there is a lot of pre-departure detention, waiting duty and cancellation of train. All these handicaps are not there for 'A' and 'B' guards. Without taking all these things into consideration, a bare minimum of Rs. 3.60 has been fixed for 'C' guards. They should be given some compensation for the factors I have just mentioned.

To give some incentive to the guards there should be some sort of promotion for them. Today there is absolutely no scope of promotion. Previously they had a chance to go to the control. Now it is not possible. 'C' guards have no scope even to go to the 'B' grade. Therefore, the scales of pay of the guards should be ungraded, so they can have some incentive to work satisfactorily.

With these words, I request the Hon. Minister to see what best be done for all these things.

SHRI R. K. BIRLA (Jhunjhunu) : Sir, Mr. Parimal Ghosh has just now stated that the railways are trying to move 9 million tonnes of additional traffic this year. From the speech, I find that for replacing old and worn out waggons, they would require 8,861 new waggons this year. The budget provides for 9,220 waggons. If my information is correct, to move one million tonnes of traffic, they need about one thousand waggons. Therefore, I cannot understand how they can move another 9 million tonnes of additional traffic if they are going to place order only for 9220 waggons. Out of which 8861 are to replace over-aged and worn out waggons. If they are sincere about carrying 9 million tonnes of additional traffic, they should immediately place an extra order for 10,000 waggons without any delay.

Shri Chaturvedi was mentioning something about the orders for wagons. I do not know from where he got the figures. I am certain that there are wagon factories in the country which are starving. Those wagon factories must be asked to manufacture wagon without any further delay.

I appreciate that the Railways have been able to move 1.7 million tonnes of wheat from Punjab and Haryana within three months. But I have to make a comment on this. This was done at the cost of other traffic like coal, cement and soda ash. I am sure the hon. Minister will take into account that is to be done we must place the orders for wagons without any delay.

In my speech last year I had drawn the attention of the hon. Minister to the bottle-necks at the transshipment points, which was a very important subject. I am glad to say that conditions have improved to a great extent at Viragram. I must also say that there has been no improvement whatsoever, according to my knowledge and experience, at Delhi-Serai Rohila, Hissar and Bhatinda. Because Rajasthan is having a lot of cement factories in the Fourth Plan, Rajasthan is not able to consume its entire production of cement in the State itself. Most of this cement goes to western U.P., Punjab, Haryana, Himachal Pradesh, Jammu and Kashmir. Therefore it is very essential that we must have all the facilities of transshipment at Delhi-Serai Rohila, Hissar and Bhatinda.

Before I conclude, Sir, I would like to make some practical suggestions for your kind consideration. If they are implemented I hope they will be in the interest of the railways, in the interest of the public and in the interest of the country. Firstly, in Saurashtra region and Gujarat State I would very strongly request you that diesel locomotives should be used in all types of trains. Locomotives run by coal are very very costly in the sense that coal costs Rs. 80 per tonne whereas diesel oil is easily available in the area. Even if it is imported it will be cheaper than coal. Secondly, less coal for locomotive will relieve some capacity for other goods to move. Thirdly, last time

[Shri R. K. Birla]

I had drawn the attention of the Minister to connecting Pilani to a railway station. Pilani has got a university, which everybody knows. It has got a research institute. Besides that, it has got an industrial museum which, I am sure, is one of the best in the country. It is a historical place and I would request the Minister that whenever finances improve he must connect it to a railway station.

Everybody in the House knows about the Khetri Project under the public undertaking. Government has already approved the proposal to have a railway line at Khetri. But the progress there I find is very slow. I do not know whether Khetri will be connected by a railway line before the public undertaking goes into production. If it is not done it will be bad planning because production will be there and the railways will find it difficult to move that production.

I want to say something about the financial side. The Railway Reserve Fund stood at about Rs. 63 crores on 31-3-1966. It has come down to near about Rs. 1 crores. I think the situation is not very happy and something has to be done about it. Regarding Development Fund the situation is worse, because the entire amount has been consumed and the Railways had to borrow money from the Finance Ministry to the extent of Rs. 45.80 crores.

Regarding development rebate, all I say is that though you have budgeted for a figure of Rs. 100 crores, you were able to provide only Rs. 95 crores this year. At the same time, you say that the budget shows a surplus of Rs. 2 crores. If only you had provided Rs. 5 crores more for development rebate, your account would have shown a loss. I would say here that for the safety of the people, for the efficient working of the railways, for the improved and good working of the railways, the assets of the railways must be kept in tip-top condition. All assets like locos, tracks and rails must be replaced in good time. They should not remain even one minute longer than their normal life.

MR. DEPUTY-SPEAKER : Shri Raghuvir Singh Shastri. He will have five minutes.

SHRI BASUMATARI (Kokrajhar) : Sir, nobody has spoken from Assam so far.

MR. DEPUTY-SPEAKER : As I have already pointed out to the whips concerned, a number of States have not yet participated in this discussion. Secondly, two Ministers have intervened today, one after the other. There should be some plan. Now DMK has to be given time and also Jan Sangh. I will try to accommodate as many hon. Members as possible.

श्री रघुवीर सिंह शास्त्री (बागपत) :
उपाध्यक्ष महोदय, मुझे बड़ा खेद है कि जब से रेलवे बजट पर यहां विचार शुरू हुआ है उसी दिन से मैं इस पर बोलने के लिए लिखित प्रार्थना कर रहा हूं। आज आखिर में मुझ को मुश्किल से पांच मिनट देने के लिए कहा गया है फिर भी मैं आप का धन्यवाद करता हूं कि आपने मुझे बोलने का अवसर दिया क्योंकि आप यदि यह पांच मिनट भी न देते तब मैं क्या कर सकता था।

