

Regarding development of Archaeological sites in Sivasagar, Assam - laid

SHRI TOPON KUMAR GOGOI (JORHAT): It is matter of great concern that the Union Minister of Finance announced at the Union Budget e2020-2021, that the five archaeological sites would be developed (preservation and beautification) as iconic site with on-site museums. How many of the prominent tourism sites had to been chosen for the development (preservation and beautification) as iconic sites in Sivasagar of Assam the detail work plan, the amounts allocated, details for the preservation and beautification of the iconic sites and onsite museum in Sivasagar, Assam may be provided. I urge the Hon?ble Minister of Culture about the works going on the ground and what measure are taken for the fast completion for the development of the iconic sites along with a onsite Museum in Sivasagar, Assam. It should be developed as a big attraction for the international and domestic tourist which will generate lots of employment.
