

Need to provide railway level crossings or underpasses in Jorhat Parliamentary Constituency- laid

SHRI TOPON KUMAR GOGOI (JORHAT): The three district Jorhat, Sivasagar, a Charideo of my constituency have some railway level crossing or underpass but unfortunately 200-300 years old roads don't have any railway level crossing or underpass due to that, numbers of accidents are happening and innocent people are losing their life at the junction of the railway track crossing, where no railway level crossing has been built. As students from local villages, Patient on emergency people doing the job near about, tourists, small and heavy transport vehicle have to cross from the above said point every day. I request the Hon?ble Minister of Railways to take urgent measures, so that the railway level crossing or underpass should be built at all the points where the railway lines and 200-300 years old roads are bisecting each other as soon as possible to stop the accidents and save the innocent people?s lives.