हमारे रेलवे मिनिस्टर डा. राम सुभाष सिंग जब से रेलवे मिनिस्टर बने हैं बहुत से लोगों ने उन्हें धन्यवाद दिया और उन का स्वागत किया है। मैं भी चाहता था कि उन का स्वागत करूँ और धन्यवाद करूँ लेकिन मेरी मुश्किल है और वह यह कि शायद मेरे इलाके में जो रेलवे चलती है उस के वह मिनिस्टर नहीं है। इसलिए सब से पहले मेरा उन से अनुरोध यह है कि वह दिन जल्दी लाने का यत्न करें ताकि वह हमारी उस रेल के भी मिनिस्टर बन जायें और मैं भी अपने रेलवे मिनिस्टर के रूप में उन का स्वागत कर सकूँ।

मेरे इलाके में जो रेलवे चलती है, एस एस लाइट रेलवे, वह पिछले 61 साल से चल रही है। वह ब्रिटिश कम्पनी की रेलवे है। जितना बढ़िया वह इलाका है मेरठ, मुबंफरनगर और सहारनपुर आदि का

जिस में से होकर यह एस. एस. लाइट रेलवे शाहदरा से सहारनपुर तक जाती है उतनी ही रूढ़ी खीड़ यह रेलवे है। यह एक बिल्कुल टूटी फूटी रेलवे है और बड़ी खस्ता हालत में है। हालत यह है कि उस रेलवे का कोई इंजन ऐसा नहीं है जो 60 साल से कम उम्र का हो और उस की कोई बोगी ऐसी नहीं है जोकि टूटी फूटी न हो। जहां सरकार अपने कर्मचारियों को 58 साल में रिटायर करदेती है वहां वह इंजन 60 साल से ऊपर के चले आ रहे हैं और अभी उन के रिटायर होने की कोई तारीख या अवधि नहीं रखी गई है और आगे भी मुझे कोई आशा कहीं है कि उन्हें रिटायर किया जा सकेगा।

उस रेलवे के कर्मचारियों की दशा और भी दयनीय है। वहां फोर्थ क्लास के कर्मचारियों की तनखाह 30 रुपये से शुरू होती है और आठ आने सालाना उन की तरक्की है और 35 रुपये पर खतम हो जाती है। पिछले साल कर्मचारियों ने हड़ताल का नोटिस दिया था लेकिन अधिकारियों ने समये का इंतजार किये बागैर ही रेलवे को बंद कर दिया और उसे डेढ़ महीने तक लगातार बंद रक्खा। इस के लिए मैं रेलवे मिनिस्टर के पास गया, श्रम मंत्री जी के पास गया, रेलवे बोर्ड के चेअरमैन के पास गया लेकिन सब ने यही कहा कि उस रेलवे के बारे में हम कुछ नहीं कर सकते हैं। मैं आज अपने डा० साहब से कहना चाहता हूं कि अब जनता तंग आ चुकी है, सारे कर्मचारी भी ऊब चुके हैं। हमारे इलाके की सारी प्रगति भी रुकी हुई है। उस भट्ठी और टूटी फूटी रेलवे के कारण उस इलाके की तमाम औद्योगिक प्रगति रुकी पड़ी हुई है। अफसोस यह है कि उस पर न आप को अधिकार है और न इस संसद को अधिकार है। यह तीसरी बजट अधिवेशन है जब कि मैं इस पर चर्चा कर रहा हूं। दिसम्बर सन् 67 में उस इलाके के जहां से होकर यह रेलवे चलती है

सारे एम. पीज. ने भी रेलवे मिनिस्टर साहब को एक ज्ञापन दिया था और उन सब बातों का परिणाम यह हुआ है कि रेलवे मंत्रालय ने एक बड़ी रेलवे लाइन वहां पर चलाने के लिए सर्वे करने का आर्डर दिया है। 19 नवम्बर सन् 68 को मेरे एक प्रश्न के उत्तर में मंत्री महोदय ने कहा कि उस सर्वे की रिपोर्ट 6 महीने में आ जायगी। मैं प्रार्थना करता हूं कि वह रिपोर्ट जल्द से जल्द तैयार कराई जाय और जल्द उस मामले में ध्यान दिया जाय और अमली कदम उठाये जाय।

मैं मानता हूं कि पुनाचा साहब, श्री परिमल घोष और श्री रोहण लाल चतुर्वेदी तीनों हमारी मांग से सहानुभूति रखते रहे हैं और मुझे आशा है कि डा० साहब जी इस से काफी सहानुभूति रखेंगे। लेकिन आज तक मेरी यह मांग भी स्वीकार नहीं हुई। मैंने यह कहा था कि रेलवे मिनिस्टर अधिक से अधिक छः सात मील पर चलने वाली इस रेलवे को चल कर कम से कम देखें कि उस की क्या हालत है। मैं कहना चाहता हूं कि डा० राम सुभग सिंह एक दफा वहां चलें। अगर वह उस को देख लेंगे तो यह निश्चित है कि उस 61 वर्षीय टूटी फूटी रेल के तलाक के लिये अपने आप दस्तखत कर देंगे। हमारे नीतिकारों ने एक इलोक लिखा है बूढ़े आदमी के लिये कि :

अंगं गलितं पलितं मुण्डम्,
वृद्धान्विहीनं जातं पुण्डम् ।
बुद्धो धनंत गृहीत्वा वण्डम्,
तदपि न मुञ्च्यत्याशापिण्डम् ॥

एक आदमी जिस के सारे अंग शिथिल हो गये हैं, सारे बाल सफेद हो गये हैं, दांत भी टूट रहे हैं, लाठी का सहारा ले कर चलता है, वह इतना होने पर भी जीवन की आशा छोड़ना नहीं चाहता। इस रेलवे की ठीक यही हालत है। उस के इंजन टूटे हुए हैं, उस में गर्मी, सरदी और वर्षा

[श्री रघुवीर सिंह शास्त्री]

से बचाने वाले डब्बे भी नहीं हैं, लेकिन उस के जो मालिकान हैं वह उस को चलाते ही रहना चाहते हैं। मैं चाहता हूँ कि रेलवे मिनिस्टर साहब एक दफे वहाँ चले और चल कर उस को देखें। अगर वह छः सात मील चल कर उस को देखेंगे तो मेरी बातों को बिल्कुल सच पायेंगे।

