

Need to sanction funds under Blue Revolution Scheme ? laid

SHRI GAJANAN KIRTIKAR (MUMBAI NORTH-WEST): There is a Jetty at present at Versova, Andheri (West), Mumbai in my Parliamentary Constituency of 27-Mumbai North-West. It is a first fisherman jetty in India. Considering ever increasing fishing business, Government of Maharashtra have appointed Central Institute of Coastal Engineering for Fishery, Jalahalli, Bengaluru-560013 for submitting estimates and necessary drawing for constructions of new jetty at Versova, Andheri (West). The estimate of Rs. 337 crore for construction of jetty proposals has already been submitted to the Central Government on 21/05/2019 together with all maps, drawings etc. with a request to sanction the required fund under Blue Revolution Scheme. The sanction is pending for last four years. Considering the urgent need of fishing communities and increasing business, I urge upon the Hon'ble Minister to kindly accept the proposal and sanction necessary funds for the purpose.
