

Regarding halt of trains at different railway stations of Anakapalle  
Parliamentary Constituency-laid

DR. BEESETTI VENKATA SATYAVATHI (ANAKAPALLE): I would like to state that I have received a large number of representations from all walks of people living in the vicinities of ANAKAPALLI, to have a minute/two minute trail basis stoppage of the following train as indicated below Sl. No. Name of the Train where permission is sought for stoppage Train No. Request for consideration of one/two minute halt may be accorded/given at the Railway station 1. runs between VISAKHAPATNAM and VANDE BHARAT (This train SECUNDERABAD), 20833 Anakapalli Railway Station In the above context, it may be submitted that during my interaction with the people of my constituency, a lot of the people have personally requested me to provide a stoppage of the said trains at the places mentioned. A large number of commuters all walks of life do frequently visit from Elamanchi, Narsipatnam Road to various prominent places like Visakhapatnam, Vijayawada, Secunderabad/Hyderabad. Thus, I personally feel that giving atleast a minute/two minute halt at these places would be ideally helpful to the commuters of these areas.