मुझे बहुत ईर्ष्या होती है जब भारत भर के सदस्य यहाँ पर अपनी अपनी रेलों के सम्बन्ध में अपनी बातें कहते हैं। कोई कहता है कि दोहरी लाइन होनी चाहिये, कोई कहता है कि बिजली से चलनी चाहिये, कोई कहता है कि रपतार बढ़नी चाहिये। कलकत्ते के बारे में श्री परिमल घोष ने कहा कि अन्डरग्राउंड रेलवे बनाने की बात हो रही है। मैं उन से कहता हूँ कि कलकत्ते में आप अन्डरग्राउंड रेलवे चलाना चाहते हैं, लेकिन हमारे यहाँ जो ओवर-ग्राउंड रेलवे है उस को भी तो चलाइये। इस लिये मेरी प्रार्थना है कि जो मेरे सारे इलाके की मांग है, उस की ओर ध्यान दिया जाये और उस इलाके में जो रेलवे चल रही है अब तो उस के मालिकान ने भी यह कहना शुरू किया है कि यह चलने लायक नहीं रही। इस लिये जहाँ भी वह ट्रट फूट जाती है, कोई कील कांटा निकल जाता है, तो वह उस को लगाने के लिये भी तैयार नहीं होते। आज उस के पास 20 इंजिन हैं और 16 ड्राइवर हैं जो बीस गाड़ियों को चलाते हैं। प्रकसर इंजिन रास्ते में रुके रहते हैं क्योंकि वह टूटे फूटे रहते हैं। जो मिस्त्री हैं या जो ड्राइवर हैं वह उन को ठोक-पीट कर या बांध जूड़कर चलाते हैं। मैं समझता हूँ कि ऐसी बुरी दशा भारत भर में किसी रेलवे की नहीं होगी।

डा० राम सुभग सिंह से मेरी विशेष प्रार्थना है और एक ही मांग है कि वह भारत के रेलवे मंत्री बने हैं इस लिये वह मेरे इलाके की रेलवे के मंत्री भी बन जाये

ताकि मैं अपने इलाके में जा कर कह सकूँ कि यह हमारे मंत्री की रेलवे है, हमारे रेलवे बोर्ड की रेलवे है। मैं आशा करता हूँ कि इस बजट के समय जब शायद वह 6 तारीख को अपना भाषण देंगे, वह इस सम्बन्ध में कोई ठोस बात कहेंगे। और आज तक जो कुछ उन्होंने सोचा है, उससे आगे बढ़ कर कोई ठोस आवासन देंगे ताकि उस क्षेत्र के लोगों को इस रेलवे से छुटकारा मिल सके और वहाँ पर कोई आधुनिक डंग की रेलवे चल सके।

SHRI P. M. MEHTA (Bhavnagar): Mr. Chairman. I congratulate the Railway Minister, Dr. Ram Subhag Singh, for presenting a Budget which does not impose further taxes in the form of a rise in fares and freight on the common man, producers, manufacturers, consumers or other groups. It leaves at the end of the coming financial year a small surplus. It is a healthy sign. People have well received this Budget.

For want of time I will only deal with some important points. I have come to know from reliable sources that the railway administration is considering about the removal of the narrow gauge lines. Out of the total length of narrow gauge lines in India, two-thirds exist in my State, Gujarat. These lines are very useful lines and are the connecting links between the rural and the urban areas, between villages, towns and cities. For want of all-weather roads these are the only available means of communication for the rural public and the towns people. It is beyond a shadow of doubt that if the railway administration would remove these narrow gauge lines, it would be a retrograde step on the part of the railways.

The removal of the narrow gauge lines will create a very adverse effect on the entire rural economy and it will adversely affect the economy in urban area also.

Over and above all this, I am of the opinion that neither Government of India nor the Railways or even the State Government should withdraw any smallest facility which is once provided to

the people. Not only the Railways should not remove the narrow-gauge lines but they should not even try to remove a water hut which is once provided. I hope the Railways will not take an absolute narrow materialistic outlook but will first consider the problems of the people. I may also mention here that the State Government has opposed the idea of the removal of the narrow-gauge lines and, I hope, the railway administration will not ignore that opinion.

Now, I would like to refer to one vital point which was also touched upon by the hon. Member, Shri C. C. Desai. It is regarding the construction of Bhavnagar-Tarapur broad-gauge line. This is a very useful and important line not only for Gujarat but for the whole of India. By this line, the western most part of the country will be directly connected with the rest of India on broad-gauge. So far as I know, the survey work of this line is over. The Western Railway authorities have finished the survey work, so far as I know. It will not be out of place to mention here that I am constantly pursuing the matter and I am happy to say that the then Railway Minister, Shri C. M. Poonacha, and the Minister of State for Railways, Shri Parimal Ghosh have taken pains to expedite the survey report. Now, I think, it is with the Railway Ministry here. My submission is that, if it is so, the hon. Minister should expedite the matter and finalise the project of Bhavnagar-Tarapur broad-gauge line. I may mention here that the State Government have given the top priority to the construction of Bhavnagar-Tarapur project broad-gauge railway line. Not only that. The State Government had assigned special work to one or two high-rank officials who have furnished all the relevant data regarding the traffic survey. The State Government have forwarded a memorandum and that memorandum gives a correct picture of the economy of the proposed broad-gauge railway line. I hope Dr. Ram Subhag Singh will surely take up this long-pending project and will give due and careful consideration to the demand of the people and the State Government and will finalise the construction.

Now, the Railway authorities have introduced passenger trains from Halvad to Dhangadhra on Zund Kandla broad-gauge line. But they have not introduced passenger trains beyond Dhangadhra on Dhangadhra Viramgaon section. This has created a terrible inconvenience to the travelling public. The passengers are compelled to change the train at Dhangadhra.

I would like to invite the attention of the Minister to the fact that the goods trains are running on that section. Special trains run on this section. Why are only passenger trains not introduced? Whatever the reason for this may be, the Railways authorities must start passenger trains on this section beyond Dhangadhra without further delay.

Thank you.

