

Need to start direct Express Train from Radhikapur, West Bengal to New Delhi - laid

SUSHRI DEBASREE CHAUDHURI (RAIGANJ): I would like to draw the kind attention of the Hon'ble Minister of Railways towards the need for starting Direct Express Train service from Radhikapur, West Bengal to New Delhi. Radhikapur, which is in my Raiganj Parliamentary Constituency, at present, is having a link train service, i.e. Seemanchal Express, to New Delhi via Katihar under Katihar Division of North Frontier Railway with LHB coaches. The electrification work of Radhikapur is completed and the people of this area require a direct train connectivity to New Delhi. This is one of the most genuine demand of the people of my Raiganj Parliamentary Constituency which needs the kind and favourable consideration of the Hon'ble Minister of Railways. I urge upon the Hon'ble Minister of Railways to consider the demand favourably on top priority basis and start a New Direct Express from service from Radhikapur, West Bengal to New Delhi for the benefit of the passengers.
