

Need to conduct various examinations for recruitment in central government Services in Tamil language and also to improve the employment opportunities for the youths of Tamil Nadu- laid

SHRI C. N. ANNADURAI (TIRUVANNAMALAI): The youth from Tamil Nadu are not getting selected during the recruitment drive in Union Government departments including Railways and Public Sector Undertakings (PSUS) in Tamil Nadu. Tamil Nadu has more human resources with comparatively higher knowledge and skill sets both in technical and academic areas which can be properly utilized. In the competitive examinations conducted by Railway Recruitment Board this year in the Southern Region for several post, most of the person selected do not belong to Tamil Nadu. This causes huge disappointment among the unemployed youths in the state. The system may be facilitated for conducting all the examinations by various union recruitment agencies in the Tamil language also which will be helpful for the aspirants from Tamil Nadu. I request the Union Government to do the needful to improve the employment opportunities for the youths of Tamil Nadu.