SHRIMATI UMA ROY (Malda) : I rise to support the Railway Budget. While agreeing that the diversion of short-distance traffic to road helps in removing congestion in trains, I request you not to be too happy to similar diversion in the case of long-distance passenger-traffic...

MR. CHAIRMAN : The hon. Member may continue on the next occasion. Now we have to take up the half-an-hour discussion.

17.30 hrs.

HALF-AN-HOUR DISCUSSION

INDEPENDENCE OF FIJI

श्री कामेश्वर सिंह (खगारिया) : फीजी की स्वतंत्रता का प्रश्न बहुत दिनों से संयुक्त राष्ट्र संघ में उठाया जा रहा है। इसके बारे में मैं आपका ध्यान सरदार स्वर्ण सिंह के भाषण की ओर ले जाना चाहता हूँ जो कि उन्होंने 12 अक्टूबर 1965 को संयुक्त राष्ट्र संघ में दिया था। उन्होंने उस भाषण में कहा था :

"In December 1960, the General Assembly adopted the historic Declaration on the granting of Independence to colonial countries and peoples (Resolution 1654-

[श्री कामेश्वर सिंह]

(XVI) of the special Committee on Decolonisation with which we have been intimately associated. The discussions in that committee have exposed to the world the appalling conditions that prevail in the remaining colonial territories and it is to the work of the Special Committee that the people in colonial territories have looked for freedom, for hope and for inspiration".

उन्होंने बताया था कि 1960 में यू. एन. की क्या रिपोर्टेशन है आजादी देने के बारे में। आप देखें कि तब से आज तक भारत सरकार के रिप्रिजेंटेटिव ने वहां पर क्या क्या स्टेप लिये हैं और क्या कहा है। श्री गारे खॉ ने कहा था कि फीजी यू. एन. का एक डेलीगेशन जाये, फ़ैक्ट फाइंडिंग डेलीगेशन जाए और जो एडमिनिस्ट्रिंग कंट्री है उसकी सहमति से उस डेलीगेशन में मੈम्बर लिए जायें। परन्तु ब्रिटेन समय समय पर बराबर इस बात को काटता रहता है और कहता रहा है कि वहां डेलीगेशन भेजने की कोई आवश्यकता नहीं है। संयुक्त राष्ट्र संघ में ब्रिटेन के डेलीगेट्स ने यहां तक कहा है कि जो भी इनफोर्मेशन चाहिए, जो भी फ़ैक्ट्स चाहियें उनको दिया जा सकता है, उसको वह वहां दे सकते हैं परन्तु डेलीगेशन भेजने की कोई जरूरत नहीं है। बार बार वहां पर इस प्रश्न को उठाता गया है लेकिन कुछ देश हैं, गिने चुने देश हैं, जैसे अमरीका है, ब्रिटेन और आस्ट्रेलिया है जो या तो वोट नहीं देते हैं या एबसैट रहते हैं। इससे साफ जाहिर होता है कि वे कभी भी नहीं चाहेंगे कि इस देश को कभी भी स्वतंत्रता दी जाय। मैं ब्रिटेन की लेबर सरकार को याद दिलाना चाहता हूं कि एटलीं साहब ने भारत को आजाद होने में मदद दी थी। इसके मुकाबले में फीजी तो एक बहुत छोटा सा द्वीप है। उसको अगर आजादी दी भी जाती है तो यह बहुत बड़ी बात नहीं होगी।

बात आजादी देने की ही नहीं है। वास्तव में बात यह है कि किसी तरह से पिछड़े हुए देशों को चाहे वे बड़े हों या छोटे, जकड़े रखा जाय। जब कभी सवाल उठता है किसी मुल्क में सफेद चमड़ी वालों का तो ये लोग कुछ नहीं बोलते हैं, चाहे लोगों को फांसी पर लटका दिया जाय या कुछ और भी हो जाय। परन्तु जब दूसरों का सवाल उठता है तो वे लोग इससे पीछे हट जाते हैं।

मैं आपके सामने एक मजेदार बात रखना चाहता हूं। लंदन में 1965 में एक कान्फ़ेंस हुई थी, कांस्टीट्यूशनल कान्फ़ेंस। 16 अगस्त 1966 को पोलैंड के रिप्रिजेंटेटिव ने संयुक्त राष्ट्र संघ में कहा था :

"The main issue at London Constitutional Conference in 1965 had not been Fiji's independence but how to create and preserve the inequalities in the representation of various communities in the Legislative Council."

ब्रिटेन के लोग फीजी के 51 प्रतिशत निवासियों को भारतीय कहते हैं। वास्तव में वे लोग भारतीय उत्पत्ति के हैं, लेकिन वे कई पीढ़ियों से वहां रहते आये हैं। फीजी पर अपना प्रभुत्व और साम्राज्य बनाये रखने के उद्देश्य से ब्रिटेन बराबर यह कहता है कि वे लोग भारतीय हैं, जबकि वे फीजी के निवासी हैं। ब्रिटेन की पालिसी सदा से "डिवाइड एंड रूल" को रही है और वह उस को जारी रखना चाहता है।

हमारे देश के कई डेलीगेशन फीजी गए हैं। हमारे श्रम मंत्री और विदेश विभाग के सचिव भी अलग अलग डेलीगेशन में बहां जा चुके हैं। मैं विदेश मंत्री से विशेष रूप से कहना चाहता हूं कि यहां से जो भी डेलीगेशन फ़िफी जाते हैं, उनकी रिपोर्ट पर अमल करने की कोशिश करनी चाहिए।

मैं विदेश मंत्री से यह भी अनुरोध करूंगा कि ब्रिटेन से बातचीत कर के फिजी में यू. एन. डेलीगेशन भेजने की कोशिश करनी चाहिए। उस डेलीगेशन में भारत के रिप्रिजेंटेटिव, श्री गारेखा, जैसे लोगों को भी सम्मिलित किया जाय, जिन्होंने वहां पर इस प्रश्न को बड़े जोर के साथ उठाया था।

