

Need to construct a concrete bridge between Natibpur to Ganeshpur over river Mundasari-laid

SHRIMATI APARUPA PODDAR (ARAMBAGH): In my Arambagh Parliamentary Constituency which is a flood prone area, there is need to construct a concrete bridge between Natibpur to Ganeshpur over river Mundasari. This area is prominently habited by SC/STs. This bridge is the need of the hour for the community. I urge upon the Government to intervene into this issue and immediately sanction fund for my area.
