

## Need to restore the earlier sharing pattern of eight Centrally Sponsored Schemes

**SHRI BHARTRUHARI MAHTAB (CUTTACK):** Delinking of eight Centrally Sponsored Schemes (CSS) from Central support, abolition of Normal Central Assistance and a steep increase in State's share of Centrally Sponsored Schemes has imposed severe financial burden on the State. For example, Pradhan Mantri Gram Sadak Yojana (PMGSY) was earlier fully funded by the Government of India. But, now the share of Government of India has come down to 60% requiring 40% funding by the State Government as matching share. Similarly, the sharing pattern under National Health Mission (NHM) and Pradhan Mantri Awas Yojana (PMAY) has been revised with States like Odisha having to contribute 40% share instead of 25% share provided earlier. Such change in sharing pattern of the Centrally Sponsored Schemes has cast a huge additional financial burden on the States leading to much less resource for the State schemes appropriate to our needs. I urge upon the Union Government to consider for restoring the earlier sharing pattern of eight Centrally Sponsored Schemes so that more resources of the State would be available for the State Schemes.