भारत के स्वतंत्र हो जाने के बाद भी उस को संसार के किसी भी देश की आजादी के बारे में, चाहे वह देश छोटा हो या बड़ा, चुप नहीं रहना चाहिए। हमारा यह परम् कर्तव्य है कि हम संसार के हर एक देश की आजादी के लिए अपनी आवाज उठाएँ और इस में सम्बद्ध देश की पूरी मदद करें।

इस प्रश्न को संयुक्त राष्ट्र संघ में हमेशा उठाया जाता है। संयुक्त राष्ट्र संघ ने यह तय किया है कि 1969 के सत्र में फिजी के मामले पर विचार जायेगा। मैं आपके माध्यम से विदेश मंत्री से यह पूछना चाहता हूँ कि उस सत्र में इस प्रश्न पर भारत का क्या रुख होगा और फिजी को स्वतंत्रता दिलाने के सम्बन्ध में वहां पर भारत की ओर से क्या कदम उठाये जायेंगे।

फिजी के बारे में हिन्दुस्तान जो कुछ करता है, ग्रंथज लोग उसको कितनी हेय दृष्टि से गिरी हुई दृष्टि से, देखते हैं, मैं उसका एक उदाहरण देना चाहता हूँ। मि. हैरल्ड हाउटन, डिप्टी एजुकेशन एडवाइजर इन दि यू. के. डिपार्टमेंट आफ टेकनीकल को-ऑपरेशन, ने सूवा में कहा :

"He is also reported to have made the remark that some establishments in India were awarding degrees which he would not regard as the equivalent of good, honest, sixth form work in a secondary in Fiji".

भारत सरकार यूनिवर्सिटी लेवल की शिक्षा देने के लिए फिजी के विद्यार्थियों को कुछ स्कालरशिप देती है। यह बात ग्रंथजों को नहीं जंचती है। फिजी के विद्यार्थी भारत में आ कर रहते हैं, शिक्षा प्राप्त करते हैं और यहां पर स्वतंत्रता सम्बन्धी विचारों को ग्रहण करते हैं। जब वे वापस लौटते हैं, तो वे अपने साथ अपने देश की स्वतंत्रता की उमंग ले कर जाते हैं। यह स्वाभाविक है कि वे वहां पर जा कर फिजी के स्वतंत्रता-संग्राम में भाग लेंगे और इस से ब्रिटेन को कुछ दिक्कत हो सकती है। इसी कारण ब्रिटेन इस बात का विरोध करता है।

मि० हाउटन के इस वक्तव्य की आलोचना करते हुए पैसिफिक रिव्यू की ओर से क्या कहा गया, वह भी मैं आप के सामने रखना चाहता हूँ।

The Pacific Review said that Mr. Houghton had never been to India to conditions there, nor spent sufficient time to study the local conditions here.

इस से प्रकट होता है कि हिन्दुस्तान की ओर से फिजी के विद्यार्थियों को स्कालरशिप दे कर जो अच्छा काम किया जा रहा है, ब्रिटेन के मन में उस के लिए कोई अच्छी भावना नहीं है।

17 दिसम्बर, 1967 को यू० एन० ट्रस्टीशिप कमेटी ने एक यू० एन० मिशन को फिजी में जाने की इजाजत न देने के कारण ब्रिटेन की आलोचना की थी।

इस साल जब संयुक्त राष्ट्र संघ में फिजी की स्वतंत्रता का मामला उठाया जायेगा, तो ब्रिटेन, अमरीका और आस्ट्रेलिया की तरफ से उस का घोर विरोध किया जायेगा। अब तक वहां पर यह स्थिति रही है कि कभी तीन बोट उन के पक्ष में होते हैं, कभी तीन देश एबस्टेन करते हैं और फिजी को स्वतंत्रता देने के पक्ष में कभी 17 और कभी 21 बोट होते हैं।

[श्री कामेश्वर सिंह]

ब्रिटेन का यह भी एक रिमार्क है यूनाइटेड नेशंस में। यह संयुक्त राष्ट्र वाले कहते हैं :

"Britain has refused to comply on the ground that the regulations ignored the situation within Fiji where half the people were said to oppose surrendering their colonial status".

अब सोचिए कि संयुक्त राष्ट्र संघ का यह कहना है कि ब्रिटेन वाले कहते हैं कि फ़िजी में आधे लोग जो हैं वह अपना उपनिवेशवाद का स्टेटस जो है उस को छोड़ना नहीं चाहते हैं। क्या आप के दिमाग में यह बात कभी आ सकती है कि 1947 में स्वतंत्रता पाने के पहले.....

सभापति महोदय : "आप" के माने हैं चेयरमैन से।

श्री कामेश्वर सिंह : जी हां, आप के लिए ही कह रहा हूं। मैं नहीं समझ सकता हूं कि कभी भी 1947 के पहले किसी के दिमाग में ऐसी बात आ सकती थी कि हम लोग स्वतंत्रता नहीं चाहते हैं? यदि ऐसी बात होती तो 1942 में आन्दोलन नहीं होता। उस के बाद भी स्वतंत्रता संग्राम की आग यहां नहीं भड़कती। इसी प्रकार फ़ीजी में भी है। उन को दबा कर रखा जा रहा है और कोई भी फैक्ट फ़ाइडिंग डैलीगेशन यहां जायेगा, बाहर के आदमियों का अधिक आमदरफ्त यहां होगा तो यह जो उन का रिमार्क है, यू० के० का वह गलत साबित होगा। इसलिए बराबर से प्रॉपोज यह चाहते हैं कि उस को अलग कर के रखा जाय, उस को बन्द कर के रखा जाय। 1965 में तो स्वर्ण सिंह साहब ने वहां कहा परन्तु उस के बाद वह भी कुछ दिन तक यहां विदेश मंत्री रहे, उस के बाद चागला साहब आये, उस के बाद स्वयं प्रधान मंत्री थीं और उन के बाद अब हमारे नये विदेश मंत्री दिनेश सिंह जी आए हैं, मुझे देखना है कि इतने मंत्री तो निकल गए 1969 तक, अब दिनेश सिंह जी क्या

करिश्मा करते हैं? संयुक्त राष्ट्र संघ में मैं उम्मीद करता हूं कि यही जाएंगे और पता नहीं क्या कर के आएंगे। इस से पहले मैं इन से कुछ पूछना भी चाहता हूं।

पहला प्रश्न मेरा यह है कि हमारे श्रम मंत्री श्री हाथी जो फ़ीजी गए थे गुडविल मिशन में वहां उन्होंने हर तबके के लोगों से बातचीत की और बातचीत करने के बाद वह यहां लौटे तो उन्होंने क्या रपट सरकार को दी कि वहां के लोग क्या चाहते हैं? चेयरमैन साहब, मैंने जो आप के सामने ब्रिटेन का रिमार्क पढ़ा संयुक्त राष्ट्र संघ के अन्दर कि वहां के लोग चाहते हैं कि उपनिवेश ही बना रहे, इस से बहुत गहरा सम्बन्ध यह रखता है। इसलिए मैं विदेश मंत्री से चाहता हूं कि इस बात को वह साफ साफ कहें। दूसरी बात यह है कि मैं कुछ और लोगों के विचार भी आप के सामने रखता हूं। संयुक्त राष्ट्र संघ में हम बराबर से यह कहते आए हैं खास कर के वह सभी देश जो कि हिन्दुस्तान से इस मामले में कुछ हमदर्दी रखते हैं उन्होंने भी कहा है कि ब्रिटेन अपने स्वार्थों के लिए मिलिटरी और एकोनामिक, फ़ीजी को अपने काबू में रखना चाहता है। अब कितना यह राक्षसी विचार उन का है यह तो सोचने की ही बात है।

दूसरी बात यह है और मेरा प्रश्न भी है कि अभी हाल ही में जब कि माइकेल स्टुअर्ट साहब ब्रिटिश फारेन सेक्रेटरी यहां आए थे तो उन से फ़ीजी के ऊपर कुछ बातचीत हुई थी, मैं जानना चाहूंगा विदेश मंत्री से कि माइकेल स्टुअर्ट के साथ क्या बातचीत हुई? मैं अनुरोध करूंगा कि वह जवाबों को टालने की कोशिश न करें। दोनों बातों का साफ साफ जवाब दें और मुझे यह भी देखना है कि 1969 में वह संयुक्त राष्ट्र संघ में क्या करिश्मा करते हैं?

बैदेशिक कार्य मंत्री (श्री दिनेश सिंह) : सभापति महोदय, श्री कामेश्वर सिंह जी ने

जो एक जिक्र किया कि आज वह देश जो स्वतंत्र नहीं हैं उन की स्वतंत्रता के लिए हमें प्रयत्न करना चाहिए, उन की मदद करनी चाहिए तो मैं नहीं समझता हूं कि इस में कोई दो राय हो सकती हैं।

यह हम सब का कर्तव्य है कि जो कि पहले गुलामी में रह चुके हैं, हम उन देशों की स्वतन्त्रता के लिये पूरी कोशिश करें, जो आज अभी तक स्वतन्त्र नहीं हो पाये हैं और मैं समझता हूं कि भारत का इतिहास इस मामले में एक उज्ज्वल इतिहास है, जो कोशिशें हम ने अपने साथियों के साथ सब देशों की स्वतन्त्रता के लिये की हैं, वे सब के सामने स्पष्ट हैं। मैं समझता हूं कि माननीय सदस्य भी इस में दो राये नहीं रखेंगे।

आज भी हमारी यही कोशिश है कि फीजी में जल्द से जल्द स्वतन्त्रता आये, वहां के लोग स्वतन्त्र हों और स्वतन्त्र होकर उन के जो मसले हैं, उन को सुलझा सकें, लेकिन हर एक देश की स्थिति कुछ अलग होती है और हम को देखना पड़ता है कि वहां के लोग क्या चाहते हैं। आज यदि हम खुद कोई फैसला करने की कोशिश करें या हमारे चाहने या सोचने से हम यह समझें कि दूसरा देश उस पर चलने लगे—मैं समझता हूं कि यह कोई मुनासिब बात नहीं है। जहां हम दूसरे देशों की स्वतन्त्रता चाहते हैं, वहां हम को इस बात का ख्याल भी रखना होगा कि वहां के लोग किस तरह से स्वतन्त्रता के रास्ते पर आगे बढ़ना चाहते हैं। फीजी के लोग स्वतन्त्रता चाहते हैं और बहुत उत्सुकता से स्वतन्त्रता चाहते हैं, लेकिन उन के कुछ मसले हैं, उन मसलों को उन्हें ही तय करना होगा। आज फीजी के लोग, वहां के बड़े बड़े नेता उन मसलों को तय करने में लगे हुए हैं और उन का ख्याल है कि मुमकिन है कि वे उन मसलों

को जल्द निबटा सकेंगे और उन मसलों के निबटते ही वे फिर से उनकी जो स्वतन्त्रता की मांग है, उस में लग जायेंगे और हम पूरे तौर से उन की मांग का समर्थन करेंगे और उन की मदद करेंगे। लेकिन जो लोग वहां अपने मामलों को तय करने में लगे हुए हैं, हमें उन को समय देना चाहिये ताकि वे उन पर विचार कर सकें।

पिछली मर्तबा संयुक्त राष्ट्र की जनरल असेम्बली में भी यह मामला उठा था, वहां भी यही फैसला हुआ था कि फीजी में जो बातें हो रही हैं उन को देखते हुए हमारे लिये बेहतर यही होगा कि इस मसले पर हमारी जो राय है, उस को कुछ दिनों के लिये स्थगित कर दें...

SHRI RANAGA (Sri Kakulam) : What was the stand taken by United Kingdom in the United Nations ?

श्री विनेश सिंह : उन्होंने यही कहा था कि संयुक्त राष्ट्र की जनरल असेम्बली इस मसले पर गौर करना अभी स्थगित कर दे, क्योंकि वहां पर कुछ बातें चल रही हैं। दूसरे देशों की भी यही राय थी और हम भी उसी राय में रहे, हम ने कोई अलग राय कायम नहीं की। ..

श्री कामेश्वर सिंह : आप यू० के० की राय के हक में थे।

श्री विनेश सिंह : अगर सब देश यू० के० की राय के हक में थे तो इस का अर्थ यह नहीं है कि उसका नाम यू० के० होने से हम उस से असहमत हो जायें। हम किसी देश के साथ ऐसी भावना नहीं रखते...

श्री कामेश्वर सिंह : उन का रुख देखना पड़ेगा, हमारे साथ वोट देने हैं या नहीं।

श्री विनेश सिंह : ऐसा माझूम होता है कि माननीय सदस्य दूसरी राय रखते हैं, वह दूसरी राय रख सकते हैं, लेकिन हम उस में शामिल नहीं हैं।

समापति जी, मैं बिक कर रहा था कि वहां पर कुछ बातें चल रही हैं, हर एक को

[श्री दिनेश सिंह]

देखना चाहिये कि इन बातों के क्या नतीजे निकलते हैं उस के बाद हम तय करेंगे कि हम को क्या करना है।

वहां भी लोगों ने बात-चीत शुरू की और आज हम, उस बात का क्या परिणाम होगा, उसको देख रहे हैं। श्री माइकेल स्टुअर्ट जब भारत आये थे और जब वहां पर भारत सरकार से उनकी वार्ता हुई थी तो उसमें भी फीजी का मामला उठा था.....

श्री कामेश्वर सिंह : सभापति महोदय, मंत्री महोदय ने मेरे पहले प्रश्न का उत्तर साफ नहीं दिया है। मैं जानना चाहता था कि ब्रिटेन का जो कहना है कि उपनिवेशवाद की स्थिति को चाहते हैं तो श्री हाथी जो वहां पर गए थे और उनकी लोगों से बात-चीत हुई तो क्या उनकी राय में ब्रिटेन का कहना सही है है या नहीं ?

श्री दिनेश सिंह : मेरी समझ में नहीं आता कि माननीय सदस्य को क्यों शक है ? कोई भी देश उपनिवेशवाद क्यों चाहेगा ? इस बात का सवाल ही नहीं उठता कि कोई देश चाहे कि उसके यहां उपनिवेशवाद बना रहे। उस उपनिवेशवाद से स्वतन्त्रता में जाने के रास्ते की बातचीत हो सकती है, लेकिन उपनिवेशवाद बना रहे, यह कैसे कोई चाहेगा ? ताज़ुब की बात है कि इसका कोई जिक्र करने की भी जरूरत हो सकती है ?

SHRI RANGA : They are free in their own country. They are having self-Government. Is it not ?

श्री दिनेश सिंह : जहां तक इस बात का सवाल है कि श्री माइकेल स्टुअर्ट जब वहां आये थे तो उनसे हमारी क्या बात-चीत हुई, हमने उनसे फीजी के बारे में जिक्र किया और हमने उनसे कहा कि हम चाहते हैं कि वहां शीघ्रातिशीघ्र स्वतंत्रता आये, वहां के लोग मिल-जुल कर रह सकें। उन्होंने भी इस बात को महसूस किया और कहा कि भारत जो इस सम्बन्ध में कर रहा है वह

सराहनीय रहा है, हम उम्मीद करते हैं कि वहां पर जल्दी स्वतंत्रता आये और मैं समझता हूं अगर इस बातचीत का अच्छा नतीजा निकलता है तो बहुत जल्दी वहां पर स्वतंत्रता आ सकेगी, और अगर अच्छा नतीजा नहीं निकलता है तो क्या हमारी आगे नीति होगी, क्या हम करेंगे वह आज मेरे लिए कहना सम्भव नहीं होगा। मैं यही कहना चाहता हूं कि सरकार की और से हम हमेशा इस कोशिश में रहते हैं कि जो देश स्वतंत्र नहीं हैं वहां जल्दी से जल्दी स्वतंत्रता आये।

श्री रबी राय (पुरी) : सभापति जी, मैं कामेश्वर सिंह जी को धन्यवाद देना चाहता हूं कि आधे घंटे की चर्चा के जरिए उन्होंने फीजी की स्वतंत्रता के बारे में यहां पर सवाल उठाया। मैं निवेदन मंत्री को सुन रहा था तो मुझे ऐसा लगा कि फीजी को आजाद कराने के सिलसिले में, जिस को कि ब्रिटेन गुलाम बना कर रखे हुए है, इनके पास कोई ठोस दृष्टिकोण नहीं है। यूनाइटेड किंगडम ने जिस प्रकार से हिन्दुस्तान में डिवाइड ऐंड रूल की पालिसी को चलाया, उसी प्रकार से फीजी में भी चला रहा है, इसके सम्बन्ध में एक भारत के प्रतिनिधि, श्री गैरितन ने जो कहा है उसको पढ़ कर सुनाना चाहता हूं :

“This policy of the administrative power in Fiji to divide the people on communal and racial lines is nothing new”.

हिन्दुस्तान के एक प्रतिनिधि ने स्वयं वहां जाकर इस बात को महसूस किया है कि ब्रिटेन की सरकार फीजी के अन्दर बहा के बाशिन्दों में डिवाइड ऐंड रूल की पालिसी को चलाती है और उनको पराधीन रखने का कार्य करती है। जिस उज्ज्वलमय इतिहास का जिक्र किया गया कि इंडोनेशिया को लैंड की गुलामी से आजाद करने के लिए हमने पहले की, फीजी को भी आजाद कराने के लिए एशिया और अफ्रीका के देशों की मदद से ब्रिटेन के खिलाफ यूनाइटेड

नेशन में हम जनमत तैयार करें ताकि 1969 में वहां पर जो बहस होने वाली है उसमें कामियाबी मिल सके और फीजी जल्द आजाद हो सके ।

SHRI A SREEDHARAN (Badagara) : Sir, when I heard the hon. minister I thought for a moment whether it was the External Affairs Minister of the U.K. who was speaking here. This question of settling the problem of giving independence is new to us. In India also, Britain trotted out the same claims years ago and only when driven to the wall, they gave us independence. They are repeating the same story in Fiji. When a new External Affairs Minister came, I fervently hoped that he would have a new look at our attitude towards imperialism and colonialism and take an aggressive attitude towards these things. He stated there are certain problems and when those problems are solved, U. K. will willingly give independence to Fiji. that was the indication I gathered. even though he did not say so in so many words. I want to know whether India has taken an assurance from the Government of the U. K. as to who will decide whether these problems are solved. As long as Britain sits in judgment, these problems are not going to be solved, because Britain is a party and deliberately it is engineering that conflict, creating an ugly situations in Fiji. My question is, whether Government have at any time suggested to the U. K. Government that these problems should be settled under the auspices of a word body and not under the auspices of the U. K., because that only Fiji will get independence.

SHRI ERASMO DE SEQUEIRA (Marmagoa) : Two questions arise. One is in the past we were very active and we took a lot of interest in the anti-colonialist movement of the word. There is a feelling current in this country and elsewhere that once we have solved our own problem, and the problem of Goa, Daman and Diu our interest in similar problems elsewhere had waned. May I ask what the hon. Minister proposes to do to ensure that this feelling, which

I believe is partly right, is driven away and we continue to have take the same interest in this problem as before.

The second question arises because we Indians are not merely a nationality or a nation, but we are also a race. We find that today from places where we used to settle traditionally like Africa and Persian Gulf, we have been asked to leave from the under-populated areas of the world, to whose development we can contribute. We are not being allowed to do that, not because we do not have the ability or we cannot contribute to the advancement or the build-up of those countries, but merely because of our race. In these circumstances, may I ask whether the Government plans to make it is responsibility the furtherance of the Indian race and not merely Indian nationality ? One of the main reasons as I gather from Press reports why Britain is reluctant to give immediate independence to Fiji is the underlying fact that if independence is granted, the European Minority will lose its dominance and the independent Majority will play its rightful role.

SHRI RANGA : Let us first know whether it is colonialism or imperialism which is sitting on the top of Fiji and whether they have self-government today and they are free except for the name of independence.

SHRI DINESH SINGH : Regarding the question raised by Mr. Rabi Ray whether we are for independence or not, I could not understand why he still carries certain doubts which should have been removed many many years ago. When these years have not removed his doubts, I really do not know whether I would be in a position in the two minutes you have given me even to attempt to remove them. Perhaps, in course of time, when he read more and more of debates in this House he would become conscious of the fact that it has always been our endeavour to fight colonialism wherever it has existed and, may I say, in a constructive manner and not by merely making just vague and general speeches.

The question raised by Shri Sreedharan, whether it was the British Foreign Secretary speaking or the Foreign Minis-

[Shri Dinesh Singh]

ter of India, I would only beg of him to think more in terms of India sitting in Indian Parliament and not think that he is sitting in the House of Commons. If he thinks that he is sitting in Indian Parliament then he will have no doubt that the British Foreign Secretary cannot speak here. The more he thinks of India the more conscious he will become about the policies of India and not the policies talked about by other countries. If he listens quietly to what is said then he will understand and make all these allegations. He did not understand whether it was the British Foreign Secretary speaking or the Indian Foreign Minister speaking only to disturb the proceedings (*Interruptions*). You are aware, Sir, as to what he asked me.

SHRI NAMBIAR (Tirucherppalli) : It is only a phrase. Why should the Minister take the literal meaning of it ?
18 hrs.

SHRI DINESH SINGH : Then may I suggest to the hon. Member that he should be more careful in picking out the phrases he chooses to put before the Indian Parliament. (*Interruption.*) When he talks about our asking the world body to settle the whole case, the fact is that this is before the world body and the United Nations is taking interest. How else does he want us to force the United Nations to take interest when it is before a special committee on colonialism which is considering this matter. I fail to understand what exactly he is trying to tell me to do when we are doing everything possible to assist in the liberation of Fiji.

Shri Sequeira raised rather, if I may say so, an unfortunate interpretation of a very vital question before us. That is the question of the people of Indian origin and he attempted to make out that we should think of Indian race as a nationality. That is vitally against our concept of nationality.

SHRI ERASMO DE SEQUEIRA : I am sorry the hon. Minister has misunderstood me. I said there was Indian nationality and Indian race.

SHRI DINESH SINGH : I understood him very well. It is only because I understood him I am trying to answer him. He suggested to me that it should be the responsibility of the Government of India to look after the Welfare of Indian race wherever it exists. That means you are giving a nationality to the people of Indian origin in different countries.

SHRI ERASMO DE SEQUEIRA : I am afraid the Minister has misunderstood. I said that in general where the people of Indian race are being driven out or being kept away from opportunity merely because of their race it should be the responsibility of this Government to raise its voice against it.

SHRI DINESH SINGH : It is our responsibility to protect the interests of Indian nationals wherever they are in the world but it is certainly not our responsibility to interfere in the internal affairs of other countries where people of Indian origin may have acquired another nationality because then, apart from what we may or may not be able to do, they will become suspects in their own country that they do not look for protection to the legitimately constituted government in their country but look for protection to India. It will be an extremely dangerous theory, if I may say so, to propagate at this time when a large number of people of Indian origin are trying to make difficult adjustments to settle in the various countries they are. It has been our endeavour to assist them on humanitarian grounds to find rehabilitation when necessary. We have assisted them on humanitarian grounds when they have been forced to leave the country. But for us to assume a global responsibility of protection on the basis of race and not nationality of a people who have settled in different countries would constitute a tremendous danger for those people themselves who are now trying to make new homes. I would beg of the hon. Member to try to

make a differentiation between our responsibility towards our citizens and our interest in the others on humanitarian grounds. I can assure him that on humanitarian grounds we shall do our best to assist people of Indian origin and, indeed, we have attempted to assist others. But so far as their settlement in a country is concerned it

should be a process which has to be attempted by them and in that we should not attempt to interfere (*Interruption*).
